Share Option Schemes

The Company has no share option scheme but certain of the Company's subsidiary companies have adopted share option schemes. The principal terms of such share option schemes are summarized as follows:

(I) 3 Italia S.P.A. ("3 Italia")

The purpose of the employee share option plan of 3 Italia (the "3 Italia Plan") is to provide 3 Italia with a flexible means of either retaining, incentivising, rewarding, remunerating, compensating and/or providing benefits to any employee of 3 Italia and any other company of which 3 Italia has control from time to time (the "3 Italia Participating Company") or any director of any 3 Italia Participating Company who is required to devote to his duties a substantial part of his working hours (the "3 Italia Eligible Employees").

The remuneration committee of the board of directors of 3 Italia (the "3 Italia Remuneration Committee") may grant options under the 3 Italia Plan to acquire the ordinary shares in the capital of 3 Italia (the "3 Italia Shares") to individuals who are 3 Italia Eligible Employees, subject always to any limits and restrictions specified in the rules of the 3 Italia Plan as amended from time to time.

The form, manner and timing of grant of the options, the maximum number of 3 Italia Shares in respect of each option, the price at which each 3 Italia Share subject to an option may be acquired on the exercise of that option being subject to adjustment in case of reorganisation of capital structure (the "Subscription Price"), any condition on exercise of each option, and all other terms relating or attaching to such grant shall be at the absolute discretion of the 3 Italia Remuneration Committee subject to compliance with the Listing Rules.

A 3 Italia Eligible Employee is not required to pay for the grant of an option under the 3 Italia Plan.

The Subscription Price will be, (i) in the case of the one time initial grants of options recognising the long service and ongoing contribution of those 3 Italia Eligible Employees who were 3 Italia Eligible Employees prior to 31 July 2001 and who at the date on which an option is granted under the 3 Italia Plan (the "3 Italia Date of Grant") remain so employed and who the 3 Italia Remuneration Committee determines should receive such an initial grant, the price as determined by the 3 Italia Remuneration Committee, and (ii) in any other case the market value of the 3 Italia Share at the 3 Italia Date of Grant as determined by the 3 Italia Remuneration Committee but in any event not being less than the nominal value (if any) of such 3 Italia Share at the 3 Italia Date of Grant.

In respect of any option granted either: (i) after the Company has resolved to seek a separate listing and up to the date of the listing; or (ii) during the period commencing six months before the lodgement of Form A1 to the Stock Exchange in relation to a listing on the Main Board of the Stock Exchange (or an equivalent application in the case of a listing on the Growth Enterprise Market of the Stock Exchange or an overseas exchange) up to the date of the listing, and where the Subscription Price notified to an option holder is less than the issue price of the 3 Italia Shares on listing, the Subscription Price shall be adjusted to the issue price of the 3 Italia Shares on listing and no option (to which the rules of the 3 Italia Plan applies) shall be exercised at a Subscription Price below such issue price.

Subject always to the paragraph below, no option shall be granted under the 3 Italia Plan which would, at the 3 Italia Date of Grant, cause the number of 3 Italia Shares which shall have been or may be issued both in pursuance of options granted under the 3 Italia Plan and under any other share option scheme (the "3 Italia Option Plan Shares") to exceed 5% of the number of the 3 Italia Shares in the capital of 3 Italia in issue as at 20 May 2004, being the date of passing of the relevant resolution approving the 3 Italia Plan. This limit may only be exceeded with approval of the shareholders of both 3 Italia and the Company in general meetings in accordance with the requirements of the Listing Rules. As at the date of this report, the total number of 3 Italia Shares available for issue under the 3 Italia Plan is 37,682,571, which represented approximately 2.89% of the total number of 3 Italia Shares in issue as at that date.

No option shall be granted under the 3 Italia Plan which would, at the 3 Italia Date of Grant, cause the number of 3 Italia Option Plan Shares which shall have been or may be issued both in pursuance of the options granted under the 3 Italia Plan and under any other share option scheme to exceed 37,682,571 without the prior written consent of the board of Directors of the Company.

The limit on the number of 3 Italia Shares which may be issued upon exercise of all outstanding options granted and not yet exercised under the 3 Italia Plan and under any other share option scheme to 3 Italia Eligible Employees must not exceed 30% of the number of 3 Italia Shares in issue from time to time.

The 3 Italia Remuneration Committee shall not grant any options (the "3 Italia Relevant Options") to any 3 Italia Eligible Employee which, if exercised, would result in such 3 Italia Eligible Employee becoming entitled to subscribe for such number of 3 Italia Shares as, when aggregated with the total number of 3 Italia Shares already issued or to be issued to him under all options granted to him (including exercised, cancelled and outstanding options) in the 12-month period up to and including the 3 Italia Date of Grant of the 3 Italia Relevant Options, exceed 1% of the number of 3 Italia Shares in issue at such date. Notwithstanding this, the 3 Italia Remuneration Committee may grant options to any 3 Italia Eligible Employee causing this limit to be exceeded, but only with the approval of the shareholders of 3 Italia and the Company in general meetings (with such 3 Italia Eligible Employee and his Associates (as defined in the Listing Rules) abstaining from voting in favour) in compliance with the requirements of the Listing Rules.

An option may be exercised in whole or in part by an option holder or where appropriate by his legal personal representatives at any time during the period commencing with a listing and terminating with the lapse of the relevant option. Options must be exercised with the period of eight years from the 3 Italia Date of Grant.

The 3 Italia Remuneration Committee may at any time, commencing on 20 May 2004 (being the date of adoption of the 3 Italia Plan) and until the eighth anniversary thereof grant options under the 3 Italia Plan to individuals who are 3 Italia Eligible Employees.

