However, for the safety and health of all attendees, the Company would encourage Shareholders to: (i) attend the AGM and vote by means of electronic facilities; or (ii) exercise their rights to vote at the AGM by appointing the Chairman of the AGM as their proxy instead of physically attending the AGM.

The AGM will be a hybrid meeting which involves a physical meeting and a virtual meeting via our online platform. The virtual meeting option can broaden the reach of the AGM to shareholders who do not wish to attend physically due to concerns on attending events under the current COVID-19 situation, or for other overseas shareholders who are unable to attend in person.

1. ATTENDING THE AGM BY MEANS OF ELECTRONIC FACILITIES (ONLINE)

Each registered Shareholder will receive a notification letter before the AGM (the “Letter”). Shareholders can access the online platform by scanning the QR Code or entering the hyperlink https://spot-emeeting.tricor.hk/#/unique meeting number (URL of the unique meeting number as provided in the Letter) (the “Online Platform”) and entering the designated distinctive username and password.

Non-registered Shareholders whose shares of the Company are held through banks, brokers, custodians or HKSCC Nominees Limited (“HKSCCN”) should consult directly with their banks, brokers, custodians or HKSCCN (as the case may be) before the time limit required by the relevant intermediary to assist them to attend or vote using the Online Platform.

By participating the Online Platform, Shareholders will be able to view the live streaming of the meeting, be counted towards the quorum and they will be able to cast their vote and submit questions through the Online Platform.

The Online Platform will be open for Shareholders to log in approximately 15 minutes prior to the commencement of the AGM and can be accessed from any location via their smartphones, tablets, or computer devices.

For Corporate Registered Shareholders who wish to attend the AGM and to vote online, please contact the share registrar of the Company, Tricor Abacus Limited at (852) 2975 0928 at least three business days before the AGM (i.e. on or before July 21, 2022) for arrangement.

Online voting is available for registered and non-registered Shareholders as well as authorized representatives/proxies appointed by HKSCCN.

2. ATTENDING THE AGM IN PERSON

For Shareholders who choose to attend the AGM physically, an on-site e-voting system will be used at the AGM to enhance the efficiency in the poll counting process. This is a full paperless AGM process that facilitates easy and intuitive voting procedures for shareholders. Shareholders can refer to the Online Meeting User Guide in relation to the procedure on on-site e-voting for details.

In the interest of the health and safety of our Shareholders and all attendees and, having regard to public health information regarding social distancing, the Company has decided that the maximum number of participants permitted to admit into the AGM venue in person is 120 (including the working team). The Company reserves the right to refuse shareholders’ physical admission to the AGM venue if the number of participants at the AGM venue reaches 120 and will invite shareholders to join the AGM online.

Shareholders who intended to attend the AGM physically should also note the following precautions and control measures imposed by the Company at the AGM:

(a) limited attendance in person at the AGM venue;
(b) mandatory wearing of surgical face masks;
(c) mandatory body temperature screening;
(d) scanning of the “LeaveHomeSafe” venue QR code;

(f) no provision of refreshments, food nor beverage; and
(g) any other additional precautionary measures as appropriate.

Shareholders are reminded that they should carefully consider the risks of attending the AGM in person, taking into account their own personal circumstances. GENERAL MANDATES
TO BUY-BACK SHARES AND TO ISSUE SHARES,
RE-ELECTION OF DIRECTORS
AND
NOTICE OF ANNUAL GENERAL MEETING

1. INTRODUCTION

At the annual general meeting of the Company held on July 20, 2021, ordinary resolutions were passed giving general mandates to Directors (i) to buy-back Shares on the Stock Exchange up to 10% of the total number of Shares in issue as at July 20, 2021 and (ii) to allot, issue and otherwise deal with Shares up to 20% of the total number of Shares in issue as at July 20, 2021, plus the aggregate number of Shares bought back by the Company.
Under the Companies Ordinance and the Listing Rules, these general mandates will lapse at the conclusion of the AGM, unless renewed at that meeting. Ordinary resolutions will be proposed at the AGM to give the Directors the mandates to allot or issue new Shares or to grant rights to subscribe for or convert to new Shares and buy-back Shares in accordance with the terms of those resolutions.

The purpose of this circular is to provide you with information regarding resolutions to be proposed at the AGM regarding (i) the granting to the Directors of general and unconditional mandates for the issue and buy-back of the Shares of the Company; and (ii) the re-election of Directors.

