

## Business Highlights

- CKI expands into integrated waste management infrastructure by acquiring a 100% stake in Enviro Waste Services Limited in New Zealand for NZ\$490 million.
- Hutchison Port Holdings Trust acquires a 100% stake in its neighboring Asia Container Terminals Holdings Limited at Kwai Chung for a total consideration of HK\$3.9 billion.
- Yantian International Container Terminals handles its 100 millionth TEU, a remarkable record achieved in less than two decades.
- Husky Energy's Atlantic Region produced the 200 millionth barrel of oil from the White Rose Area.
- 3 celebrates its 10th year of mobile broadband service in Austria, Denmark, Hong Kong, Ireland, Italy, Sweden and the UK.
- 3 Austria completes its acquisition of Orange Austria.
- 3 Ireland enters into an agreement with Telefonica to buy its O<sub>2</sub> business in Ireland for €780 million, with an additional deferred payment of €70 million payable dependent upon achievement of agreed financial targets. The completion of this transaction is subject to regulatory approval. Should the acquisition be completed, 3 Ireland would become the second largest mobile operator in the country.
- 3 Hong Kong, through a 50% owned joint venture, acquires a block of 5 MHz paired spectrum in the 2500/2600 MHz band in March for HK\$290 million, and begins its 4G (LTE) deployment in June.
- 3 UK acquires one block of 5 MHz paired spectrum in the 800 MHz band for £225 million.
- A consortium led by CKI acquires AVR-Afvalverwerking BV, the largest "energy-from-waste" business in the Netherlands, at an enterprise value of €940 million.
- CKI's wholly owned subsidiary, Green Island Cement, commences full-scale operations at its new flagship cement production facility in Yunfu, Guangdong Province, China.
- Power Assets announces the separate listing of its Hong Kong electricity business on the Main Board of the Stock Exchange of Hong Kong, which is completed in 2014.

- Sydney International Container Terminals begins commercial operations.
- The Port of Felixstowe handles the 70 millionth TEU, achieving another milestone.
- Husky Energy, and its partner Statoil, conduct a successful exploration programme in the Flemish Pass Basin, offshore East Coast Canada, including three significant discoveries at Bay du Nord, Harpoon and Mizzen. Husky Energy holds a 35% working interest in all three discoveries.
- Husky Energy completes one of the world's largest float-over installations in the Liwan Gas Project.
- ASW opens its 1,600th store in the Mainland, while Rossmann reaches the 800 stores' milestone in Poland and 1,800 stores in Germany.
- Chelsea Waterfront, a riverside property project developed by Hutchison Whampoa Property on London's North Bank, breaks ground. When complete, the scheme will deliver 706 new homes.
- 3 UK rolls out 4G (LTE) service using the 1800 MHz spectrum acquired from Everything Everywhere, secured ahead of the latest spectrum auction.
- 3 Austria acquires one block of 5 MHz paired spectrum in the 900 MHz band and four blocks of 5 MHz paired spectrum in the 1800 MHz band in October.
- 3 Denmark reaches its one millionth customer milestone in November.
- Sorek Desalination in Israel, 49% owned by Hutchison Water, completes in November the construction of a sea water desalination plant with capacity of 150 million cubic metres per year under a 26.5-year Build-Operate-Transfer agreement.
- Hutchison China MediTech announces the establishment of a new joint venture with Sinopharm Group Co Ltd, China's largest distributor of pharmaceutical and healthcare products, to provide distribution and marketing services, in the Mainland.
- Guangzhou Aircraft Maintenance and Engineering Company inaugurates its new Phase II Hangar.
