Financial adviser to the Company

PROPOSED SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every twenty (20) issued and unissued Existing Shares of par value of HK\$0.002 each in the share capital of the Company will be consolidated into one (1) Consolidated Share of par value of HK\$0.04 each.

PROPOSED CHANGE IN BOARD LOT SIZE

Conditional upon the Share Consolidation becoming effective, the Board also proposes to change the board lot size for trading on the Stock Exchange from 2,000 Existing Shares to 10,000 Consolidated Shares.

PROPOSED SHARE PREMIUM REDUCTION

The Board proposes to reduce the amount standing to the credit of the Share Premium Account and to apply such amount towards offsetting the Accumulated Losses as at the effective date of the Share Consolidation.

CAPITAL REORGANISATION

The Board further proposes that:

- (i) **Capital Reduction:** after the Share Consolidation becoming effective but subject to the other conditions to the Capital Reorganisation being satisfied, the issued share capital of the Company will be reduced by (a) eliminating any fraction of a Consolidated Share in the issued share capital of the Company arising from the Share Consolidation in order to round down the total number of Consolidated Shares to a whole number; and (b) cancelling the paid up capital to the extent of HK\$0.03 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK\$0.04 to HK\$0.01;
- (ii) **Share Sub-division:** immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares of par value of HK\$0.04 each be sub-divided into four (4) New Shares of par value of HK\$0.01 each; and
- (iii) **Offsetting Accumulated Losses:** the credits arising in the books of the Company from the Capital Reduction be applied towards offsetting the Accumulated Losses as at the effective date of Capital Reorganisation. The balance of the credit (if any) of the Share Premium Account after offsetting the Accumulated Losses may be applied by the Company in any manner as permitted by all applicable laws and the Memorandum and Articles.

GENERAL

The EGM will be convened and held for the Shareholders to consider and, if thought fit, approve the Share Consolidation, the Share Premium Reduction and the Capital Reorganisation.

A circular containing, among other things, further details of the Share Consolidation, the Change in Board Lot Size, the Share Premium Reduction and the Capital Reorganisation, together with a notice convening the EGM, is expected to be despatched to the Shareholders on Thursday, 9 March 2023.

Shareholders and potential investors of the Company should note that the Share Consolidation, the Change in Board Lot Size, the Share Premium Reduction and the Capital Reorganisation are subject to the satisfaction of the conditions. Accordingly, the Share Consolidation, the Change in Board Lot Size, the Share Premium Reduction and the Capital Reorganisation may or may not proceed. Shareholders and potential investors of the Company are advised to exercise caution when dealing in the Shares. If they are in any doubt, they should consult their professional advisers.

PROPOSED SHARE CONSOLIDATION

The Board proposes to implement the Share Consolidation on the basis that every twenty (20) issued and unissued Existing Shares of par value of HK\$0.002 each in the share capital of the Company will be consolidated into one (1) Consolidated Share of par value of HK\$0.04 each.

Effects of the Share Consolidation

As at the date of this announcement, the authorised share capital of the Company is HK\$20,000,000 divided into 10,000,000,000 Existing Shares of par value of HK\$0.002 each, of which 7,499,999,994 Existing Shares have been issued and are fully paid or credited as fully paid.

Reference is made to the Announcements in relation the Subscriptions. Under the Subscriptions, the Company has conditionally agreed to issue 1,499,999,000 Existing Shares. Upon completion of the Subscriptions, the enlarged issued share capital of the Company would be 8,999,998,994.

Immediately upon the Share Consolidation becoming effective but prior to the Capital Reorganisation becoming effective, and assuming that no further Existing Shares will be issued or repurchased from the date of this announcement up to the effective date of the Share Consolidation save for the issue of 1,499,999,000 Existing Shares under the Subscriptions, the authorised share capital of the Company shall become HK\$20,000,000 divided into 500,000,000 Consolidated Shares of par value of HK\$0.04 each, of which 449,999,949 Consolidated Shares will have been issued and will be fully paid or credited as fully paid.

Other than the expenses to be incurred in relation to the Share Consolidation, the implementation thereof will not alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save for any fractional Consolidated Shares which may arise.

The Share Consolidation will not involve any diminution of any liability in respect of any unpaid capital of the Company or the return of capital or cash to the Shareholders.

Status of the Consolidated Shares

Upon the Share Consolidation becoming effective, the Consolidated Shares shall rank *pari passu* in all respects with each other in accordance with the Memorandum and Articles. The Share Consolidation will not result in any change in the rights of the Shareholders.

