CHARACTERISTICS OF GEM

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

LETTER FROM THE BOARD

As at the Latest Practicable Date, there were totally 320,000,000 Shares in issue. Assuming no further Shares are issued or repurchased during the period from the Latest Practicable Date to the AGM, the number of Shares in issue as at the passing of the ordinary resolution will be 320,000,000 Shares. Accordingly it is expected that, upon the approval of the refreshment of the Scheme Mandate Limit at the AGM, and on the assumption that no further Shares will be issued or repurchased by the Company from the Latest Practicable Date to the AGM, the number of Shares in issue as at the date of passing of the ordinary resolution granting the refreshment of the Scheme Mandate Limit will be 320,000,000 and therefore, the refreshed Scheme Mandate Limit under the AGM would be 32,000,000 Shares, representing 10% of the number of shares in issue at the time of passing the ordinary resolution.

In order to provide the Company with greater flexibility in granting options to eligible participants under the Share Option Scheme as incentives or rewards for their contributions to the Group, an ordinary resolution as set out in the notice of AGM will be proposed to seek Shareholders' approval at the AGM to refresh the Scheme Mandate Limit of the Share Option Scheme to 10% of the Shares in issue as at the date of passing of the resolution.

Pursuant to the terms of the Share Option Scheme, the maximum number of Shares in respect of which share options may be granted under the Share Option Scheme together with any options outstanding and yet to be exercised under the Share Option Scheme and any other share option schemes of our Company must not exceed 30% (or such higher percentage as may be allowed under the GEM Listing Rules) of the total number of Shares in issue from time to time. No share options shall be granted under any scheme(s) of the Company if this will result in the 30% limit being exceeded.

Assuming no further Shares will be issued or repurchased by the Company from the Latest Practicable Date to the AGM, the number of Shares in issue as at the date of passing of the ordinary resolution granting the refreshment of the Scheme Mandate Limit will be 320,000,000 and therefore, the refreshed Scheme Mandate Limit under the AGM would be 32,000,000 Shares, representing 10% of the number of shares in issue at the time of passing the ordinary resolution, in respect of which options may be granted under the Scheme Mandate Limit as refreshed together with all outstanding options granted and yet to be exercised as at the Latest Practicable Date i.e. 29,971,134 Shares for an aggregate of 61,971,134 Shares does not exceed the 30% limit as at the Latest Practicable Date.

The Directors consider that it is in the best interest of the Company to refresh the Scheme Mandate Limit to permit the grant of further share options under the Share Option Scheme so as to provide incentives to, and recognise the contributions of, the Group's employees and other selected grantees.

LETTER FROM THE BOARD

The adoption of the refreshment of the Scheme Mandate Limit is conditional upon:

- (a) the Shareholders passing an ordinary resolution to approve the refreshment of the Scheme Mandate Limit at the AGM; and
- (b) the Listing Committee of the Stock Exchange granting the approval of the listing of, and permission to deal in, the Shares to be issued pursuant to the exercise of any options that may be granted pursuant to the Share Option Scheme under the Scheme Mandate Limit as refreshed.

Application will be made to the Stock Exchange for the listing of, and permission to deal in, the Shares, representing 10% of the Shares in issue as at the date of the AGM which may be issued pursuant to the exercise of the share options that may be granted under the refreshed Scheme Mandate Limit.

To the best of the Directors' knowledge, information and belief, having made all reasonable enquiries, no Shareholder is required to abstain from voting on any resolutions to be proposed at the AGM.

Yours faithfully

On behalf of the Board

Wan Cheng Metal Packaging Company Limited

Liang Junqian

Chairman and Executive Director

This appendix serves as an explanatory statement, as required pursuant to Rule 13.08 and other relevant provisions of the GEM Listing Rules, to provide you with the requisite information for your consideration of the Repurchase Mandate.

1. EXERCISE OF THE REPURCHASE MANDATE

On the basis that 320,000,000 Shares are in issue as at the Latest Practicable Date and no further Shares are issued or repurchased prior to the AGM, exercise in full of the Repurchase Mandate could result in up to 32,000,000 Shares being repurchased by the Company during the period from the passing of resolution no. 5 set out in the AGM Notice up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable laws of the Cayman Islands to be held; or (iii) the passing of an ordinary resolution by Shareholders in general meeting revoking, varying and renewing the Repurchase Mandate, whichever occurs first.

2. REASONS FOR REPURCHASE

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per share.

3. FUNDING AND EFFECT OF REPURCHASES

Repurchases made pursuant to the Repurchase Mandate would be funded out of funds legally available for the purpose in accordance with the Company's memorandum of association, the Articles, the Companies Law and other applicable laws of the Cayman Islands. A listed company may not repurchase its own securities on GEM for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange. Under the Companies Law, repurchases by the Company may only be made out of profits of the Company or out of the proceeds of a fresh issue of Shares made for the purpose, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Any premium payable on a redemption or purchase over the par value of the Shares to be purchased must be provided for out of profits of the Company or out of the Company's share premium account, or, if so authorised by the Articles and subject to the provisions of the Companies Law, out of capital.

Taking into account the current working capital position of the Company, the Directors consider that, if the Repurchase Mandate was to be exercised in full, it might have a material adverse effect on the working capital and/or the gearing position of the Company as compared with the position as at 31 December 2020, being the date of its latest published audited financial statements. However, the Directors do not intend to make any repurchases to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing position of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the GEM Listing Rules, the Articles and the applicable laws of the Cayman Islands.

5. INTENTION TO SELL SHARES

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective close associates, have any present intention, in the event that the proposal on the Repurchase Mandate is approved by Shareholders, to sell Shares to the Company or its subsidiaries.

6. TAKEOVER CODE CONSEQUENCE

If a Shareholder's proportionate interest in the voting rights of the Company increases on the Company exercising its powers to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code.

As a result, a Shareholder or group of Shareholders acting in concert (as defined in the Takeovers Code) could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, none of the entities has interests in and short positions of 5% or more of the issued Shares of the company which were recorded in the register of substantial shareholders maintained under section 226 of the SFO or had otherwise notified to the Company.

As at the Latest Practicable Date, the Directors have no intention to exercise the Repurchase Mandate to such an extent that will result in a requirement of any of the above Shareholder(s) or any other persons to make a general offer under the Takeovers Code or the number of Shares in the hands of the public falling below the prescribed minimum percentage of 25%.

The Directors are not aware of any consequences which could arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate in full.

7. SHARE PURCHASED BY THE COMPANY

The Company has not purchased any of its Shares (whether on GEM or otherwise) in the previous six months preceding the Latest Practicable Date.

8. CONNECTED PERSON

No core connected person has notified the Company that he/it has a present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

9. SHARE PRICES

The highest and lowest closing prices as quoted on the Stock Exchange at which the Shares have been traded on GEM during each of the previous 12 months prior to the printing of this circular were as follows:
