## **REASON FOR THE TOP-UP PLACING AND USE OF PROCEEDS**

The Directors consider the timing of the fund raising by the way of the Top-Up Placing is appropriate in the view that the recent stock market has shown strong sentiment and there is imminent demand for the Shares as the investors are interested and confident about the business prospect of the Company. The Directors are of the view that the liquidity flow and the conditions in the equity market are subject to abrupt changes and consider whilst there is imminent demand for the Shares, the Top-Up Placing represents an opportunity to raise additional capital instantly for the Company to enhance the general working capital base and to further strengthen the existing business of the Group notwithstanding that the Top-Up Placing will result in the dilution of the existing shareholding interest of the Shareholders. In addition, in view of the financial needs for further expansion of the Company's existing business or possible diversified investment, the Directors consider that the previous fund raising activities as stated in section headed "**FUND RAISING ACTIVITIES IN THE PAST TWELVE MONTHS**" in addition to the Top-Up Placing are fair and reasonable and are in the best interest of the Company and its shareholders as a whole. The Directors also consider that Top-Up Placing represents an opportunity to raise capital for the Company while broadening the Shareholder base and capital base of the Company. Accordingly, the Directors consider the Top-Up Placing Agreement is in the interest of the Company and the Shareholders as a whole.

The gross proceeds from the Top-Up Placing will be approximately HK\$143.59 million. The net proceeds of approximately HK\$139.8 million from the Top-Up Placing is intended to be used for expansion of the property investment business of the Group including the property set out in the Company's announcement dated 23 July 2007 (the "VSA Announcement"). Not until the publication of the VSA Announcement on 23 July 2007, the potential investors have indicated their interest in the Company and approached the Company for potential investment in the Company. Thereafter, the Company contacted the Placing Agent and proposed for the Top-Up Placing. Accordingly, the initial negotiation on the Top-Up Placing commenced after the publication of the VSA Announcement. The net proceeds raised per Share upon the completion of the Top-Up Placing will be approximately HK\$0.808.