Conditions of the Share Consolidation

The Share Consolidation is conditional upon the following:

- (i) the passing of an ordinary resolution to approve the Share Consolidation by the Shareholders at the EGM;

- (ii) the Stock Exchange granting the listing of, and permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective; and
- (iii) the compliance with the relevant procedures and requirements under the laws of Cayman Islands and the Listing Rules to effect the Share Consolidation.

Subject to the fulfillment of the conditions of the Share Consolidation, the Share Consolidation will become effective on Tuesday, 18 April 2023, being the second Business Day immediately after the date of the EGM.

Adjustments in relation to other securities of the Company

As at the date of this announcement, the Company has outstanding Share Options entitling the holders thereof to subscribe for an aggregate of 149,999,998 Existing Shares under the Share Option Scheme. Under the relevant terms and conditions of the Share Option Scheme, the Share Consolidation may lead to adjustments to the exercise price and the number of Shares falling to be issued upon exercise of the Share Options. The Company will make further announcement(s) on such adjustment(s) as and when appropriate.

As at the date of this announcement, save for the Share Options, the Company had no outstanding debt securities, derivatives, options, warrants, convertible securities or other similar securities which are convertible or exchangeable into Shares.

Application for listing of the Consolidated Shares

An application will be made by the Company to the Stock Exchange for the listing of, and the permission to deal in, the Consolidated Shares in issue and to be issued upon the Share Consolidation becoming effective and the Consolidated Shares which may be issued pursuant to the exercise of the Share Options granted.

Subject to the granting of the listing of, and permission to deal in, the Consolidated Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the Consolidated Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealing in the Consolidated Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the Consolidated Shares to be admitted into CCASS established and operated by HKSCC. Shareholders should seek advice from their stockbroker or other professional adviser for details of those settlement arrangements and how such arrangements will affect their rights and interests.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Share Consolidation becomes effective, the Consolidated Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Fractional entitlement to Consolidated Shares

Fractional Consolidated Shares arising from the Share Consolidation, if any, will be disregarded and will not be issued to the Shareholders but all such fractional Consolidated Shares will be aggregated and, if possible, sold for the benefit of the Company. Fractional Consolidated Shares will only arise in respect of the entire shareholding of a holder of the Existing Shares regardless of the number of share certificates held by such holder.

Odd lots arrangements and matching services

In order to facilitate the trading of odd lots (if any) of the Consolidated Shares, the Company will appoint a securities firm to provide matching services, on a best effort basis, to those Shareholders who wish to acquire odd lots of the Consolidated Shares to make up a full board lot, or to dispose of their holding of odd lots of the Consolidated Shares. Details of the odd lot arrangement will be set out in the circular to be despatched to the Shareholders.

Holders of odd lots of the Consolidated Shares should note that the matching of the sale and purchase of odd lots of the Consolidated Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Exchange of share certificates for the Consolidated Shares

Subject to the Share Consolidation becoming effective, Shareholders may, on or after Tuesday, 18 April 2023 until Thursday, 25 May 2023 (both days inclusive) between 9:00 a.m. and 4:00 p.m. on any Business Day, submit the existing share certificates for the Existing Shares (in green colour) to the Registrar at Suites 3301-04, 33/F, Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong to exchange, at the expense of the Company, for new share certificates of the Consolidated Shares (in purple colour).

Shareholders should note that after the prescribed time for free exchange of share certificates, a fee of HK\$2.50 each (or such higher amount as may from time to time be allowed by the Stock Exchange) will be payable by the Shareholders to the Registrar for each share certificate for the Existing Shares submitted for cancellation or each new share certificate issued for the Consolidated Shares, whichever the number of share certificates involved is higher.

After Tuesday, 23 May 2023, share certificates for the Existing Shares will remain valid and effective as documents of title and may be exchanged for share certificates for the Consolidated Shares at any time but will cease to be valid for delivery, trading and settlement purposes.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the date of this announcement, the Existing Shares are traded in board lots of 2,000 Existing Shares. Conditional upon the Share Consolidation becoming effective, the Board also proposes to change the board lot size for trading on the Stock Exchange from 2,000 Existing Shares to 10,000 Consolidated Shares.

