PROFIT WARNING

This announcement is made pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “Board”) of Luk Fook Holdings (International) Limited (the “Company”) announces that based on its preliminary assessment of the unaudited consolidated management accounts of the Company and its subsidiaries (collectively referred to as the “Group”) for the year ended 31 March 2016 (the “Year”), the profit for the Year is expected to record a decline of approximately 35%-45% as compared to that of last year, primarily due to (1) the weakening of mainland tourist spending due to the strong Hong Kong Dollar/weak Renminbi, the economic slowdown in Mainland China, the adjustment to the policy of Individual Visit Scheme and the increase in popularity of other tourist destinations, leading to the decrease in the Group’s revenue; (2) the decrease in gross margin of gem-set jewellery products; (3) the increase in overall rental expenses to revenue ratio; and (4) the expansion of losses in investments in relation to Hong Kong Resources Holdings Company Limited and its subsidiaries.

As the annual results for the Year have not been finalised, the information contained in this announcement is based on a preliminary assessment by the Board based on information currently available including the unaudited consolidated management accounts of the Group for the Year, which have not been confirmed, reviewed or audited by the auditors of the Company.

The annual results announcement for the Year will be published on 23 June 2016.

Shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.
