

## EVERBRIGHT GREENTECH'S SUBSIDIARY, EVERBRIGHT ECOLOGICAL REMEDIATION (JIANGSU) LIMITED, SECURES TWO ENVIRONMENTAL REMEDIATION PROJECTS

**February 24, 2025, Hong Kong** – China Everbright Greentech Limited (“Everbright Greentech” or the “Company”) (SEHK: 1257.HK) is pleased to announce that, Everbright Ecological Remediation (Jiangsu) Limited, its wholly-owned subsidiary, has successfully secured two environmental remediation projects: the Fengyang County Landfill Operation and Maintenance Service Outsourcing Project in Anhui Province (the “Fengyang Landfill Service Project”) and the Ecological Environmental Management Project in Yanhe Town, Jianhu County, Yancheng City, Jiangsu Province (the “Jianhu Environmental Management Project”). The total contract value of the awarded projects exceeds RMB 100 million.

The scope of the Fengyang Landfill Service Project includes comprehensive treatment of landfill leachate and fly ash leachate, storage and disposal of solidified fly ash and leachate residues, site covering, and routine environmental monitoring. The service period is three years. Through professional operational management, Everbright Greentech aims to provide Fengyang County with efficient and sustainable waste treatment solutions, contributing to local ecological improvement.

The Jianhu Environmental Management Project, situated south of the Yanjiang Line and west of the Xiangyang River in Xiangyang Village, Yanhe Town, Jianhu County, involves the excavation, transportation, and final treatment of over 300,000 tonnes of pollutants from the contaminated site. Leveraging advanced technology and extensive project experience, Everbright Greentech is committed to thoroughly remediating the site, restoring ecological balance, and creating a healthier living environment for local residents.

**Dr. Zhu Fugang, CEO of Everbright Greentech**, said, “The successful awarding of these two environmental remediation projects is a testament to our professional capabilities and a significant opportunity for us to advance our green development philosophy. Everbright Greentech will continue to uphold its professional expertise, proceed with unwavering determination, focus on key areas, implement targeted

## Press Release

strategies, and promote the development of green business initiatives. As we embark on this new journey, we aim to write a new chapter of excellence in the environmental industry.”