(III) Hutchison China MediTech Limited (“Chi-Med”)

The purpose of the share option scheme of Chi-Med (the “Chi-Med Plan”) is to provide Chi-Med with a flexible means of either retaining, incentivising, rewarding, remunerating, compensating and/or providing benefits to Chi-Med Eligible Persons. An “Chi-Med Eligible Person” shall be any person who is (or will be on and following the date of offer of the relevant option) a director (other than an independent non-executive director) or an employee of Chi-Med, its listed parent(s) (ie, currently the Company) and any of their subsidiaries, and any holding company, subsidiaries or affiliates of Chi-Med or other companies which the board of directors of Chi-Med (the “Chi-Med Board”) determines will be subject to the Chi-Med Plan, who is notified by the Chi-Med Board that he or she is an eligible person. Actual participation is at the discretion of the Chi-Med Board.

The Chi-Med Board may offer the grant to an Chi-Med Eligible Person, an option to subscribe for such number of ordinary shares in the share capital of Chi-Med (the “Chi-Med Shares”).

The maximum number of Chi-Med Shares to be allotted and issued subject to the Chi-Med Plan is as follows:-

- (a) The total number of Chi-Med Shares issued or issuable pursuant to options granted under all employees' share schemes of Chi-Med must not in aggregate exceed 5% of the Chi-Med Shares in issue on the date on which the Chi-Med Shares are listed to trading on a recognised stock exchange (including the Alternative Investment Market operated by London Stock Exchange plc (“AIM”)) (the “Chi-Med Listing”).
- (b) However, the Chi-Med Board may refresh and recalculate the limit by reference to the issued share capital of Chi-Med then prevailing with the approval of the shareholders of its listed parent (ie, currently the Company) if required under the Listing Rules in general meeting, provided that the total number of Chi-Med Shares issued and issuable pursuant to the exercise of options under all employees' share schemes of Chi-Med may not exceed 10% of the issued ordinary share capital on the date of the approval of the refreshed limit. Options previously granted under the Chi-Med Plan and any other employee share schemes of Chi-Med (including those outstanding, cancelled, lapsed or exercised) will not be counted for the purpose of calculating the limit as refreshed. As at the date of this report, the total number of Chi-Med Shares available for issue under the Chi-Med Plan is 2,543,553 which represent 4.97% of the total number of Chi-Med Shares in issue as at that date.
- (c) Options may be granted to any Chi-Med Eligible Person or Chi-Med Eligible Persons specifically identified by the Chi-Med Board in excess of the limit, including the refreshed limit, under paragraphs (a) and (b) above, with the approval of the shareholders of Chi-Med in general meeting and by the shareholders of the listed parent if required under the Listing Rules and subject to paragraphs (d) and (e) below and restrictions on grant to key individuals under the Chi-Med Plan.
- (d)
 - (i) No Chi-Med Eligible Person may be granted an option if as a result the total number of Chi-Med Shares over which that Chi-Med Eligible Person holds options granted in the previous 12 months, when added to the number of Chi-Med Shares the subject of the proposed grant, would exceed 1% of the issued ordinary share capital of Chi-Med on that date; and
 - (ii) Notwithstanding paragraph (d)(i) above, options may be granted to any Chi-Med Eligible Person or Chi-Med Eligible Persons which would cause the limit under paragraph (d)(i) above to be exceeded, but only with the approval of the shareholders of the listed parent in general meeting and subject to paragraph (e) below.

- (e) Notwithstanding the above, under no circumstances may options be outstanding over more than 10% of the issued ordinary share capital of Chi-Med at any time.

Subject to and in accordance with the rules of the Chi-Med Plan, an option may be exercised during a period which is notified at the offer date of the option, such period not to exceed the period of ten years from such offer date.

Option holders are not required to pay for the grant of any option.

The exercise price, subject to any adjustment according to the rules of the Chi-Med Plan, for the options will be:

- (a) in the case of the one time initial grants of options by Chi-Med under the Chi-Med Plan to founders and non-founders prior to the Chi-Med Listing, the price determined by the Chi-Med Board and notified to the relevant option holder; and
- (b) in respect of any other option, the Market Value (as defined below) of the Chi-Med Shares as at the offer date.

"Market Value" on any particular day on or after the Chi-Med Listing means: the higher of (a) the average of the closing prices of the Chi-Med Shares on the five dealing days immediately preceding the offer date; (b) the closing price of the Chi-Med Shares as stated on a recognised stock exchange's daily quotations sheet of such shares on the offer date; and (c) the nominal value of the Chi-Med Shares.

Subject to the termination provisions in the Chi-Med Plan, the Chi-Med Plan shall be valid and effective for a period of ten years commencing on 18 May 2006, being the date of adoption of the Chi-Med Plan, after which period no further options will be granted but the provisions of the Chi-Med Plan shall remain in full force and effect to the extent necessary to give effect to the exercise of any options granted prior to the expiry of the ten-year period and which are at that time or become thereafter capable of exercise under the rules of the Chi-Med Plan, or otherwise to the extent as may be required in accordance with the provisions of the Chi-Med Plan.

Notes:

- (1) The share options granted to certain founders of Chi-Med are subject to amongst other relevant vesting criteria the vesting schedule of 50% on 19 May 2007 and 25% on each of 19 May 2008 and 19 May 2009. The share options granted to non-founders of Chi-Med are subject to, amongst other relevant vesting criteria, the vesting schedule of one-third on each of 19 May 2007, 19 May 2008 and 19 May 2009.
- (2) The share options granted are subject to, amongst other relevant vesting criteria, the vesting schedule of one-third on the first, second and third anniversaries of the date of grant of share options.
- (3) The stated price was the closing price of the shares quoted on the AIM on the date of admission of listing of the shares.
- (4) The stated price was the closing price of the shares quoted on the AIM on the trading day immediately prior to the date of the grant of the share options.
- (5) 17,053 share options were exercised on the same day. The stated price was the closing price of the shares quoted on the AIM on the trading day immediately prior to the date on which the options were exercised.

