This appendix serves as explanatory statement, as required by the Listing Rules, to provide requisite information to you for your consideration of the Repurchase Mandate.

1. LISTING RULES

The Listing Rules permit companies whose primary listing are on the Stock Exchange to repurchase their fully paid up shares on the Stock Exchange or on another stock exchange on which the shares of the companies may be listed and recognized by the Securities and Futures Commission and the Stock Exchange for this purpose, subject to certain restriction, the most important of which are summarized below:

(a) Shareholders' Approval

The Listing Rules provide that all on-market repurchases of shares by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of a specific approval in relation to specific transactions or by a general mandate to the directors of the company to make such repurchase.

(b) Source of Funds

Repurchases must be made out of funds which are legally available for the purpose and in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

(c) Maximum Number of Securities to be Repurchased

The shares proposed to be repurchased must be fully-paid up. A maximum of 10% of the existing issued share capital of the company at the date of passing the relevant resolution may be repurchased on the Stock Exchange.

2. SHARE CAPITAL

As at 24th July 2006, being the Latest Practicable Date prior to the printing of this document (the "Latest Practicable Date"), the issued share capital of the Company comprised 1,442,017,989 shares.

Subject to the passing of the resolutions granting the Issue Mandate and the Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the AGM, the Company will be allowed to issue a maximum of 288,403,597 shares and to repurchase a maximum of 144,201,798 shares, being 20% and 10% respectively of the issued capital of the Company as at the date of passing of the relevant resolutions.

3. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests in the Company and its shareholders. Such repurchase may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share of the Company and will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum and Articles of Association, the Companies Law of the Cayman Islands, which provide that Shares may be repurchased out of the profits of the Company, and/or out of the proceeds of a fresh issue of Shares made for this purpose and/or even out of the capital paid up on the repurchased Shares, and all other applicable laws.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts contained in the annual report for the year ended 31st March, 2006 in the event that the Repurchase Mandate were to be carried out in full at any time during the proposed repurchased period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstance, have a material adverse effect on the working capital requirement of the Company or gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

	Shares

2005

August	3.550	3.250
September	3.425	3.025
October	3.200	2.200
November	2.825	2.350
December	2.825	2.525
2006		
January	2.925	2.675
February	3.425	2.850
March	3.775	3.175
April	4.175	3.325
May	3.775	2.975
June	3.525	3.050
July (up to Latest Practicable Date)	3.375	3.025

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and all applicable laws.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates presently intend to sell any Shares to the Company or its subsidiaries in the event that the Repurchase Mandate is approved by Shareholders.

The Company has not been notified by any connected persons (as defined in the Listing Rules) either that they have a present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them to the Company in the event that the Repurchase Mandate is approved by Shareholders.

7. TAKEOVER CODE AND MINIMUM PUBLIC HOLDING

If as a result of a repurchase of Shares a shareholder's proportionate interest in the voting rights of the Company increase, such increase will be treated as an acquisition for the purposes of the Hong Kong Code on Takeovers and Mergers (the "Takeover Code"). Accordingly, when a shareholder, or a group of shareholders acting in concert, could then obtain or consolidate control of the Company, he/they shall become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Code.

As at the Latest Practicable Date, Messrs. Deacon Te Ken Chiu, David Chiu, Dick Tat Sang Chiu, Dennis Chiu, Daniel Tat Jung Chiu and Madam Ching Lan Ju Chiu, ("the said Directors") together with their respective associates held 455,654,863 Shares (including David Chiu's lending of 73,874,886 Shares) representing approximately 31.6% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares in accordance with the Repurchase Mandate, the shareholding of the said Directors, together with their respective associates, in the Company would be increased to approximately 35.11% of the issued share capital of the Company. An obligation to make a general offer to shareholders under Rule 26 of the Takeover Code may arise. The Directors have no present intention to exercise the power of repurchase pursuant to the Repurchase Mandate to such an extent as to result in takeover obligations. In the event that the Repurchase Mandate is exercised in full, the number of Shares held by the public would not fall below 25%.

8. SHARES REPURCHASE MADE BY THE COMPANY

The Company had not purchased any of its own Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.