2. **GENERAL MANDATE TO BUY-BACK SHARES**

An ordinary resolution will be proposed at the AGM to approve the granting of a general and unconditional mandate to the Directors to exercise the powers of the Company to buy-back, at any time until the next AGM of the Company or such earlier period as stated in the proposed ordinary resolution, Shares up to a maximum of 10% of the total number of Shares in issue at the date of passing of the proposed ordinary resolution (the “Share Buy-back Mandate”).

An explanatory statement required by the Listing Rules to provide the Shareholders with the requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the resolution of granting of the Share Buy-back Mandate is set out in Appendix I to this circular.

3. **GENERAL MANDATE TO ISSUE SHARES**

An ordinary resolution will be proposed at the AGM to approve the granting of a general and unconditional mandate to the Directors to allot, issue and deal with Shares or to grant options and rights to subscribe for any class of Shares or to convert securities into Shares of not exceeding 20% of the total number of Shares in issue at the date of passing of the proposed ordinary resolution until the next AGM of the Company or such earlier period as stated in the proposed ordinary resolution (the “Share Issue Mandate”). In addition, an ordinary resolution to extend the Share Issue Mandate by adding the number of Shares bought back by the Company pursuant to the Share Buy-back Mandate will also be proposed at the AGM.

As at the Latest Practicable Date, the total number of Shares in issue is 12,041,705,614 Shares. If the ordinary resolution granting the Share Issue Mandate to the Directors is passed at the AGM, and assuming that no further Shares are issued or bought back prior to the AGM, the Directors will be authorized under the Share Issue Mandate to issue a maximum of 2,408,341,122 Shares, representing approximately 20% of the total number of Shares in issue as at the date of passing the ordinary resolution at the AGM.
The Directors have no present intention to exercise the Share Issue Mandate. However, taking into consideration of the market situations and the rapidly changing landscape, the Directors believe that it is in the best interest of the Company and its Shareholders for the Directors to have the Share Issue Mandate as permitted under the Listing Rules, in place to provide the flexibility to raise funds when needed and to permit the Company to allot Shares quickly as consideration in a transaction, which would help satisfy the strategic needs of the Company and in turn, enhance the Company’s growth and maximize shareholders’ value.

The Company understands the concern of Shareholders on possible dilution of their shareholding interest in the Company if the Share Issue Mandate is exercised and therefore would exercise great care when considering using the Share Issue Mandate. On January 24, 2019, in order to enhance the Company’s working capital and strengthen its capital base and financial position, the Company issued US$675,000,000, 3.375% convertible bonds due 2024 to third party professional investors (the “Convertible Bonds”). The conversion shares (if and when issued) will be issued under the general mandate granted to the Directors pursuant to an ordinary resolution of the Company passed at the AGM held on July 5, 2018. Other than that, in the past ten years, the Company has not exercised any general share issue mandate except for the purpose of issuing shares to partly satisfy consideration of acquisitions. There had not been any conversion of the Convertible Bonds and no redemption right had been exercised during the year.

Details of the proposed resolution on the Share Issue Mandate are set out in resolution (5) of the notice of the AGM.

4. RE-ELECTION OF DIRECTORS

In accordance with article 95 of the Articles of Association, Ms. Cher Wang Hsiueh Hong and Professor Xue Lan who were appointed as independent non-executive directors after the annual general meeting held on July 20, 2021, shall hold office until the AGM and, being eligible, has offered themselves for re-election. Their appointment process was set out in page 69 of the Company’s 2021/22 Annual Report.

In accordance with article 107 of the Articles of Association, Mr. William Tudor Brown (“Mr. Brown”), Mr. Yang Chih-Yuan Jerry (“Mr. Yang”), Mr. Gordon Robert Halyburton Orr (“Mr. Orr”) and Mr. Woo Chin Wan Raymond (“Mr. Woo”) will retire by rotation at the AGM and being eligible, have offered themselves for re-election.

The director nominations were made in accordance with the nomination policy of the Company and the objective criteria (including without limitation, backgrounds, skills, experience and perspectives that would complement the existing Board), with due regard to the benefits of diversity as set out under the board diversity policy of the Company.
Pursuant to the code provision B.2.3 of Appendix 14 of the Listing Rules, any further appointment of independent non-executive director serving more than nine years should be subject to a separate resolution to be approved by shareholders. Mr. Brown was appointed as an independent non-executive director of the Company on January 30, 2013. As Mr. Brown has served the Company for more than nine years, separate resolution will be proposed for his re-election at the AGM.