As at the date of this report, Chi-Med had 2,418,957 share options outstanding under the Chi-Med Plan, which represented approximately 4.72% of the Chi-Med Shares in issue at as that date.

The fair value of options granted during the year, determined using the Binomial Model was as follows:

	Date of grant of share option		
	23 March 2007	18 May 2007	24 August 2007
Value of each share option	£0.635	£0.533	£0.526
Significant inputs into the valuation model:			
Exercise price	£1.750	£1.535	£1.685
Share price at grant date	£1.790	£1.540	£1.685
Expected volatility	40.0%	40.0%	35.0%
Annual risk-free interest rate	4.834%	5.098%	5.100%
Expected life of share options	3.9 to 5.8 years	3.9 to 5.7 years	3.2 to 5.1 years
Expected dividend yield	0%	0%	0%

The volatility of the underlying stock during the life of the options is estimated based on the historical volatility of the comparable companies for the past one to two years as of the valuation date, that is, the grant date, since there is no or only a relatively short period of trading record of Chi-Med Shares at the respective grant dates. Changes in such subjective input assumptions could affect the fair value estimate.

(IV) **Hutchison Harbour Ring Limited (“HHR”)**

The purpose of the share option scheme of HHR (the “HHR Plan”) is to enable HHR and its subsidiaries (the “HHR Group”) to grant options to selected participants as incentives or rewards for their contribution to the HHR Group, to continue and/or render improved service with the HHR Group, and/or to establish a stronger business relationship between the HHR Group and such participants.

The directors of HHR (the “HHR Directors”) (which expression shall include a duly authorised committee thereof) may, at their absolute discretion, invite any person belonging to any of the following classes of participants to take up options to subscribe for shares in the ordinary capital of HHR (the “HHR Shares”):

- (a) any employee/consultant (as to functional areas of finance, business or personnel administration or information technology) or proposed employee/consultant (whether full time or part time, including any executive director but excluding any non-executive director) of HHR (the “HHR Eligible Employee”), any of its subsidiaries or any entity (the “HHR Invested Entity”) in which any member of the HHR Group holds any equity interest;
- (b) any non-executive directors (including independent non-executive directors) of HHR, any of its subsidiaries or any HHR Invested Entity;
- (c) any supplier of goods or services to any member of the HHR Group or any HHR Invested Entity;
- (d) any customer of any member of the HHR Group or any HHR Invested Entity;
- (e) any person or entity that provides research, development or other technological support to any member of the HHR Group or any HHR Invested Entity;
- (f) any shareholder of any member of the HHR Group or any HHR Invested Entity or any holder of any securities issued by any member of the HHR Group or any HHR Invested Entity;
- (g) any other group or classes of participants who have contributed or may contribute by way of joint venture, business alliance or other business arrangement to the development and growth of the HHR Group; and
- (h) any company wholly owned by one or more persons belonging to any of the above classes of participants.

For the avoidance of doubt, the grant of any options by HHR for the subscription of HHR Shares or other securities of the HHR Group to any person who falls within any of the above classes of participants shall not, by itself, unless the HHR Directors otherwise determine, be construed as a grant of option under the HHR Plan.

The eligibility of any of the above class of participants to the grant of any options shall be determined by the HHR Directors from time to time on the basis of their contribution to the development and growth of the HHR Group. The maximum number of HHR Shares to be allotted and issued is as follows:

- (a) The maximum number of HHR Shares which may be allotted and issued upon the exercise of all outstanding options granted and yet to be exercised under the HHR Plan and any other share option scheme of the HHR Group must not in aggregate exceed 30% of the relevant class of securities of HHR (or its subsidiaries) in issue from time to time.
- (b) The total number of HHR Shares which may be allotted and issued upon the exercise of all options (excluding, for this purpose, options which have lapsed in accordance with the terms of the HHR Plan and any other share option scheme of the HHR Group) to be granted under the HHR Plan and any other share option scheme of the HHR Group must not in aggregate exceed 6% of the relevant class of securities of HHR (or its subsidiaries) in issue as at 20 May 2004, being the date of passing the relevant resolution adopting the HHR Plan (the "HHR General Scheme Limit"). As at the date of this report, the total number of HHR Shares available for issue under the HHR Plan is 402,300,015, which represented 4.5% of the total number of HHR Shares in issue as at that date.
- (c) Subject to (a) above and without prejudice to (d) below, HHR may seek approval of its shareholders (the "HHR Shareholders") in general meeting to refresh the HHR General Scheme Limit provided that the total number of HHR Shares which may be allotted and issued upon the exercise of all options to be granted under the HHR Plan and any other share option scheme of the HHR Group must not exceed 10% of the relevant class of securities of HHR (or its subsidiaries) in issue as at the date of approval of the limit and, for the purpose of calculating the limit, options including those outstanding, cancelled, lapsed or exercised in accordance with the HHR Plan and any other share option scheme of the HHR Group will not be counted.
- (d) Subject to (a) above and without prejudice to (c) above, HHR may seek separate approval of the HHR Shareholders in general meeting to grant options beyond the HHR General Scheme Limit or, if applicable, the extended limit referred to in (c) above to participants specifically identified by HHR before such approval is sought.

The total number of HHR Shares issued and which may fall to be issued upon the exercise of the options granted under the HHR Plan and any other share option scheme of the HHR Group (including both exercised or outstanding options) to each participant in any 12-month period shall not exceed 1% of the issued share capital of HHR for the time being (the "HHR Individual Limit"). Any further grant of options in excess of the HHR Individual Limit in any 12-month period up to and including the date of such further grant shall be subject to the approval of the HHR Shareholders in a general meeting of HHR with such participant and his Associates abstaining from voting. The number and terms (including the exercise price) of the options to be granted (and options previously granted to such participant) must be fixed before the approval of the HHR Shareholders and the date of the board meeting proposing such further grant should be taken as the date of grant for the purpose of calculating the exercise price under Note (1) to Rule 17.03(9) of the Listing Rules.

