**Lukfook Group
Commended for Green Measures in the
“Hong Kong Awards for Environmental Excellence” under
“Shops and Retailers” & “Manufacturing and Industrial Services” Categories**

(Hong Kong, 21 May 2019) ----- **Luk Fook Holdings (International) Limited** (“Lukfook” / the “Group”) (Stock Code: 00590) is pleased to announce that it has been accredited with its first Certificate of Merit in “Shops and Retailers” Category and Merit in “Manufacturing and Industrial Services” Category in the “Hong Kong Awards for Environmental Excellence”, both of which give accreditation to the Group for its outstanding contribution towards environmental management.

Mr. Wong Wai Sheung, Chairman and Chief Executive Officer of the Group said, “Being a luxury products manufacturer, the Group highly values environmental management and therefore it fosters and implements innovative environmental solutions via integrating environmental policy into factory, retail shops and office in order to reduce the number of possible adverse effects in its operation. Meanwhile, the Group provides necessary training relating to environment protection and also encourages our staff to implement waste reduction and energy saving manufacturing. Looking forward, we will continue to fulfill our social responsibilities to enhance and monitor our environmental protection measures, so as to continue to work hard in establishing sustainable development for the society.”

Launched in 2008, HKAEE is an environmental award that aims for achieving excellent environmental performance. It is led by the Environmental Campaign Committee alongside the Environmental Protection Department and in conjunction with nine organizations, namely, the Advisory Council on the Environment, the Business Environment Council, the Chinese General Chamber of Commerce, the Chinese Manufacturers’ Association of Hong Kong, the Federation of Hong Kong Industries, the Hong Kong Chinese Importers’ & Exporters’ Association, the Hong Kong Council of Social Service, the Hong Kong General Chamber of Commerce and the Hong Kong Productivity Council. It aims to encourage corporations and organizations to implement environmental management, to measure their commitment and performances on this area and to recognize those with excellent performance.