The Nomination and Governance Committee has reviewed and considered the independence of Mr. Brown. During his tenure, Mr. Brown was not involved in the daily management of the Company nor in any relationship or circumstances which would materially interfere with his exercise of independent judgement. There is no evidence that his tenure has compromised or would compromise his continued independence. It is of the view that Mr. Brown with diverse backgrounds would continue to bring on fresh perspectives and objective advice in engineering, information technology, international business, investor relation and corporate strategy. Accordingly the Nomination and Governance Committee believes that Mr. Brown is still independent and should be re-elected.

In addition to Mr. Brown, the Nomination and Governance Committee has also reviewed and considered the other retiring Director’s respective experience, skills and knowledge, in particular, those of (1) Mr. Yang in the internet, technology business and corporate strategy; (2) Mr. Orr in corporate strategy in technology areas and corporate governance; and (3) Mr. Woo in audit, corporate restructuring, IPO, risk management and merger and acquisition, and recommended to the Board that the re-election of all the retiring Directors be proposed for Shareholders’ approval at the AGM. In addition to the experience, skills and knowledge as mentioned above, the Board also considered that their cultural, educational background and professional experience and their respective geographic locations would bring valuable perspectives, knowledge, skills and experiences to the Board for its efficient and effective functioning and their appointments would contribute to diversity of the Board appropriate to the requirements of the Company’s business.

Details of the retiring Directors who are proposed to be re-elected at the AGM are set out in Appendix II to this circular.

5. ANNUAL GENERAL MEETING

The notice convening the AGM is set out on pages 22 to 27 of this circular.

Pursuant to the Listing Rules, any vote of Shareholders at a general meeting must be taken by poll except where the chairman, in good faith, decides to allow resolutions which relates purely to a procedural or administrative matter to be voted on by show of hands. The chairman of the AGM will therefore put each of the resolutions to be proposed at the AGM to be voted by way of poll pursuant to the Articles of Association. An announcement on the poll results will be published by the Company after the AGM in the manner prescribed under the Listing Rules.
LETTER FROM THE BOARD

6. RECOMMENDATION

The Board considers that the proposed re-election of retiring Directors, the granting of the Share Buy-back Mandate and the Share Issue Mandate are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Board recommends the Shareholders to vote in favour of all the resolutions to be proposed at the AGM.

Yours faithfully,

By Order of the Board

Yang Yuanqing
Chairman and Chief Executive Officer
This appendix serves as an explanatory statement, as required by the Listing Rules, to provide the Shareholders with the requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the AGM in relation to the granting of the Share Buy-back Mandate. It also constitutes the memorandum under section 239(2) of the Companies Ordinance.

1. THE LISTING RULES

The Listing Rules permit a company with a primary listing on the Stock Exchange to buy-back its shares on the Stock Exchange subject to certain restrictions, the most important of which are summarised below:

(i) Shareholders’ approval

The Listing Rules provide that all proposed share buy-backs on the Stock Exchange by a company with its primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate to director or by specific approval in relation to specific transactions. The shares proposed to be bought back by the company must be fully paid up.

(ii) Source of funds

Shares buy-backs must be made out of funds which are legally available for the purpose and in accordance with the company’s constitutive documents and the laws of the jurisdiction in which the company is incorporated or otherwise established.

2. SHARE CAPITAL

As at the Latest Practicable Date, the total number of Shares in issue of the Company is 12,041,705,614 Shares.

Subject to the passing of the ordinary resolution in respect of the granting of the Share Buy-back Mandate, and assuming that no further Shares are issued or bought back prior to the AGM, the Directors would be authorized under the Share Buy-back Mandate to buy back, during the period in which the Share Buy-back Mandate remains in force, a total of 1,204,170,561 Shares, representing approximately 10% of the total number of Shares in issue as at the date of passing the resolution at the AGM.

3. REASONS FOR BUY-BACK

The Directors believe that the granting of the Share Buy-back Mandate is in the best interests of the Company and the Shareholders.

Share buy-back may, depending on market conditions and funding arrangements at that time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made when the Directors believe that such a buy-back will benefit the Company and the Shareholders.
4. FUNDING OF SHARE BUY-BACK

In buying back Shares, the Company may only apply funds legally available for such buy-back in accordance with the Articles of Association, the Laws of Hong Kong and the Listing Rules. Share buy-backs pursuant to the Share Buy-back Mandate will be made out of funds of the Company legally permitted to be utilised in this connection, including profits otherwise available for distribution or the proceeds of a fresh issue of Shares made for such purpose.

