### 2. GENERAL MANDATES TO ISSUE AND REPURCHASE SHARES

At the annual general meeting of the Company held on 3 November 2010, ordinary resolutions were passed giving general mandates to the Directors to exercise the powers of the Company to issue and repurchase Shares. Such general mandates will expire at the conclusion of the Annual General Meeting.

At the Annual General Meeting, the following ordinary resolutions relating to the granting to the Directors the new and unconditional mandates to exercise the powers of the Company to issue and repurchase Shares will be proposed:

- (i) to allot, issue and deal with new Shares of not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of granting such general mandate by the Shareholders (the “Share Issue Mandate”);

- (iii) subject to the above two proposed ordinary resolutions being passed, to include the aggregate nominal amount of Shares which may from time to time be repurchased by the Company pursuant to the Repurchase Mandate to the Share Issue Mandate (the “Extended Mandate”).

The above resolutions once passed will empower the Directors to exercise such authority during the period up to: (1) the conclusion of the next annual general meeting of the Company; or (2) the expiration of the period within which the next annual general meeting of the Company is required by the applicable laws of the Cayman Islands or the Articles of Association to be held; or (3) the date of revocation or variation of the said resolutions by passing an ordinary resolution in general meeting prior to the next annual general meeting, whichever is the earliest.

As at the Latest Practicable Date, there were in issue an aggregate of 12,164,508,062 Shares. ### 5. RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquires, confirm that to the best of their knowledge and belief the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

### 6. RECOMMENDATION

### 7. GENERAL INFORMATION

To the best of the Directors' knowledge, information and belief, having made all reasonable enquires, no Shareholder is required to abstain from voting on the resolutions to be proposed at the Annual General Meeting.

Your attention is drawn to the additional information set out in the Appendices to this circular.

Yours faithfully,  
By order of the Board  
**United Gene High-Tech Group Limited**  
**Jiang Nian**  
*Chairman*

*This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate. This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which are set out as follows:*

## **1. SHARE CAPITAL**

As at the Latest Practicable Date, the entire issued share capital of the Company comprised 12,164,508,062 Shares.

Exercise in full of the Repurchase Mandate, on the basis that no further Shares will be issued or repurchased prior to the date of the Annual General Meeting, could accordingly result in up to 1,216,450,806 Shares, representing approximately 10% of the entire issued share capital of the Company as at the date of passing of the resolution, being repurchased by the Company.

## **2. REASONS FOR REPURCHASES**

The Directors believe that it is in the best interests of the Company and its Shareholders to seek a general authority from Shareholders to enable the Directors to purchase the Shares in the market. Such purchases may, depending on market conditions and funding arrangements at the material time, lead to an enhancement of the net value of the Share and/or its earnings per Share and will only be made when the Directors believe that such a purchase will benefit the Company and its Shareholders as a whole.

## **3. FUNDING OF REPURCHASES**

Pursuant to the Repurchase Mandate, repurchases would be funded entirely from the Company's available cashflow or working capital facilities which will be funds legally available in accordance with the provisions of the Articles of Association, the laws of the Cayman Islands and for such purpose. It is envisaged that the funds required for any repurchase would be derived from those funds of the Company, legally permitted to be utilised in this connection, including capital paid up on the Shares to be repurchased, profits otherwise available for distribution and sums standing to either the share premium or contributed surplus account of the Company.

On the basis of the consolidated financial position of the Company as at 30 June 2011 (being the date to which the latest published audited financial statements of the Company have been made up), the Directors consider that the exercise in full of the Repurchase Mandate to repurchase Shares at any time during the proposed repurchase period may potentially have a material adverse impact on the working capital or gearing position of the Company as compared with its financial position as at 30 June 2011. The Directors do not propose to make any repurchase to the extent that it would, in the circumstances, have a material adverse impact on the working capital or gearing position of the Company which, in the opinion of the Directors, are from time to time appropriate for the Company.

#### 4. SHARE PRICES

The highest and lowest market prices at which the Shares were traded on the Stock Exchange in each of the previous twelve calendar months (up to the Latest Practicable Date) are as follows:

Month	Price per Share	
	Highest HK\$	Lowest HK\$
<b>2010</b>		
September	0.227	0.180
October	0.186	0.150
November	0.183	0.155
December	0.161	0.115
<b>2011</b>		
January	0.138	0.109
February	0.115	0.102
March	0.265	0.096
April	0.275	0.201
May	0.231	0.165
June	0.191	0.140
July	0.154	0.119
August	0.174	0.112
September (up to the Latest Practicable Date)	0.156	0.105

Source: <http://www.hkex.com.hk>

#### 5. REPURCHASES OF SHARES MADE BY THE COMPANY

No repurchases of Shares have been made by the Company (whether on the Stock Exchange or otherwise) during the last six months preceding the Latest Practicable Date.

**6. UNDERTAKING OF DIRECTORS**

To the best of their knowledge, having made all reasonable enquiries, none of the Directors nor any of their associates has any intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

No other connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have a present intention to sell the Shares to the Company, or have undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange, so far as the same may be applicable, to exercise the powers of the Company to repurchase the Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

**7. TAKEOVERS CODE**

If as a result of a share repurchase pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Dr. Mao Yumin ("Dr. Mao") was interested in approximately 51.89% of the issued share capital of the Company. Based on such shareholdings, in the event that the Directors exercise in full the power to repurchase the Shares pursuant to the Repurchase Mandate and that there is no change in the issued share capital of the Company after the Latest Practicable Date, the shareholdings of Dr. Mao would increase to approximately 57.65% of the issued share capital of the Company. The Directors are not aware of any other Shareholder or group of Shareholders acting in concert who will become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code as a result of repurchase of the Shares.

Assuming that there is no further issue or repurchase of the Shares between the Latest Practicable Date and the date of repurchase, the exercise of the Repurchase Mandate whether in whole or in substantial part may result in less than 25% of the issued share capital of the Company being held by the public as required under Rule 8.08 of the Listing Rules. The Directors, however, have no present intention to exercise the Repurchase Mandate to an extent as may result in a public shareholding of less than such prescribed percentage.