An option may be exercised in accordance with the terms of the HHR Plan at any time during a period to be determined on the date of offer for the grant of option and notified by the HHR Directors to each grantee, which period may commence, once the offer for the grant is accepted within the prescribed time by the grantee, from the date of the offer for the grant of options but shall end in any event not later than ten years from the date on which the offer for the grant of the option is made, subject to the provisions for early termination thereof. Unless otherwise determined by the HHR Directors and stated in the offer of the grant of options to a grantee, there is no minimum period required under the HHR Plan for the holding of an option before it can be exercised.

The subscription price for HHR Shares under the HHR Plan shall be a price determined by the HHR Directors but shall not be less than the highest of (i) the closing price of HHR Shares as stated in the Stock Exchange's daily quotations sheet for trade in one or more board lots of HHR Shares on the date of the offer of grant which must be a business day; (ii) the average closing price of HHR Shares as stated in the Stock Exchange's daily quotations sheet for trade in one or more board lots of HHR Shares for the five trading days immediately preceding the date of the offer of grant which must be a business day; and (iii) the nominal value of the HHR Shares. A nominal consideration of HK\$1 is payable on acceptance of the grant of an option.

The HHR Plan will remain in force for a period of ten years commencing on the date on which the HHR Plan becomes unconditional.

The following share options were outstanding under the HHR Plan during the year ended 31 December 2007:

- (2) The stated price was the closing price of the shares quoted on the Stock Exchange on the trading day immediately prior to the date of the grant of the share options.

As at the date of this report, HHR had 73,264,000 share options outstanding under the HHR Plan, which represented approximately 0.82% of the HHR Shares in issue at as that date.

The fair value of options granted during the year, determined using the Binomial Model was as follows:

	Date of grant of share options 25 May 2007
Value of each share option	HK\$0.2565
Significant inputs into the valuation model:	
Exercise price	HK\$0.616
Share price at grant date	HK\$0.61
Expected volatility	37.4%
Annual risk-free interest rate	4.318%
Expected life of share options	7 years
Expected dividend yield	0.98%

The volatility measured at the standard deviation of expected share price returns is based on statistical analysis of daily share prices over one year immediately preceding the grant date. Changes in such subjective input assumptions could affect the fair value estimate.

(V) Hutchison Telecommunications (Australia) Limited ("HTAL")

HTAL has two share option plans in operation during the year ended 31 December 2007, the details of which are as follows:

Executive Option Plan (the "Old HTAL Plan")

The Old HTAL Plan, which was terminated with effect from 31 May 2007 (the "Date of Termination"), was adopted to provide selected employees of HTAL with the right to acquire ordinary shares in HTAL (the "HTAL Shares") at a predetermined price and subject to various conditions. The objectives of the Old HTAL Plan were to enable those selected employees to benefit from growth in HTAL's share price, if any, without any downside risk, unless the options are exercised. Full time, permanent part-time and casual employees were eligible to participate in the Old HTAL Plan and acquire the HTAL Shares.

Options were granted for no consideration to directors and executives of HTAL under the Old HTAL Plan which was approved by the board of directors of HTAL (the "HTAL Board") on 3 July 1999. The Old HTAL Plan was governed by the rules of the Old HTAL Plan. Options granted under the Old HTAL Plan carried no dividend or voting rights. When exercisable, each option was convertible into one HTAL Share.

The total number of securities available for issue under the Old HTAL Plan was 5% of the issued capital of HTAL (when combined with all other shares issued under employee participation schemes). However, the HTAL Board had limited the total number of options available for issue prior to the Date of Termination to 20,000,000, which represented 2.95% of the issued share capital of HTAL as at the Date of Termination. No further options had been granted under the Old HTAL Plan during the year ended 31 December 2007.

The maximum entitlement of each participant under the Old HTAL Plan was determined by the HTAL Board. Prior to the termination of the Old HTAL Plan, the maximum period within which the shares must be taken up under any option already granted pursuant to the Old HTAL Plan was three years and nine months. In addition, there was no minimum period after the commencement of the exercise period under the Old HTAL Plan for the holding of an option before it could be exercised unless otherwise determined by the HTAL Board.

There were 17,475,000 share options outstanding under the Old HTAL Plan during the year ended 31 December 2007, all of which had either lapsed or been exercised or cancelled with the consent of the respective option holders by the Date of Termination. The details of those share options are as follows:

Employee Option Plan (the "New HTAL Plan")

A new employee option plan was established by HTAL with effect from 1 June 2007 (the "New HTAL Plan"). The purpose of the New HTAL Plan is to provide HTAL with a flexible means of either retaining, incentivising, rewarding, remunerating, compensating and/or providing benefits to any person who is a full time or part time employee (including a director employed in an executive capacity) or a non-executive director (including any independent non-executive director) of HTAL and any of its related body corporate (within the meaning given by section 50 of the Corporations Act 2001 (Cth) of the Commonwealth of Australia (the "Corporations Act")) and is declared by the HTAL Board to be an eligible person for the purposes of the New HTAL Plan.

The HTAL Board may at its discretion grant a right to an HTAL Eligible Person to acquire (in the case of an option that has an exercise price, by subscription or purchase) for HTAL Shares (the "Right"). No payment is required for the grant of a Right unless the HTAL Board determines otherwise.