5. IMPACT OF SHARE BUY-BACK

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited financial statements contained in the annual report for the year ended March 31, 2022 in the event that the Share Buy-back Mandate were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the Share Buy-back Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares had been traded on the Stock Exchange in each of the previous twelve months prior to the Latest Practicable Date were as follows:

7. DISCLOSURE OF INTEREST

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, their respective close associates (as defined in the Listing Rules), have any present intention, if the Share Buy-back Mandate is approved by the Shareholders, to sell any of the Shares to the Company.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Share Buy-back Mandate is approved by the Shareholders.

8. UNDERTAKING OF DIRECTORS

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will only exercise the powers of the Company to make buy-backs pursuant to the Share Buy-back Mandate and in accordance with the Listing Rules and the applicable laws of Hong Kong.

9. EFFECT OF THE TAKEOVERS CODE

Pursuant to rule 32 of the Takeovers Code, if as the result of a buy-back of Shares pursuant to the Share Buy-back Mandate, a Shareholder’s proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of Shareholder’s interest, could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with rule 26 of the Takeovers Code.

As at the Latest Practicable Date, according to the register maintained under section 336 of the SFO, Legend Holdings Corporation, its respective direct and indirect wholly-owned subsidiaries, Right Lane Limited and Legion Elite Limited and its controlled company, Union Star Limited, were collectively interested in 4,328,804,972 Shares, representing approximately 35.94% of the total number of Shares in issue of the Company. Based on such shareholding and in the event that the Directors exercised in full the power to buy-back Shares pursuant to the Share Buy-back Mandate, their collective shareholding would be increased to approximately 39.94% of the total number of Shares in issue of the Company. Such increase would give rise to an obligation to make a mandatory offer under rule 26 of the Takeovers Code. The Directors do not consider such increase would reduce the number of Share held by the public to less than 25% (or the relevant prescribed minimum percentage required by the Stock Exchange) of the total number of issued Shares of the Company. The Directors have no present intention to exercise the Share Buy-back Mandate to such extent as would, give rise to an obligation to
make a mandatory offer in accordance with rule 26 of the Takeovers Code and/or result in the total number of Shares held by the public Shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

10. SHARE BUY-BACKS MADE BY THE COMPANY

The Company has not bought back any Shares (whether on the Stock Exchange or otherwise) during the six months prior to the Latest Practicable Date.
The details of the retiring Directors, who will offer themselves for re-election, as at the Latest Practicable Date, are set out as follows:

1. **Mr. William Tudor Brown**, 63, has been an independent non-executive director of the Company since January 30, 2013 and appointed as the chairman of the Compensation Committee of the Company on November 7, 2019. (NASDAQ listed). He was previously an independent non-executive director of P2i Limited and Xperi Corporation. He also served on the UK Government Asia Task Force until May 2012.

Save as disclosed above, Mr. Brown did not hold any other directorships in the last three years in public companies the securities of which are listed on any securities market in Hong Kong or overseas and does not hold any positions with the Company or any member of the Company’s group of companies.

Mr. Brown does not have any relationship with any Director, senior management, substantial shareholders or controlling shareholders of the Company.

Under the letter of appointment between the Company and Mr. Brown, he is appointed for a specific term of 3 years and will be subject to retirement by rotation and re-election at annual general meeting of the Company in accordance with the Articles of Association. Mr. Brown will receive such Director’s fee and other remuneration as the Board may determine from time to time pursuant to the power given to it under the Articles of Association or otherwise granted to the Board by the Shareholders of the Company. 2. Where there are joint holders of any share, any one of such persons may vote at the AGM, either personally or by proxy, in respect of such share as if he/she were solely entitled thereto, but if more than one of such joint holders are present at the AGM personally or by proxy, that one of the said persons whose name stands first in the register of members of the Company shall alone be entitled to vote in respect of it.

3. To be valid, the completed and signed proxy form, together with the power of attorney or other authority (if any) under which it is signed, or a notarially certified copy of such power of attorney or authority, must be deposited at (form or document sent by any electronic means will not be accepted) the Company’s share registrar, Tricor Abacus Limited, at Level 54, Hopewell Centre, 183 Queen’s Road East, Hong Kong not less than 48 hours before the time appointed for holding the AGM or any adjourned meeting thereof.
