New EuroEyes Copenhagen Flagship Clinic Officially Opens Its Doors
Grand opening reinforces its leadership in vision correction in the Nordic region

Hong Kong, 8 November 2022 – EuroEyes International Eye Clinic Limited (“EuroEyes” or the “Company”, together with its subsidiaries, the “Group”, HKEX: 1846), a leading global vision correction service provider, has officially opened the doors of its new flagship clinic in Copenhagen, Denmark.

The grand opening ceremony was held on 24 October 2022 and showcased the Group’s state-of-the-art ophthalmology equipment and innovative use of space that provides patients with a comfortable and private environment. Located in Parken Stadium, a 30-year landmark in Copenhagen and one of the most prominent sports arenas in the world, the 1,100 square meter flagship clinic increases EuroEyes’ operational capacity that can cater to the growing demand for vision correction services in Denmark and the Nordic region. It further complements the Group’s network of clinics in the country, which has seen a pickup in surgery bookings in recent months.

The new Copenhagen flagship clinic was opened in the first quarter of 2022 with the first surgery performed in March. This further underscores EuroEyes' commitment in serving its customers, and best positioning itself to capture the anticipated increase in business in the coming years.

Dr. med. Jørn S. Jørgensen, Founder, Chairman and CEO of EuroEyes, said: "We are excited to officially launch our new flagship clinic in Copenhagen, and we look forward to welcoming more patients to this state-of-the-art facility. This new flagship clinic is a testament to our continued business growth not only in the Nordic region, but globally, and that we continue to invest to ensure we provide the most appropriate services to our patients and generate greater value for our shareholders. We will continue to pay close attention to markets around the world and seize business opportunities that arises."
