3. GENERAL MANDATE TO REPURCHASE SHARES

At the Annual General Meeting, an ordinary resolution will be proposed for the Shareholders to consider and, if thought fit, to grant a general and unconditional mandate to the Directors to exercise all powers of the Company to repurchase issued and fully paid Shares not exceeding 10% of the total number of Shares in issue (excluding Treasury Shares (if any)) as at the date of passing of the resolution approving the Share Repurchase Mandate which, if passed, shall be a maximum of 277,683,383 Shares (or such other number of Shares as would represent 10% of the total number of Shares in issue (excluding Treasury Shares (if any)) at the Annual General Meeting should there be any change in the total number of Shares in issue (excluding Treasury Shares (if any)) prior to the Annual General Meeting).

Both the Share Issue Mandate and the Share Repurchase Mandate, if approved, shall expire upon the earliest of (i) the conclusion of the next annual general meeting of the Company, (ii) the expiry of the period within which the next annual general meeting of the Company is required by law or the Bye-laws to be held, and (iii) the date upon which such authority given under the Share Issue Mandate or Share Repurchase Mandate (as the case maybe) is revoked or varied by an ordinary resolution of the Shareholders.

Further details of the Share Issue Mandate and Share Repurchase Mandate are set out in Ordinary Resolutions No. 7 and No. 8 in the Annual General Meeting Notice respectively. LETTER FROM THE BOARD

4. RE-ELECTION OF RETIRING DIRECTORS

In accordance with bye-law 87 of the Bye-laws, Mr. Kui Man Chun, Mr. Xu Changjun and Mr. Li Heguo will retire from office as Directors by rotation at the Annual General Meeting and, being eligible, offer themselves for re-election.

The Nomination Committee, having reviewed and assessed the independence of Mr. Li Heguo, the retiring independent non-executive Director, has formed the view that Mr. Li Heguo remains independent, having regard to the board independence evaluation mechanism of the Company and the independence criteria set out in Rule 3.13 of the Listing Rules, taking into account, among others, his ability to exercise independent judgment in relation to the Company's affairs and his annual confirmation of independence pursuant to Rule 3.13 of the Listing Rules provided to the Company.

The Nomination Committee has also considered the nomination of Mr. Kui Man Chun, Mr. Xu Changjun and Mr. Li Heguo for re-election at the Annual General Meeting in accordance with the Company's needs, nomination policy and board diversity policy, taking into account a number of considerations (including, but not limited to, their respective perspectives, skills, knowledge, experience and the Board's composition and size), and recommended all of them to stand for re-election at the Annual General Meeting.

The Board, having considered the recommendation of the Nomination Committee, believes that the invaluable knowledge and experience of the aforesaid retiring Directors will continue to be of significant benefit to the Company and the aforesaid Directors will be able to continue to fulfil their roles as required. Accordingly, the Board accepts the nomination by the Nomination Committee and recommends all of them to stand for re-election at the Annual General Meeting.

Further details of the retiring Directors proposed to be re-elected at the Annual General Meeting are set out in Appendix II to this circular.

LETTER FROM THE BOARD

8. RECOMMENDATION

The Directors consider that the granting of the Share Issue Mandate and the Share Repurchase Mandate, the extension of the Share Issue Mandate to any Shares to be repurchased under the Share Repurchase Mandate and the re-election of the retiring Directors are in the interests of the Company and Shareholders as a whole. The Directors therefore recommend the Shareholders to vote in favour of the relevant resolutions as set out in the Annual General Meeting Notice.

9. GENERAL INFORMATION

Your attention is also drawn to the additional information set out in the appendices to this circular.

Yours faithfully,
By Order of the Board
Hi Sun Technology (China) Limited
Hui Lok Yan
Executive Director and Company Secretary

The following is the explanatory statement required by the Listing Rules to provide requisite information to the Shareholders for consideration of the proposal to approve the Share Repurchase Mandate.

SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue is 2,776,833,835, and the Company does not hold any Treasury Shares, nor has it deposited any Treasury Shares in CCASS for sale on the Stock Exchange. Subject to the passing of Ordinary Resolution No. 8 approving the Shares Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the Annual General Meeting, the Directors will be authorized under the Share Repurchase Mandate to repurchase a maximum of 277,683,383 Shares, being 10% of the total number of the issued Shares (excluding Treasury Shares (if any)) as at the date of passing Ordinary Resolution No. 8, from the date of the approval up to the earliest of (i) the conclusion of the next annual general meeting of the Company, (ii) the expiry of the period within which the next annual general meeting of the Company is required by law or the Bye-laws to be held, and (iii) the date upon which such authority is revoked or varied by a resolution of the Shareholders in a general meeting.

REASONS FOR REPURCHASE

The Directors believe that it is in the interests of the Company and the Shareholders as a whole to seek a general authority from the Shareholders to enable the Directors to repurchase Shares. The Directors believe that the Share Repurchase Mandate would give the Company additional flexibility where the situation warrants the repurchase of Shares.

Shares repurchased by the Company pursuant to the Share Repurchase Mandate may be cancelled and/or held as Treasury Shares (to the extent permitted under Bermuda laws), subject to market conditions and the Group's capital management needs at the relevant time of repurchases. Shares repurchased by the Company and held as Treasury Shares may be resold on the market at full market prices as a means of fund raising or used for other purposes as allowed under Listing Rules, the applicable laws and regulations of the Bermuda, the memorandum of association of the Company and the Bye-laws.

Such repurchases may, depending on market conditions and funding arrangements at the time, result in an enhancement of the Company's net asset value and/or earnings per Share and repurchases will only be made in circumstances which the Directors believe are appropriate and for the benefit of the Company and the Shareholders as a whole.

FUNDING OF REPURCHASE

Repurchases must be made out of funds which are legally available for such purpose in accordance with the memorandum of association of the Company, the Bye-laws and the laws of Bermuda. It is envisaged that the funds required for any repurchase would be derived from the distributable profits, the share premium and/or contributed surplus, if any, of the Company.

In the event that the power to repurchase Shares pursuant to the Share Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period, there could be material adverse impact on the working capital or gearing position of the Company (as compared with the position as disclosed in the audited financial statements for the year ended 31 December 2024 contained in the Company's Annual Report 2024). However, the Directors do not propose to exercise the power to repurchase Shares pursuant to the Share Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing level of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

DISCLOSURE OF INTERESTS

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their close associates (as defined in the Listing Rules) currently intends to sell their Shares to the Company in the event that the Share Repurchase Mandate is approved by the Shareholders.

No core connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have any present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Share Repurchase Mandate is approved by the Shareholders.

EXERCISE OF REPURCHASE POWER

The Directors will exercise the powers of the Company to make repurchases pursuant to the Share Repurchase Mandate in accordance with the Listing Rules and the laws of Bermuda.

EFFECT OF THE TAKEOVERS CODE

If on the exercise of the power to repurchase Shares pursuant to the Share Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of Rule 32 of the Takeovers Code. As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any repurchases made under the Share Repurchase Mandate. The Directors have no intention to exercise the Share Repurchase Mandate to such an extent that the public shareholding of the Company would be reduced to less than 25% of the issued Shares.

SHARE REPURCHASE MADE BY THE COMPANY

The Company has not purchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date.

SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the previous twelve months before the Latest Practicable Date were as follows:

Months	Share prices (per Share)	
	Lowest <i>HK\$</i>	Highest <i>HK\$</i>
2024

NO UNUSUAL FEATURE

The Directors confirm neither this explanatory statement nor the Share Repurchase Mandate has any unusual features.

GENERAL

The Company may cancel repurchased Shares or hold them as Treasury Shares (to the extent permitted under Bermuda laws), subject to market conditions and the Group's capital management needs at the relevant time of the repurchases.

For any Treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company will adopt appropriate measures to ensure that it does not exercise any Shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws and regulations if those Shares were registered in the Company's own name as Treasury Shares. These measures may include approval by the Board that (i) the Company will not (or will procure its broker not to) give any instructions to HKSCC to vote at general meetings for the Treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, the Company will withdraw the Treasury Shares from CCASS, and either re-register them in its own name as Treasury Shares or cancel them, in each case before the record date for the dividends or distributions.
