PROFIT WARNING

This announcement is made by Ju Teng International Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The board of directors (the “**Board**”) of the Company wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the currently available information of the Group, it is expected that the Group will record a loss attributable to equity holders of the Company of approximately HK\$530 million for the year ended 31 December 2024 (the “**Year**”), as compared to the loss attributable to equity holders of the Company of approximately HK\$231 million for the year ended 31 December 2023.

Despite the measures adopted by the Group to lower the operating costs and adjust operation and production strategies, the Group is expected to record an increase in loss for the Year mainly due to the following factors:

- (1) a decrease in the sales revenue by approximately 13% as compared with the year ended 31 December 2023 mainly as a result of weak customers’ demand for production capacities of notebook computer casings located in the People’s Republic of China as major notebook computer brand manufacturers gradually shifted their production lines to Southeast Asian region due to the relatively low cost of production and trade tariff;
- (2) a decrease in gross profit as compared with the year ended 31 December 2023 mainly as a result of low utilization rates of production capacity; and
- (3) a decline in sales revenue and low utilization rates of production capacity resulting in a substantial increase in impairment of property, plant and equipment to approximately HK\$304 million from approximately HK\$45 million for the year ended 31 December 2023.

The information contained in this announcement is only based on a preliminary assessment by the Board with reference to information currently available to it, which have not been confirmed or reviewed by the Company's auditors or the audit committee of the Company. The audited financial information of the Group for the Year will be disclosed in the final results announcement in due course in compliance with the Listing Rules.

Shareholders and potential investors of the Company are advised to exercise caution when dealing in the securities of the Company and read the final results announcement of the Company for the Year carefully when it is published.
