

## **EVERBRIGHT GREENTECH ADDS THREE MORE ESG HONOURS FOR PROVEN PERFORMANCE**

**Hong Kong, 16 December 2025** – China Everbright Greentech Limited (“Everbright Greentech” or the “Company”) (SEHK: 1257.HK) is pleased to announce that, following a series of recent industry accolades, the Company has once again been recognised for its exemplary Environmental, Social and Governance (ESG) performance with three prestigious honours. These include the “2025 Dual Carbon Contribution Award” and the “2025 ESG Model Listed Company Award” at the 15th Philanthropy Festival, together with its inclusion in the newly launched “GBA Outstanding ESG Disclosure List” by the Hong Kong ESG Reporting Awards (HERA). These distinctions reaffirm the Everbright Greentech’s enduring commitment to environmental stewardship and its strong track record in advancing green development. They also underscore the high level of recognition from the wider community for the Company’s leadership and influence in driving low-carbon transition and supporting sustainable development.

As a leading player in China’s environmental protection sector, Everbright Greentech remains steadfast in its core mission of “Devoted to Ecology and Environment for a Beautiful China”, and actively advances the national “Dual Carbon” strategy. Harnessing technological innovation as a key growth engine, Everbright Greentech continues to expand its green energy portfolio while embedding environmental responsibility, social value and strong governance across all aspects of its operations. At the same time, the Company is committed to enhancing the depth and transparency of its ESG disclosures. Through rigorous governance standards and robust green practices, Everbright Greentech is helping to lead the industry towards high-quality, sustainable growth.

Established in 2011, the Philanthropy Festival is China’s first event jointly launched by mainstream media under the banner of public welfare. Its mission is to promote the spirit of philanthropy, encourage charitable action and provide a platform for meaningful dialogue and collaboration among diverse stakeholders. Now recognised as the most influential annual event in China’s philanthropic landscape, the Festival

## Press Release

honoured Everbright Greentech for its sustained commitment to “Dual Carbon” practices and ESG excellence. The Company received two awards — the “2025 Dual Carbon Contribution Award” and the “2025 ESG Model Listed Company Award” — further reinforcing its position as an industry benchmark.

The “GBA Outstanding ESG Disclosure List”, introduced by HERA in 2025, is designed to spotlight industry leaders in ESG practice. Combining public data analysis with expert evaluation, the initiative identifies companies that excel in sustainability management, innovation and social contribution. Everbright Greentech’s inclusion on the list underscores its robust ESG governance, innovative approach and deep sense of social responsibility. It reflects the Company’s ongoing commitment to advancing sustainable development through concrete, measurable actions.

**Dr. Zhu Fugang, Chairman of Everbright Greentech**, said, “This year, Everbright Greentech delivered outstanding results in the ESG arena, earning multiple authoritative accolades that reflect the enduring impact of our commitment to upholding high standards in ESG and sustainability practices. The addition of three new honours marks a strong close to 2025 and injects renewed confidence and momentum for a high-quality start to 2026. In the year ahead, we will further strengthen our technological innovation capabilities, broaden our green energy and environmental portfolio, and enhance our ESG oversight. With a steadfast focus on driving high-quality development through new-quality productivity, Everbright Greentech remains committed to contributing meaningfully to the national ‘Dual Carbon’ goals and the vision of a Beautiful China.”

**-End-**

## Press Release

### **About China Everbright Greentech Limited**

China Everbright Greentech Limited is a specialty environmental protection service provider in China, focusing on integrated biomass utilisation, hazardous and solid waste treatment, environmental remediation, solar energy and wind power. The Company was listed on the Main Board of The Stock Exchange of Hong Kong Limited (“the Stock Exchange”) on 8 May 2017, with its controlling shareholder being China Everbright Environment Group Limited (stock code: 0257.HK).
