10. RESPONSIBILITY STATEMENT

This circular includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors collectively and individually accept full responsibility for the accuracy of the information contained in this circular and confirm, having made all reasonable inquiries, that to the best of their knowledge and belief, opinions expressed in this circular have been arrived at after due and careful consideration and there are no other facts not contained in this circular the omission of which would make any statement in this circular misleading.

11. GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,
By Order of the Board
LI Wenjin
Director

The following is the explanatory statement required by the Listing Rules to be sent to Shareholders at the same time as the AGM Notice in connection with the Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the number of Shares of the Company in issue was 1,958,200,787 Shares. Subject to the passing of Ordinary Resolution No.5 approving the Shares Repurchase Mandate and on the basis that no further Shares are issued or repurchased before the Annual General Meeting, the Company will be allowed to repurchase a maximum of 195,820,078 Shares during the period ending on the earliest of the conclusion of the next annual general meeting of the Company or the date by which the next annual general meeting of the Company is required by law or by the Bye-laws to be held or the date upon which such authority is revoked or varied by a resolution of the Shareholders in general meeting.

REASONS FOR REPURCHASE

The Directors believe that it is in the interests of the Company and the Shareholders to seek a general authority from Shareholders to enable the Directors to repurchase Shares.

Such repurchases may, depending on market conditions and funding arrangements at the time, result in an increase in net asset value of the Company and/or earnings per Share and will only be made in circumstances which the Directors believe are appropriate for the benefit of the Company and the Shareholders.

FUNDING OF REPURCHASE

Repurchases must be made out of funds which are legally available for such purpose in accordance with the memorandum of association of the Company, the Bye-laws and the laws and regulations of Bermuda. It is envisaged that the funds required for any repurchase would be derived from the distributable profits of the Company.

In the event that the power to repurchase Shares pursuant to the Share Repurchase Mandate were to be carried out in full at any time during the proposed repurchase period, there could be an adverse impact on the working capital or gearing position of the Company (as compared with the position as disclosed in the Company's most recent published audited financial statements contained in the Annual Report 2006). However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Share Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing level which in the opinion of the Directors is from time to time appropriate for the Company.

GENERAL

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their associates (as defined in the Listing Rules) currently intend to sell any Shares to the Company under the Repurchase Mandate in the event that the Share Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the powers of the Company to make repurchases pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the laws of Bermuda.

No connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Shares Repurchase Mandate is approved by the Shareholders.

If on the exercise of the power to repurchase Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, pursuant to Rule 32 of the Takeovers Code, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Kui Man Chun, the ultimate controlling shareholder of the Company, beneficially held 757,083,636 Shares, representing approximately 38.66% of the issued share capital of the Company. In the event that the Directors should exercise in full the Shares Repurchase Mandate, the shareholding of Mr. Kui Man Chun in the Company will be increased to approximately 42.96% of the issued share capital of the Company. The Directors are not aware of any consequences which may arise under the Takeovers Code as a result of any repurchases made under the Share Repurchase Mandate. The Directors do not propose to exercise the Share Repurchase Mandate to such extent that the public shareholding would be reduced to less than 25% of the issued share capital of the Company.

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:
