### **DELAY IN PUBLICATION OF THE 2024 ANNUAL RESULTS**

The Board wishes to inform the Shareholders that additional time is required for the Company to prepare the 2024 Annual Results due to the ongoing process of collecting and collating the necessary information for the Auditor to complete the audit process. The primary factor affecting the timeline is recent changes in key personnel in the finance departments of the Company and certain subsidiaries, which have delayed the timely preparation and provision of relevant financial information, including, but not limited to, the Group’s consolidated financial statements, required information for the asset valuation process and bank confirmations, to the Auditor for the audit process. The Auditor will commence the audit work once the relevant information becomes available.

As at the date of this announcement, the Company remains actively engaged in the preparation of the 2024 Annual Results. Based on the current progress of the above matters, the expected publication date of the 2024 Annual Results will be on or before 30 June 2025.

The Company wishes to emphasise that the operations of the Group remain normal. The Company will publish further announcement(s) to inform Shareholders and potential investors of the Company of any material developments in connection with the above matters as and when appropriate.