The maximum number of HTAL Shares which may be allotted and issued pursuant to the New HTAL Plan is as follows:

- (a) The maximum number of HTAL Shares which may be allotted and issued upon exercise of all outstanding Rights and options granted and yet to be exercised under the New HTAL Plan and any other share option scheme of HTAL or any of its subsidiaries ("Other HTAL Plan") must not in aggregate exceed 30% of the HTAL Shares in issue from time to time. No options may be granted under the New HTAL Plan or Other HTAL Plan if the grant of such option will result in the limit referred to in this paragraph being exceeded.
- (b) The total number of HTAL Shares which may be allotted and issued upon the exercise of all Rights and options (excluding, for this purpose, Rights and options which have lapsed in accordance with the terms of the New HTAL Plan and Other HTAL Plan) to be granted under the New HTAL Plan and Other HTAL Plan must not in aggregate exceed 10% of the HTAL Shares in issue as at 1 June 2007 (the "Adoption Date"), being the date of passing the relevant resolution adopting the New HTAL Plan (the "HTAL General Scheme Limit") provided that:
 - (i) Subject to paragraph (a) above and without prejudice to paragraph (b)(ii) below, the HTAL Board may, with the approval of the shareholders of the Company in general meeting if required to do so and in compliance with other applicable requirements under the Listing Rules, refresh the HTAL General Scheme Limit provided that the total number of HTAL Shares which may be allotted and issued upon exercise of all Rights and options under the New HTAL Plan and Other HTAL Plan must not exceed 10% of the HTAL Shares in issue at the date on which shareholders of the Company approve such refreshed limit (where applicable) and for the purpose of calculating the limit, the Rights and options (including those outstanding, cancelled, lapsed or exercised in accordance with the New HTAL Plan and Other HTAL Plan) previously granted under the New HTAL Plan and Other HTAL Plan will not be counted; and
 - (ii) subject to paragraph (a) and without prejudice to paragraph (b)(i) above, the HTAL Board may, with the approval of the Company's shareholders in general meeting if required to do so and in compliance with the other applicable requirements under the Listing Rules, grant Rights beyond the HTAL General Scheme Limit or, if applicable, the extended limit referred to in paragraph (b)(i) to the participants specifically identified by the HTAL Board before such approval is sought.

(c) The limits prescribed in this paragraph are subject to any issue limitation prescribed in the Australian Securities & Investments Commission Class Order 03/184 (or any such replacement or amendment). As at the Adoption Date, the Class Order prescribes a limit of that number of HTAL Shares to be issued on exercise of a Right when aggregated with:

- (i) the number of HTAL Shares which would be issued were each outstanding Right to be exercised; and
- (ii) the number of HTAL Shares issued during the previous five years pursuant to the New HTAL Plan or any other employee share plan,

(but disregarding any Rights acquired or HTAL Shares issued by way of or as a result of an offer to a person situated at the time of receipt of the offer outside Australia, or an offer that was an excluded offer or invitation within the meaning of the Corporations Act, or an offer that did not require disclosure to investors or the giving of a product disclosure statement because of section 1012D of the Corporations Act, or an offer made under a disclosure document or product disclosure statement) shall not exceed 5% of the total number of HTAL Shares at the time of the grant date of such Right.

Except with the approval of the shareholders of the Company in general meetings if required to do so and in compliance with the other applicable requirements under the Listing Rules, the total number of HTAL Shares issued and which may fall to be issued upon exercise of the options granted under the New HTAL Plan and Other HTAL Plan (including both exercised and outstanding options) to each participant in any 12-month period shall not exceed 1% of the HTAL Shares in issue for the time being.

Subject to and in accordance with the rules of the New HTAL Plan, a Right lapses on the date stated by the HTAL Board in the offer of the Rights as the "Expiry Date", or fixed by a method of calculation prescribed by the HTAL Board in the offer being no later than the date falling ten years from the grant date of the Right.

The exercise price (if any) for a Right, subject to any adjustment according to the rules of the New HTAL Plan, will be determined by the HTAL Board or by the application of a method of calculating the exercise price that is prescribed by the HTAL Board provided that it shall be not less than the higher of:

- (a) the closing price of the HTAL Shares as quoted by the ASX on the grant date; and
- (b) the average of the closing price of the HTAL Shares as quoted by the ASX for the five business days immediately preceding the grant date.

A HTAL Share does not have any nominal value.

Subject to the termination provisions in the New HTAL Plan, the New HTAL Plan shall be valid and effective for a period of ten years from the Adoption Date, after which date no further Rights may be issued but the provisions of the New HTAL Plan shall remain in full force and effect to the extent necessary to the exercise of any Rights granted or exercised prior thereto and which are at any time or become thereafter capable of exercise under the New HTAL Plan, or otherwise as may be required in accordance with the provisions of the New HTAL Plan.

The following share options were outstanding under the New HTAL Plan during the year ended 31 December 2007:

Notes:

- (1) a) The share options are exercisable subject to, amongst other relevant vesting criteria, the vesting schedule of one-third on 1 July 2008, one-third on 1 January 2009 and the remaining one-third on 1 January 2010.
- b) The share options are exercisable subject to, amongst other relevant vesting criteria, the vesting schedule of one-half on 1 January 2009 and the remaining one-half on 1 January 2010.
- (2) The stated exercise price of share option was the higher of (i) the closing price of the shares on the ASX on the day on which the options are granted; and (ii) the average closing price of shares for the five trading days immediately preceding the day on which the options are granted.
- (3) The stated price was the ASX closing price of the shares on the trading day immediately prior to the date of the grant of the options.

As at the date of this report, the total number of HTAL Shares available for issue under the New HTAL Plan (excluding 28,745,000 share options granted but yet to be exercised) is 5,186,271 shares, which represented approximately 0.69% of the HTAL Shares in issue at as that date.

The fair value of options granted during the year, determined using the Binomial Approximation model, was A\$0.04 per HTAL Share. The significant inputs into the model were weighted average share price of A\$0.146 at the grant date, weighted average of expected price volatility of HTAL Shares of 33%, weighted average expected life of options of 4.5 years, zero expected dividend yield and weighted average risk-free interest rate of 6.39%. The expected price volatility is based on the historical 12-month period prior to the grant date. Changes in such subjective input assumptions could affect the fair value estimate.

(VI) **Hutchison Telecommunications International Limited (“HTIL”)**

Prior to HTIL becoming a subsidiary of the Company in June 2007, it had adopted a share option scheme (the “HTIL Plan”). The purpose of the HTIL Plan is to enable HTIL and its subsidiaries (the “HTIL Group”) to grant options to selected participants as incentives or rewards for their contribution to the HTIL Group.

