The board (the "**Board**") of directors (the "**Directors**") of the Company wishes to inform the shareholders of the Company (the "**Shareholders**") and potential investors that, based on the preliminary review of the Group's unaudited consolidated management accounts for the six months ended 30 June 2026 (the "**Period**") and other information currently available to the Board, the Group is expected to record a net loss of approximately RMB227.0 million for the Period, representing a decrease in the net loss for the Period of approximately RMB13.9 million as compared with the net loss of approximately RMB240.9 million for the six months ended 30 June 2025.

The Board considers that the expected decrease in the net loss for the Period was mainly attributable to: (i) a decrease in investment losses, resulting in a decrease in other expenses of approximately RMB55.1 million for the Period; (ii) a decrease in income tax expenses of approximately RMB31.7 million for the Period; (iii) an increase of approximately RMB9.4 million in the reversal of trade receivables and other receivables for the Period; and (iv) a decrease in administrative expenses of approximately RMB8.8 million for the Period, which was offset by (v) the continued weakness in the property market, resulting in a decrease in gross profit of approximately RMB8.9 million for the Period; and (vi) an increase in interest expenses on overdue borrowings for the Period, resulting in an increase in finance costs of approximately RMB87.9 million.

The Company is in the process of finalizing the Group's unaudited consolidated financial results for the Period.
