To the Shareholders

Dear Sir or Madam,

**GENERAL MANDATES
TO BUY-BACK SHARES AND TO ISSUE SHARES,
RE-ELECTION OF DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

At the annual general meeting of the Company held on July 9, 2019, ordinary resolutions were passed giving general mandates to Directors (i) to buy-back Shares of the Company on the Stock Exchange up to 10% of the total number of Shares of the Company in issue as at July 9, 2019 and (ii) to allot, issue and otherwise deal with Shares up to 20% of the total number of Shares of the Company in issue as at July 9, 2019, plus the aggregate number of Shares bought back by the Company.

LETTER FROM THE BOARD

Under the Companies Ordinance and the Listing Rules, these general mandates will lapse at the conclusion of the Annual General Meeting, unless renewed at that meeting. Ordinary resolutions will be proposed at the Annual General Meeting to give the Directors the mandates to allot or issue new Shares or to grant rights to subscribe for or convert to new Shares and buy-back Shares in accordance with the terms of those resolutions.

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the Annual General Meeting regarding (i) the granting to the Directors of general and unconditional mandates for the issue and buy-back of the Shares of the Company; and (ii) the re-election of Directors.

2. GENERAL MANDATE TO BUY-BACK SHARES

An ordinary resolution will be proposed at the Annual General Meeting to approve the granting of a general and unconditional mandate to the Directors to exercise the powers of the Company to buy-back, at any time until the next annual general meeting of the Company or such earlier period as stated in the proposed ordinary resolution, Shares up to a maximum of 10% of the total number of Shares in issue at the date of passing of the proposed ordinary resolution (the “**Share Buy-back Mandate**”).

An explanatory statement required by the Listing Rules to provide the Shareholders with the requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the resolution of granting of the Share Buy-back Mandate is set out in Appendix I to this circular.

3. GENERAL MANDATE TO ISSUE SHARES

An ordinary resolution will be proposed at the Annual General Meeting to approve the granting of a general and unconditional mandate to the Directors to allot, issue and deal with Shares or to grant options and rights to subscribe for any class of Shares or to convert securities into Shares of not exceeding 20% of the total number of Shares in issue at the date of passing of the proposed ordinary resolution until the next annual general meeting of the Company or such earlier period as stated in the proposed ordinary resolution (the “**Share Issue Mandate**”). In addition, an ordinary resolution to extend the Share Issue Mandate by adding the number of Shares bought back by the Company pursuant to the Share Buy-back Mandate will also be proposed at the Annual General Meeting.

As at the Latest Practicable Date, the total number of Shares in issue is 12,014,791,614 Shares. If the ordinary resolution granting the Share Issue Mandate to the Directors is passed at the Annual General Meeting, and assuming that no further Shares are issued or bought back prior to the Annual General Meeting, the Directors will be authorized under the Share Issue Mandate to issue a maximum of 2,402,958,322 Shares, representing approximately 20% of the total number of Shares in issue as at the date of passing the ordinary resolution at the Annual General Meeting.

LETTER FROM THE BOARD

The Directors have no present intention to exercise the Share Issue Mandate. However, taking into consideration of the market situations and the rapidly changing landscape, the Directors believe that it is in the best interest of the Company and its Shareholders for the Directors to have the Share Issue Mandate as permitted under the Listing Rules, in place to provide the flexibility to raise funds when needed and to permit the Company to allot Shares quickly as consideration in a transaction, which would help satisfy the strategic needs of the Company and in turn, enhance the Company's growth and maximize shareholder value.

The Company understands the concern of Shareholders on possible dilution of their shareholding interest in the Company if the Share Issue Mandate is exercised and therefore would exercise great care when considering using the Share Issue Mandate. On January 24, 2019, the Company issued US\$675,000,000, 3.375% convertible bonds due 2024 (the "**Convertible Bonds**") to third party professional investors. Assuming full conversion of the Convertible Bonds at the adjusted conversion price of HK\$7.62 per Share, the Convertible Bonds will be convertible into 694,709,646 Shares. The conversion shares (if and when issued) will be issued under the general mandate granted to the Directors pursuant to an ordinary resolution of the Company passed at the annual general meeting held on July 5, 2018. Other than that, in the past ten years, the Company has not exercised any general share issue mandate except for the purpose of issuing shares to partly satisfy consideration of acquisitions. As at the Latest Practicable Date, there had not been any exercise of the Convertible Bonds and no redemption right had been exercised by the bondholders or the Company.

Details of the proposed resolution on the Share Issue Mandate are set out in resolution (5) of the notice of the Annual General Meeting.