The directors of HTIL (the “HTIL Directors”) (which expression shall include a duly authorised committee thereof) may, at their absolute discretion, invite any person belonging to any of the following classes of participants to take up options to subscribe for shares in the ordinary share capital of HTIL (the “HTIL Shares”).

HTIL Plan has a term of ten years commencing from 19 May 2005, being the date on which the HTIL Plan becomes unconditional and has a remaining term of approximately seven years as at the date of this report. Selected participants to the HTIL Plan including but not limited to:

- (a) any employee or consultant in the areas of finance, business or personnel administration or information technology (whether full-time or part-time, including any executive director but excluding any non-executive director) of HTIL, any of its subsidiary companies or any entity in which any member of the HTIL Group holds any equity interest, which is also referred to as an invested entity;
- (b) any non-executive directors (including independent non-executive directors) of HTIL, any of HTIL's subsidiary companies or any invested entity;
- (c) any supplier of goods or services to any member of the HTIL Group or any invested entity;
- (d) any customer of any member of the HTIL Group or any invested entity;
- (e) any person or entity that provides research, development or other technological support to any member of the HTIL Group or any invested entity;
- (f) any shareholders or security holders of any member of the HTIL Group or any invested entity;
- (g) any other group or classes of participants contributing by way of joint venture, business alliance or other business arrangement to the development and growth of the HTIL Group; and
- (h) any company wholly owned by any one or more persons belonging to any of the above classes of participants.

The grant of any options by HTIL for the subscription of HTIL Shares or other securities of HTIL to any person who falls within any of the above classes of participants shall not, by itself, unless the HTIL Directors otherwise determine, be construed as a grant of options under the HTIL Plan. The eligibility of any of the foregoing classes of participants to receive a grant of any options shall be determined by the HTIL Directors from time to time on the basis of their contribution to the development and growth of the HTIL Group.

The maximum number of HTIL Shares that may be allotted and issued upon the exercise of all outstanding options granted and yet to be exercised under the HTIL Plan and any other share option plan adopted by the HTIL Group (“Other HTIL Plan”) must not in the aggregate exceed 30% of the HTIL Shares issued and outstanding from time to time. The total number of HTIL Shares which may be allotted and issued upon the exercise of all options (excluding, for this purpose, options which have lapsed in accordance with the terms of the HTIL Plan and Other HTIL Plan) to be granted under the HTIL Plan and Other HTIL Plan must not in the aggregate exceed 10% of the relevant class of securities of HTIL (or its subsidiaries) in issue, being 450,000,000 HTIL Shares, as at 15 October 2004, the date on which the HTIL Shares were first listed and upon refreshing this general plan limit, the total number of shares which may be allotted and issued upon exercise of all options to be granted under the HTIL Shares and Other HTIL Plan must not exceed 10% of the relevant class of securities of HTIL in issue as at the date of approval of the limit by its shareholders in general meeting. HTIL may seek separate approval of its shareholders in a general meeting to grant options beyond these limits.

The total number of HTIL Shares issued and which may fall to be issued upon exercise of the options (including both exercised or outstanding options) to each participant in any 12-month period shall not exceed 1% of HTIL's issued share capital for the time being. Any grant of options in excess of 1% in any such 12-month period must be approved by shareholders of HTIL in a general meeting with such participant and his Associates abstaining from voting. The number and terms (including the exercise price) of the options to be granted (and options previously granted to such participant) must be fixed before the approval of the shareholders of HTIL and the date of the board meeting of HTIL proposing such further grant will be the date of grant for the purpose of calculating the exercise price if such grant is approved.

Any grant of options under the HTIL Plan to a HTIL Director or chief executive or substantial shareholder of HTIL or any of their respective Associates must be approved by the independent non-executive directors (excluding any independent non-executive director who is also the grantee of the options) of HTIL. Approval of shareholders of HTIL in a general meeting is required if any grant of options to a substantial shareholder, an independent non-executive director or any of their respective Associates could result in the HTIL Shares issued and to be issued upon the exercise of all options already granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of such grant: (1) representing in the aggregate over 0.1% of the HTIL Shares in issue; and (2) having an aggregate value, based on the closing price of the HTIL Shares at the date of each grant, in excess of HK\$5,000,000. Any such meeting must be in accordance with the Listing Rules. Any change in the terms of options granted to a substantial shareholder, an independent non-executive director or any of their respective Associates must also be approved by shareholders of HTIL in a general meeting.

A share option may be accepted by a participant within 21 days from the date of the offer of the grant of the share option. The subscription price for HTIL Shares under the HTIL Plan shall be a price determined by the HTIL Directors but shall not be less than the highest of: (1) the closing price of HTIL Shares as stated in the Stock Exchange's daily quotations sheet for trade in one or more board lots of HTIL Shares on the date of the offer of grant which must be a business day; (2) the average closing price of HTIL Shares as stated in the Stock Exchange's daily quotations sheet for trade in one or more board lots of HTIL Shares for the five trading days immediately preceding the date of the offer of grant which must be a business day; and (3) the nominal value of the HTIL Shares. A nominal consideration of HK\$1 is payable on acceptance of the grant of an option.

On 8 May 2007, the shareholders of HTIL approved (i) the proposed downward adjustment to the exercise price of share options outstanding and unvested at the date of payment of a special cash dividend declared and paid by HTIL during the year ended 31 December 2007 on a dollar-for-dollar basis; and (ii) the proposed change of terms of the HTIL Plan (the "Share Option Terms Change Proposal") under which, among others, downward adjustment to the exercise price of the share options granted but not exercised as at the date of each payment of special dividend by HTIL shall be made by an amount which the HTIL Directors considers as reflecting the impact of such payment will have or will likely to have on the trading prices of the HTIL Shares, provided that, among others, (a) the amount of the downward adjustment shall not exceed the amount of such special dividend to be paid; (b) such adjustment shall take effect on the date of payment by HTIL of such special dividend; and (c) the adjusted exercise price of the share options shall not, in any case, be less than the nominal value of the HTIL Shares.