Based on the closing price of HK\$0.018 per Existing Share (equivalent to the theoretical closing price of HK\$0.36 per Consolidated Share upon the Share Consolidation becoming effective) as quoted on the Stock Exchange at the date of this announcement, the market value of each existing board lot of 2,000 Existing Shares is HK\$36 and the theoretical value for each new board lot of 10,000 Consolidated Shares would be HK\$3,600.

The Change in Board Lot Size will not result in change in the relative rights of the Shareholders.

PROPOSED SHARE PREMIUM REDUCTION

The Board proposes to reduce the amount standing to the credit of the Share Premium Account and to apply such amount towards offsetting the Accumulated Losses as at the effective date of the Share Consolidation.

Conditions of the Share Premium Reduction

The Share Premium Reduction is conditional upon:

- (i) the Share Consolidation having become effective; and
- (ii) the passing of a special resolution by the Shareholders to approve the Share Premium Reduction at the EGM.

Subject to fulfilment of the above conditions, it is expected that the Share Premium Reduction will become effective as at the effective date of the Share Consolidation.

Effect of the Share Premium Reduction

As at 30 September 2022, the amount standing to the credit of the Share Premium Account was approximately HK\$326.3 million and the Accumulated Losses was approximately HK\$280.4 million.

The implementation of the Share Premium Reduction does not involve any reduction in the authorised or issued share capital of the Company nor does it involve any reduction in the nominal value of the Shares or the trading arrangements concerning the Shares.

Save for the expenses incurred by the Company in relation to the Share Premium Reduction, the Board considers that the implementation of the Share Premium Reduction will not, in itself, have any material adverse effect on the underlying assets, business operations, management or financial position of the Company or the interests of the Shareholders as a whole.

PROPOSED CAPITAL REDUCTION AND SHARE SUB-DIVISION

The Board further proposes that:

- (i) **Capital Reduction:** after the Share Consolidation becoming effective but subject to the other conditions to the Capital Reorganisation being satisfied, the issued share capital of the Company will be reduced by (a) eliminating any fraction of a Consolidated Share in the issued share capital of the Company arising from the Share Consolidation in order to round down the total number of Consolidated Shares to a whole number; and (b) cancelling the paid up capital to the extent of HK\$0.03 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK\$0.04 to HK\$0.01;
- (ii) **Share Sub-division:** immediately following the Capital Reduction, each of the authorised but unissued Consolidated Shares of par value of HK\$0.04 each be sub-divided into four (4) New Shares of par value of HK\$0.01 each; and
- (iii) **Offsetting Accumulated Losses:** the credits arising in the books of the Company from the Capital Reduction be applied towards offsetting the Accumulated Losses as at the effective date of Capital Reorganisation. The balance of the credit (if any) of the Share Premium Account after offsetting the Accumulated Losses may be applied by the Company in any manner as permitted by all applicable laws and the Memorandum and Articles.

Effect of the Capital Reduction and the Share Sub-division

As at the date of this announcement, the authorised share capital of the Company is HK\$20,000,000 divided into 10,000,000,000 Existing Shares of par value of HK\$0.002 each, of which 7,499,999,994 Existing Shares have been issued and are fully paid or credited as fully paid.

Immediately upon the Share Consolidation and the Capital Reorganisation becoming effective and assuming no further change in the number of issued Shares from the date of this announcement up to and including the effective date of the Capital Reorganisation (save and except for the Share Consolidation and the Subscriptions), the authorised share capital of the Company shall be HK\$20,000,000 divided into 2,000,000,000 New Shares of par value of HK\$0.01 each, of which 449,999,949 New Shares will have been issued and will be fully paid or credited as fully paid.

Assuming that there is no change in the number of issued Existing Shares from the date of this announcement up to and including the date on which the Share Consolidation and the Capital Reorganisation (as the case may be) become effective (save for the Subscriptions), the share capital structure of the Company will be as follows:

	As at the date of this announcement	Immediately after completion of the Subscriptions	Immediately after completion of the Subscriptions and the Share Consolidation becoming effective but prior to the Capital Reorganisation becoming effective	Immediately after the Capital Reorganisation becoming effective
Par value	HK\$0.002 per Existing Share	HK\$0.002 per Existing Share	HK\$0.04 per Consolidated Share	HK\$0.01 per New Share
Number of authorised shares	10,000,000,000 Existing Shares	10,000,000,000 Existing Shares	500,000,000 Consolidated Shares	2,000,000,000 New Shares
Amount of authorised share capital	HK\$20,000,000	HK\$20,000,000	HK\$20,000,000	HK\$20,000,000
Number of issued shares	7,499,999,994 Existing Shares	8,999,998,994 Existing Shares	449,999,949 Consolidated Shares	449,999,949 New Shares
Amount of the issued share capital (approximately)	HK\$14,999,999.99	HK\$17,999,997.99	HK\$17,999,997.96	HK\$4,499,999.49