4. RE-ELECTION OF DIRECTORS

In accordance with article 95 of the Articles of Association, Ms. Yang Lan who was appointed as an independent non-executive director after the annual general meeting held on July 9, 2019, shall hold office until the Annual General Meeting and, being eligible, has offered herself for re-election. Ms. Yang's appointment process was set out in page 63 of the Company's 2019/20 Annual Report.

In accordance with article 107 of the Articles of Association, Mr. Yang Yuanqing, Mr. Nobuyuki Idei, Mr. William O. Grabe and Mr. William Tudor Brown will retire by rotation at the Annual General Meeting and being eligible, have offered themselves for re-election, except for Mr. Nobuyuki Idei who will not offer himself for re-election after having served as an independent non-executive director of the Company for nearly 9 years.

Pursuant to article 109 of the Articles of Association, a resolution will be proposed at the Annual General Meeting to resolve not to fill up the vacated office resulted from the retirement of Mr. Nobuyuki Idei as a Director.

LETTER FROM THE BOARD

Pursuant to the code provision A.4.3 of Appendix 14 of the Listing Rules, serving more than nine years could be relevant to the determination of a non-executive director's independence. Any further appointment of independent non-executive director serving more than nine years should be subject to a separate resolution to be approved by shareholders. Mr. William O. Grabe was appointed as a non-executive director of the Company on May 17, 2005 and was re-designated as an independent non-executive director on February 8, 2012. As Mr. William O. Grabe has served the Company for more than nine years, separate resolution will be proposed for his re-election at the Annual General Meeting.

The nominations were made in accordance with the nomination policy of the Company and the objective criteria (including without limitation, backgrounds, skills, experience and perspectives that would complement the existing Board), with due regard to the benefits of diversity as set out under the board diversity policy of the Company.

Each of the independent non-executive directors of the Company has given an annual confirmation of his independence pursuant to rule 3.13 of the Listing Rules. The Nomination and Governance Committee assessed and reviewed the independence of all independent non-executive directors including those to be re-elected at the Annual General Meeting, namely Mr. William O. Grabe, Mr. William Tudor Brown and Ms. Yang Lan and in particular, Mr. William O. Grabe who has served the Board for more than nine years. The Nomination and Governance Committee is of the view that all independent non-executive directors have satisfied all the criteria for independence set out in rule 3.13 of the Listing Rules.

The Nomination and Governance Committee has also reviewed and considered each retiring Director's respective experience, skills and knowledge, in particular those of (1) Mr. Yang Yuanqing in the information technology, international business and corporate strategy; (2) Mr. William O. Grabe in the information technology, international business, corporate governance and corporate strategy; (3) Mr. William Tudor Brown in engineering, information technology, and corporate strategy; and (4) Ms. Yang Lan in media and artificial intelligence areas, and recommended to the Board that the re-election of all retiring Directors be proposed for Shareholders' approval at the Annual General Meeting. In addition to the experience, skills and knowledge of Mr. Yang Yuanqing, Mr. William O. Grabe, Mr. William Tudor Brown and Ms. Yang Lan as mentioned above, the Board also considered that their cultural, educational background and professional experience and their respective geographic locations would bring valuable perspectives, knowledge, skills and experiences to the Board for its efficient and effective functioning and their appointments would contribute to diversity of the Board appropriate to the requirements of the Company's business.

Details of the retiring Directors who are proposed to be re-elected at the Annual General Meeting are set out in Appendix II to this circular.

LETTER FROM THE BOARD

5. ANNUAL GENERAL MEETING

The notice convening the Annual General Meeting is set out on pages 18 to 23 of this circular.

A form of proxy for use at the Annual General Meeting is enclosed with this circular and such form of proxy is also published on the websites of Stock Exchange (www.hkex.com.hk) and the Company (https://investor.lenovo.com/en/publications/proxy_forms.php). To be valid, the form of proxy must be completed and signed in accordance with the instructions printed thereon and deposited, together with the power of attorney or other authority (if any) under which it is signed or a certified copy of that power of attorney or authority at the Company's share registrar, Tricor Abacus Limited, at Level 54, Hopewell Centre, 183 Queen's Road East, Hong Kong as soon as possible but in any event not less than 48 hours before the time appointed for holding the Annual General Meeting or any adjournment thereof. In calculating the aforesaid 48 hours period, no account will be taken of any part of a day that is public holiday. Completion and delivery of the form of proxy will not preclude you from attending and voting at the Annual General Meeting or any adjourned meeting thereof if you so wish.

Pursuant to the Listing Rules, any vote of Shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow resolutions which relates purely to a procedural or administrative matter to be voted on by show of hands. The chairman of the Annual General Meeting will therefore put each of the resolutions to be proposed at the Annual General Meeting to be voted by way of poll pursuant to the Articles of Association. An announcement on the poll results will be published by the Company after the Annual General Meeting in the manner prescribed under the Listing Rules.

6. RECOMMENDATION

The Board considers that the proposed re-election of retiring Directors, the granting of the Share Buy-back Mandate and the Share Issue Mandate are in the best interests of the Company and its Shareholders. Accordingly, the Board recommends the Shareholders to vote in favour of all the resolutions to be proposed at the Annual General Meeting.

Yours faithfully,

By Order of the Board

Yang Yuanqing

Chairman and Chief Executive Officer

This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the Shareholders with the requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the Annual General Meeting in relation to the granting of the Share Buy-back Mandate. It also constitutes the memorandum under section 239(2) of the Companies Ordinance.

1. THE LISTING RULES

The Listing Rules permit a company with a primary listing on the Stock Exchange to buy-back its shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(i) Shareholders' approval

The Listing Rules provide that all proposed share buy-backs on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate to director or by specific approval in relation to specific transactions. The shares proposed to be bought back by the company must be fully paid up.

(ii) Source of funds

Shares buy-backs must be made out of funds which are legally available for the purpose and in accordance with the company's constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

2. SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue of the Company is 12,014,791,614 Shares.

Subject to the passing of the ordinary resolution in respect of the granting of the Share Buy-back Mandate, and assuming that no further Shares are issued or bought back prior to the Annual General Meeting, the Directors would be authorized under the Share Buy-back Mandate to buy back, during the period in which the Share Buy-back Mandate remains in force, a total of 1,201,479,161 Shares, representing approximately 10% of the total number of Shares in issue as at the date of passing the resolution at the Annual General Meeting.

3. REASONS FOR BUY-BACK

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Share buy-back may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.

4. FUNDING OF SHARE BUY-BACK

In buying back Shares, the Company may only apply funds legally available for such buy-back in accordance with the Articles of Association, the Laws of Hong Kong and the Listing Rules. Share buy-backs pursuant to the Share Buy-back Mandate will be made out of funds of the Company legally permitted to be utilised in this connection, including profits otherwise available for distribution or the proceeds of a fresh issue of Shares made for such purpose.

5. IMPACT OF SHARE BUY-BACK

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended March 31, 2020 in the event that the Share Buy-back Mandate were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the Stock Exchange in each of the previous twelve months prior to the Latest Practicable Date were as follows:

	Share prices (per Share)	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
2019		
June	6.28	5.34
July	6.58	5.85
August	6.47	5.06
September	5.66	5.06
October	5.69	5.16
November	6.18	5.14
December	5.35	4.93
2020		
January	5.92	5.13
February	5.84	4.80
March	5.14	3.54
April	4.45	3.93
May (up to and including the Latest Practicable Date)	4.74	3.91

7. DISCLOSURE OF INTEREST

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules), have any present intention, if the Share Buy-back Mandate is approved by the Shareholders, to sell any of the Shares to the Company.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

8. UNDERTAKING OF DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the powers of the Company to make buy-backs pursuant to the Share Buy-back Mandate and in accordance with the Listing Rules and the applicable laws of Hong Kong.

9. EFFECT OF THE TAKEOVERS CODE

Pursuant to rule 32 of the Takeovers Code, if as the result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of Shareholder's interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register maintained under section 336 of the SFO, Legend Holdings Corporation and its respective direct and indirect wholly-owned subsidiaries, Right Lane Limited and Legion Elite Limited, were collectively interested in 3,496,556,041 Shares, representing approximately 29.10% of the total number of Shares in issue of the Company. Based on such shareholding and in the event that the Directors exercised in full the power to buy-back Shares pursuant to the Share Buy-back Mandate, their collective shareholding would be increased to approximately 32.34% of the total number of Shares in issue of the Company. Such increase would give rise to an obligation to make a mandatory offer under rule 26 of the Takeovers Code. The Directors do not consider such increase would reduce the number of Share held by the public to less than 25% (or the relevant prescribed minimum percentage required by the Stock Exchange) of the total number of issued Shares of the Company. The Directors have no present intention to exercise the Share Buy-back Mandate to such extent as would, give rise to an obligation to make a mandatory offer in accordance with rule 26 of the Takeovers Code and/or result in the total number of Shares held by the public Shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

10. SHARE BUY-BACKS MADE BY THE COMPANY

The Company has not bought back any Shares (whether on the Stock Exchange or otherwise) during the six months prior to the Latest Practicable Date.