The following share options were outstanding under the HTIL Option Plan during the year ended 31 December 2007:

Name or category of participant	Date of grant of share options ⁽¹⁾	Number of share options held at 1 January 2007	Granted during 2007	Exercised during 2007	Lapsed/cancelled during 2007	Number of share options held at 31 December 2007	Exercise period of share options	Exercise price of share options ⁽²⁾	Price of HTIL Share

Notes:

- (1) The share options will be vested according to a schedule, namely, as to as close to one-third of the shares of HTIL which are subject to the share options as possible by each of the three anniversaries of the date of offer of the share options and provided that for the vesting to occur the grantee has to remain an Eligible Participant (as delineated in the HTIL Plan) on such vesting date.
- (2) The exercise price of the share options is subject to adjustment in accordance with the provisions of the HTIL Plan (as amended). The exercise price of 41,033,333 share options (being options granted on 8 August 2005 which remained outstanding and unvested immediately before the payment of a special dividend by HTIL on 29 June 2007 (the "Payment")) was adjusted, with effect from 29 June 2007, from HK\$8.70 to HK\$1.95 per HTIL Share (the "2007 Exercise Price Adjustment") as a result of the Payment and pursuant to the terms of the Share Option Terms Change Proposal.
- (3) The stated price was the Stock Exchange closing price of the shares on the trading day immediately prior to the date of the grant of the share options.
- (4) The stated price was the weighted average closing price of the shares immediately before the dates on which the options were exercised.

As at the date of this report, HTIL had 44,366,666 share options outstanding under the HTIL Plan, which represented approximately 0.93% of the HTIL Shares in issue at as that date. The total number of shares available for issue, excluding those granted but yet to be exercised, under the HTIL Plan is 359,850,000, which represented approximately 7.52% of the issued share capital of HTIL as at the date of this report.

Subsequent to the 2007 exercise price adjustment, the fair value of those share options granted on 8 August 2005 was re-determined using Black-Scholes option pricing model. The weighted average fair value of share options was increased from HK\$3.05 to HK\$7.64 at measurement date. The significant inputs into the model to determine the change in fair value were standard deviation of expected share price returns of 26.92%, expected life of share options of 4.0 to 4.5 years and annual risk-free interest rate of 4.62%. The volatility measured at the standard deviation of the expected share price returns is based on the statistical analysis of daily share prices of HTIL over the last one year up to 4 June 2007.

The weighted average fair value of options granted during the year was determined using the Black-Scholes model. The significant inputs into the model were standard deviation of expected share price returns of 28.00%, expected life of share options of 5.5 to 6.5 years and annual risk-free interest rate of 3.145%. The volatility measured at the standard deviation of the expected share price returns is based on the average of statistical analysis of daily share prices of HTIL over the last one year up to 23 November 2007 with ex-dividend share price adjusted and statistical analysis of daily share prices of HTIL from date of dividend payment to 23 November 2007. Changes in such subjective input assumptions could affect the fair value estimate.

(VII) Partner Communications Company Ltd ("Partner")

Prior to Partner becoming a subsidiary of the Company held through HTIL and before HTIL became a subsidiary of the Company on 14 June 2007, Partner had adopted four share option plans with details as follows:

1998 Employee Stock Option Plan, 2000 Employee Stock Option Plan and 2003 Amended Plan

The 1998 Employee Stock Option Plan (the "1998 Plan") and 2000 Employee Stock Option Plan (the "2000 Plan") were adopted by Partner in 1998 and 2000 respectively. Until November 2003, Partner granted options to senior managers and other employees pursuant to the 1998 Plan and the 2000 Plan. In November 2003, the 1998 Plan and the 2000 Plan were amended to conform with the changes in the Israeli Income Tax Ordinance (New Version), 1961. As a result, any grant of options after November 2003 would be subject to the terms of the 2000 Plan as so amended, referred to as the 2003 Amended Plan. Options granted under the 1998 Plan, 2000 Plan and 2003 Amended Plan, which were approved by Partners prior to Partner becoming a subsidiary of the Company's then listed subsidiary, HTIL, in April 2005, will remain valid but no further grant of options will be made under the said three plans without the board of directors of Partner approving relevant amendments being made necessary by the changes in Israeli laws and other regulatory requirements, as applicable and until they are approved by shareholders of HTIL and the Company respectively.

2004 Share Option Plan

The purpose of the 2004 Share Option Plan (the "2004 Plan") is to promote the interests of Partner and its shareholders by providing employees, officers and advisors of Partner with appropriate incentives and rewards to encourage them to enter into and continue in the employment of or service to Partner and to acquire a proprietary interest in the long-term success of Partner. The 2004 Plan will remain in force for 10 years from its adoption on 12 July 2004 (the "Adoption Date").

A total number of 5,775,000 ordinary shares of Partner (the "Partner Shares"), representing approximately 3.67% of the total issued share capital of Partner as at the date of this report may be issued under the 2004 Plan. The maximum number of options which may be issued and allotted to each participant under the 2004 Plan shall not exceed 1,834,615 Partner Shares, representing approximately 1% of the total number of shares in issue as at the Adoption Date.

A share option shall become cumulatively vested as to one-fourth (25%) of the shares covered thereby on each of the first, second, third and fourth anniversaries of the date of the relevant grant, unless otherwise set by the compensation committee of Partner (the "Partner Compensation Committee") being appointed by Partner's board of directors to administer the 2004 Plan, in the relevant grant instrument. The exercise period during which an option may be exercised will be determined by the Partner Compensation Committee and will not exceed ten years from the date of grant of options. No payment is required to be made by the grantee on application or acceptance of an option.

