INFORMATION ON CHIFENG JINCHAN

Chifeng Jinchan is a company incorporated in the PRC on 22 September 2004. It is principally engaged in gold mining, exploration, production, processing and sales of metal mineral resources. Chifeng Jinchan has no previous business relationship with the Company before the Acquisition. The registered capital of Chifeng Jinchan is RMB20,000,000 which has all be paid up. There is no requirement under the Equity Transfer Agreement that the Company should provide further investment to Chifeng Jinchan. As of the date of this announcement, the shareholders of Chifeng Jinchan are Mr. Zhao, Mr. Ren and Mr. Gao who hold a 51%, 29% and 20% equity interest in Chifeng Jinchan respectively.

LETTER FROM THE BOARD

The unaudited net profits before and after tax and extraordinary items of Chifeng Jinchan for the year ended 31 December 2005 and 31 December 2006 are as follow:

	For the year ended 31 December 2005	For the year ended 31 December 2006
Unaudited net profits (before tax and extraordinary items)	RMB851,947.87	RMB141,486.15
Unaudited net profits (after tax and extraordinary items)	RMB595,625.54	RMB94,795.72

The reason for the difference in profit generated by Chifeng Jinchan in the two years ended 31 December 2005 and 31 December 2006 is due to increase in exploration expenses in the year ended 31 December 2006.

According to the Mining Right Valuation Report dated 18 March 2007 issued by Beijing Endi, as of 28 February 2007, the gold, silver and copper reserves of Chifeng Jinchan are approximately 5,068 kilograms, 5,998 kilograms and 1,891 kilograms, respectively.

REASONS FOR THE ACQUISITION

The Group is principally engaged in mining, smelting and refining. The principal product of the Group is gold and the principal byproducts of the Group are silver, copper products and sulphuric acid. The Shanghai Gold Exchange certified the Company as a standard gold bullion production enterprise.

The total gold reserves and resources of the Company as at 30 June 2006 was approximately 106 tonnes. For the six months ended 30 June 2006, approximately 4,766 kilograms (equivalent to approximately 153,230 ounces) of gold was produced with the profit attributable to equity shareholders amounting to approximately RMB134,132,000.

The Group is committed to become the leading integrated gold mining enterprise in the PRC and gradually to promote its brand in the international market. The Group has adopted a development strategy to focus on acquisition, consolidation, merger, exploration and expansion of production scale in order to increase the self-produced gold and gold reserves and resources.

The Directors are of the view that Chifeng Jinchan has good investment potentials given that it is located in an area of Inner Mongolia Autonomous Region which boasts rich gold resources and is close to the Group's existing exploration business in Inner Mongolia acquired in August 2006. Moreover, the entering into of the Equity Transfer Agreement is consistent with the Group's development strategy of extending its exploration business to the Inner Mongolia Autonomous Region. The Directors (including independent non-executive directors of the Company) believe that the terms of the Acquisition are fair and reasonable and in the interests of the Shareholders and the Company as a whole.

LETTER FROM THE BOARD

EFFECT OF THE ACQUISITION ON THE EARNINGS AND ASSETS AND LIABILITIES OF THE COMPANY

The total consideration for the Acquisition will be satisfied in cash from the Group's internal resources. After the completion of the Equity Transfer Agreement, the Company will become the sole shareholder of Chifeng Jinchan, and the results of Chifeng Jinchan will be consolidated in the accounts of the Company. Save as the above, the Acquisition does not have any immediate effect on the assets and liabilities of the Company. The Acquisition is not expected to have any significant impact on the earnings of the Company in short term, but is expected to improve the profitability of the Company in the long run.

GENERAL

The Acquisition constitutes a discloseable transaction of the Company under Chapters 14 of the Listing Rules, which is subject to the notification and publication requirements.

Your attention is also drawn to the general information set out in the Appendix to this circular.

Yours faithfully,
By Order of the Board
Xu Gaoming