Immediately after completion of the Subscriptions and the Share Consolidation becoming effective but prior to the Capital Reorganisation becoming effective, 449,999,949 Shares will have been issued and will be fully paid or credited as fully paid. Assuming that the par value of each of the 449,999,949 issued Consolidated Shares will be reduced from HK\$0.04 per Consolidated Share to HK\$0.01 per Consolidated Share by cancelling the paid-up share capital to the extent of HK\$0.03 per Consolidated Share by way of a reduction of capital, so as to form issued New Shares with par value of HK\$0.01 each, the Company's issued share capital of HK\$17,999,997.96 will be reduced by HK\$13,499,998.47 to HK\$4,499,999.49.

Conditions of the Capital Reorganisation

- (i) the Share Consolidation has become effective;
- (ii) the passing of the special resolution(s) to approve the Capital Reorganisation by the Shareholders at the EGM;
- (iii) the Listing Committee of the Stock Exchange granting the listing of, and permission to deal in, the New Shares in issue and to be issued upon the Capital Reorganisation becoming effective;

- (iv) approval of the Capital Reduction by the Court;
- (v) compliance with any conditions which the Court may impose in relation to the Capital Reduction;
- (vi) registration by the Registrar of Companies in the Cayman Islands of a copy of the order of the Court confirming the Capital Reduction and the minute approved by the Court containing the particulars required under the Companies Act with respect to the Capital Reduction;
- (vii) the compliance with the relevant procedures and requirements under the applicable laws of Cayman Islands and the Listing Rules to effect the Capital Reorganisation; and
- (viii) the obtaining of all necessary approvals from the regulatory authorities or otherwise as may be required in respect of the Capital Reorganisation.

The Capital Reorganisation will become effective when the conditions mentioned above are fulfilled. Upon the fulfilment of the conditions (i) and (ii) above, the legal advisers to the Company (as to Cayman Islands law) will apply to the Court for hearing date(s) to confirm the Capital Reduction and further announcement(s) will be made by the Company on the preliminary timetable as soon as the Court hearing dates are confirmed.

Application for listing of the New Shares

An application will be made by the Company to the Stock Exchange for the listing of, and the permission to deal in, the New Shares in issue and to be issued upon the Capital Reorganisation becoming effective and the New Shares which may be issued pursuant to the exercise of the Share Options granted.

Subject to the granting of the listing of, and permission to deal in, the New Shares on the Stock Exchange, as well as compliance with the stock admission requirements of the HKSCC, the New Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealing in the New Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second trading day thereafter. All activities under CCASS are subject to the General Rules of CCASS and CCASS Operational Procedures in effect from time to time. All necessary arrangements will be made for the New Shares to be admitted into CCASS established and operated by HKSCC.

At the time the Capital Reorganisation becomes effective, the New Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

Exchange of share certificates for the New Shares

As the Court hearing dates have yet to be fixed, the effective date of the Capital Reorganisation is not ascertainable at present. Should the Capital Reorganisation become effective, Shareholders may submit the existing share certificates for the Consolidated Shares (in purple colour) to the Registrar at Suites 3301-04, 33/F, Two Chinachem Exchange Square, 338 King's Road, North Point, Hong Kong to exchange, at the expense of the Company, for new share certificates of the New Shares (in blue colour). Details of such free exchange of share certificates will be announced as soon as the Court hearing date(s) and the effective date of the Capital Reorganisation are ascertained.

All existing certificates of the Shares will continue to be evidence of title to such Shares and be valid for delivery, trading and settlement purposes.

Reasons for the Share Consolidation, the Change in Board Lot Size, the Share Premium Reduction and the Capital Reorganisation

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the Existing Shares approaches the extremities of HK\$0.01 or HK\$9,995.00, the Stock Exchange reserves the right to require the Company to either change the trading method or to proceed with a consolidation or splitting of the Existing Shares. The "Guide on Trading Arrangements for Selected Types of Corporate Actions" (the "**Guide**") issued by the Hong Kong Exchanges and Clearing Limited on 28 November 2008 (and updated on 1 October 2020) has further stated that (i) market price of the securities of an issuer at a level less than HK\$0.10 each will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules; and (ii) taking into account that the minimum transaction costs for a securities trade, the expected value per board lot should be greater than HK\$2,000.

