VOLUNTARY ANNOUNCEMENT FURTHER UPDATE ON IMPACT OF THE CORONAVIRUS DISEASE 2019 (COVID-19) OUTBREAK ON BUSINESS OPERATIONS

Reference is made to the announcements of EuroEyes International Eye Clinic Limited (the “**Company**”, and together with its subsidiaries, the “**Group**”) dated 19 March 2020 (the “**19 March Announcement**”) and 3 April 2020 (the “**3 April Announcement**”) in relation to the impact of the COVID-19 outbreak on the Group’s business operations. Capitalised terms used herein shall have the same meanings as those defined in the 19 March Announcement and 3 April Announcement unless the context requires otherwise.

Business and Operation in Germany

As disclosed in the 19 March Announcement and the 3 April Announcement, Restrictions have been put in place by the German Government since 22 March 2020 and, in view of the Restrictions, the Directors decided to limit the opening of the Affected Clinics on 31 March 2020.

As of 5 May 2020, the Restrictions have been relaxed and the Directors decided to resume normal operations of the Affected Clinics. As of the date of this announcement, all of the Group’s clinics in Germany have resumed normal operations. Out-patient consultation and surgical services are performed in strict compliance with all applicable COVID-19 related regulations and policies in Germany and the Group’s internal hygiene and quality standards so as to protect the wellbeing of the staff and patients of the Group.

The Directors will continue to closely monitor the development of the COVID-19 outbreak in Germany and make appropriate arrangements.

Business and Operation in Denmark

Subsequent to the temporary closure of the Group’s clinics in Denmark as disclosed in the 3 April Announcement in response to the recommendation of the Danish Government, the Directors have decided to re-open the Group’s clinics in Denmark on 20 April 2020.

As of the date of this announcement, all of the Group’s clinics in Denmark have resumed normal operation, including out-patient consultation and surgical services.

Business and Operation in the PRC

Since the 19 March Announcement and the 3 April Announcement, the Group's Beijing (West) clinic has resumed operations in line with the directions from the relevant local authorities in the PRC.

Continuity of Business

As of the date of this announcement, to the best knowledge and information of the Directors, none of the Group's medical staff and other non-medical staff in Germany, Denmark and the PRC has been diagnosed with COVID-19.

As disclosed in the 3 April Announcement, the COVID-19 outbreak is expected to have some impact on the Group's operations and financial performance. Given the duration and intensity of the global health situation and related disruptions are uncertain, the Group cannot reasonably estimate the impact at this time. It is unknown when the COVID-19 outbreak will end, and/or when or whether there will be any new or further restrictions that may be implemented by the relevant government authorities in Germany, Denmark and the PRC at a later stage. The Group will continue to regularly and closely monitor the development of the COVID-19 outbreak and assess its impact on the operations and financial performance of the Group, and the Group will place the health and safety of its patients and staff as its highest priority while ensuring compliance with all applicable laws, rules and regulations. The Group will make further announcement(s) as and when appropriate.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the shares of the Company.