The Partner Compensation Committee has the authority to determine the exercise price per share (the "Option Exercise Price"). The Option Exercise Price will be determined taking into consideration the fair market value of a Partner Share at the time of grant. Such fair market value on any date will be equal to the average of the closing sale price of the Partner Shares during the preceding 30 trading days, as such closing sale price is published by the national securities exchange in Israel on which the Partner Shares are traded, or if there is no sale of Partner Shares on such date, the average of the bid and asked prices on such exchange at the closing of trading on such date, or if Partner Shares are not listed on a securities exchange in Israel or the over the counter market, the fair market value on such date as determined in good faith by the Partner Compensation Committee.

On 26 March 2008, the board of directors of Partner (the "Partner Board") approved the proposed refreshment of the maximum number of Partner Shares (the "Proposed Refreshment of Plan Mandate Limit") which may be issued upon the exercise of all options to be granted under the 2004 Plan and any other share option scheme(s) of Partner, being 10% of the Partner Shares in issue as at the date on which the 2004 Plan was first approved by the shareholders of Partner or the date of approving the plan mandate limit, as appropriate, by up to 8,142,000 Partner Shares representing approximately 5.19% of Partner Shares in issue as at the date of this report. The Proposed Refreshment of Plan Mandate Limit is subject to, and conditional upon, the relevant approvals in the general meetings of the shareholders of HTIL and the Company respectively. On the same date, the Partner Board approved certain additional amendments to the 2004 Plan, which include among the others, (i) the increase of the total number of Partner Shares reserved for issuance upon exercise of options to be granted under the 2004 Plan by 8,142,000 Partner Shares, (ii) the introduction of provisions allowing acceleration in vesting of unvested options or the exercise of vested options in the event of change in control or voluntary winding up of Partner, and (iii) the allowance of, upon compliance with conditions specified therein, cashless exercise of vested options under the 2004 Plan. These amendments are conditional upon the relevant approvals being obtained from the shareholders of Partner, HTIL and the Company respectively.

The following share options were outstanding under the 1998 Plan, the 2000 Plan, the Amended 2003 Plan and the 2004 Plan (together the "Partner Plans") during the year ended 31 December 2007:

Notes:

- (1) The number of share options disclosed is the aggregate figure of share options held at 31 December 2007 under each of the four employee stock option plans. The share options were granted on various date(s) during the corresponding period(s) and in respect of the 2003 Amended Plan, on the date of grant as disclosed.
- (2) Subject to the terms of individual stock option plans, vesting schedules are in general: 25% of the options become vested on each of the first, second, third and fourth anniversary of the date of employment of the grantee or date of grant, unless otherwise specified by the Partner Compensation Committee.
- (3) The stated price was the average closing price of the Partner Shares as recorded by the Tel Aviv Stock Exchange 30 days prior to the date of grant of options.
- (4) The stated price was the weighted average closing price of the Partner Shares immediately before the dates on which the options were exercised.

As at the date of this report, Partner had 2,513,982 share options outstanding under the 2004 Plan and 187,000 share options outstanding under the 2000 Plan, which represented in aggregate approximately 1.72% of Partner Shares in issue as at that date. No share option was outstanding under the 1998 Plan or the 2003 Amended Plan.

The fair value of options granted during the year ended 31 December 2007 was determined using the Black-Scholes option pricing model. The significant inputs into the model were standard deviation of expected share price returns of 26%, expected life of options of four years and annual risk-free interest rate of 4.1%. The volatility measured at the standard deviation of expected share price returns is based on statistical analysis of daily share prices over five years immediately preceding the grant date. Changes in such subjective input assumptions could affect the fair value estimate.

Save as disclosed above, at no time during the year was the Company or a subsidiary a party to any arrangements to enable the Directors of the Company to acquire benefits by means of the acquisition of shares in or debentures of the Company or any other body corporate.

* Privatised on 3 September 2007

As the Board of Directors is independent of the boards of the above entities, the Company has therefore been capable of carrying on its businesses independently of, and at arm's length from, the above businesses.

During the year, Mr Fok Kin-ning, Canning and Mr Frank John Sixt are non-executive directors of HTIL, a subsidiary of the Company which is engaged in telecommunications businesses, and Mrs Chow Woo Mo Fong, Susan is an alternate director to each of Mr Fok and Mr Sixt. The non-competition agreement entered into by the Company and HTIL on 24 September 2004 maintained a clear geographical delineation, underpinned by the regulatory regime, of the two groups' respective businesses ensuring there would be no competition between them.

The exclusive territory of the Group comprised the member countries of the European Union (prior to its enlargement in 2004), the Vatican City, the Republic of San Marino, the Channel Islands, Monaco, Switzerland, Norway, Greenland, Liechtenstein, Australia, New Zealand, the United States of America, Canada and, unless and until such time as the HTIL group exercises its option to acquire our Group's interest in Hutchison Telecommunications Argentina S.A., Argentina. The exclusive territory of the HTIL group was comprised of all the remaining countries of the world. On 25 February 2008, under and in accordance with the requirements of the 2004 non-competition agreement, the Company granted consent to the establishment of a joint venture between Hutchison Global Communications Limited (an indirect wholly-owned subsidiary of HTIL) and the Philippine Long Distance Telephone Company Group under the co-operation agreement dated 12 March 2008 for operating a mobile virtual network operator business in Italy. Save for the aforesaid business, there is no single country in which both groups have competing operations.

Purchase, Sale or Redemption of Shares

During the year, neither the Company nor any of its subsidiaries has purchased or sold any of the ordinary shares of the Company. In addition, the Company has not redeemed any of its ordinary shares during the year.

Major Customers and Suppliers

During the year, the respective percentage of purchases attributable to the Group's five largest suppliers combined and the turnover attributable to the Group's five largest customers combined was less than 30% of the total value of Group purchases and total Group turnover.