The Shares were recently trading at a level close to HK\$0.018 and the value per board lot was less than HK\$2,000. Upon the Share Consolidation becoming effective, the Share price would be adjusted to HK\$0.36 per Consolidated Share (based on the closing price of HK\$0.018 per Existing Share as at the date of this announcement), and with a board lot size of 10,000 Consolidated Shares, the new board lot value would be HK\$3,600. The Share Consolidation ratio (i.e. every 20 Existing Shares into 1 Consolidated Share) and the Change in Board Lot Size were determined after considering the following factors:

- (i) the proposed Share Consolidation ratio and the Change in Board Lot Size would enable the share price of the Company and the value of the board lot to comply with the trading requirements under the Listing Rules; and
- (ii) the trading volume of the Shares has long been thin and the average daily trading volume for the three months prior to the date of this announcement accounted for only approximately 0.15% to the total number of the existing issued Shares. The Directors considered that if the ratio of the share consolidation is set to a higher ratio, it may result in substantial reduction in the number of

issued Shares or substantial increase in the theoretical share price to such an extent which may further affect the trading liquidity of the Shares in the market or may affect future fundraising activities or corporate actions of the Company.

Further, the Share Consolidation will bring about a corresponding upward adjustment in the trading price per board lot of the Consolidated Shares on the Stock Exchange, which will reduce the overall transaction and handling costs of dealings in the Consolidated Shares as a proportion of the market value of each board lot, since most of the banks/securities houses will charge a minimum transaction fee for each securities trade. It is also hoped that the Share Consolidation will make investing in the Shares more attractive to a broader range of investors, in particular to institutional investors whose house rules might otherwise prohibit or restrict trading in securities that are priced below a prescribed floor and thus help broadening the shareholder base of the Company.

Under the Companies Act and the articles of association of the Company, the Company may not issue Shares at a discount to the par value of such shares. Immediately after completion of the Share Consolidation but before implementation of the Capital Reorganisation, the par value of the Consolidated Shares will be HK\$0.04 per Consolidated Share. The Capital Reorganisation will keep the par value of the New Shares at a lower level of HK\$0.01 per New Share, which allows greater flexibility in the pricing for any issue of new Shares in the future. In addition, the credit in the distributable reserve arising from the Capital Reorganisation will enable the Company to set off its Accumulated Losses and may be applied in future for distribution to the Shareholders or in any manner permitted by applicable laws and the Memorandum and Articles.

The Board is of the view that the Share Premium Reduction will allow the Company to reduce its Accumulated Losses, thus enabling the Shareholders and potential investors of the Company to have a better appreciation of the financial position of the Company.

As explained above, subject to the offsetting of the credits arising from the Share Premium Reduction and the Capital Reduction, it is expected that the Company should have distributable reserves available to it. Shareholders and potential investors of the Company should note that the actual effects of the Capital Reorganisation will be subject to changes, including those resulted from the changes of share capital and other things affecting the equity of the Company before the effective date of the Capital Reorganisation.

In view of the above, the Share Consolidation, the Change in Board Lot Size, the Share Premium Reduction and the Capital Reorganisation (i) will enable the Company to increase the market price as well as each board lot value of the Shares so as to comply with the requirements under the Listing Rules and the Guide; while (ii) will keep the par value of the Shares at HK\$0.01 per New Share, which allows greater flexibility for the Company in terms of issue of new Shares and dividend distribution and are beneficial to and in the interests of the Company and the Shareholders as a whole. Shareholders and potential investors should note that at this stage, there is no assurance that the Company will issue new Shares and/or declare any dividends in the future, even if the Share Consolidation, the Share Premium Reduction and the Capital Reorganisation take effect.

OTHER CORPORATE ACTIONS AND FUNDRAISING ACTIVITIES IN THE NEXT TWELVE MONTHS

As at the date of this announcement, save for the Subscriptions, the Company has no plan or intention to carry out any future corporate actions in the next twelve months which may have an effect of undermining or negating the intended purpose of the Share Consolidation, the Share Premium Reduction and the Capital Reorganisation. Nevertheless, the Board cannot rule out the possibility that the Company will conduct debt and/or equity fund raising exercises when suitable fund-raising opportunities arise in order to support future development of the Group. The Company will make further announcement in this regard in accordance with the Listing Rules if and when appropriate.
