

## **3Macau begins selling iPhone 6 & iPhone 6 Plus in Macau on October 31**

MACAU – Nov 6, 2014 – 3Macau began offering iPhone 6 and iPhone 6 Plus – the biggest advancements in iPhone history – at select retail outlets across Macau on Friday, 31 October. iPhone 6 is available starting at MOP 0 for the 16GB model and iPhone 6 Plus is available starting at MOP 0 for the 16GB model on a 24-month service plan. Customers can pre-order both models now at [iphone.three.com.mo](http://iphone.three.com.mo). 3Macau will allow iPhone 6 and iPhone 6 Plus customers to connect to its high-quality 3G network.

iPhone 6 and iPhone 6 Plus feature stunning 4.7-inch and 5.5-inch Retina HD displays and are packed with innovative technologies in an all-new dramatically thin and seamless design that is still comfortable to hold and easy to use. Both models are better in every way and include: the Apple-designed A8 chip with second generation 64-bit desktop-class architecture for blazing fast performance and power efficiency; advanced iSight and FaceTime HD cameras; and ultrafast wireless technologies.

The new iPhones include iOS 8, the biggest release since the App Store, featuring a simpler, faster and more intuitive user experience with new Messages and Photos features, predictive typing for Apple’s QuickType keyboard and Family Sharing. iOS 8 also includes the new Health app, giving you a clear overview of your health and fitness data and iCloud Drive, so you can store files and access them from anywhere.

“iPhone 6 and iPhone 6 Plus deliver a superior smartphone experience, and our customers will love using them on 3Macau’s extensive network. Our new plans allow iPhone 6 and iPhone 6 Plus customers to easily travel between Hong Kong and Macau.” said Wai Ming Ho, Chief Executive Officer of Hutchison Telephone Macau.

In addition, iPhone 5s is available starting at MOP 0 and iPhone 5c is available starting at MOP 0 on a 24-month service plan.
