## Lukfook Group Received “Wastewi\$e Certificate” under the Hong Kong Green Organisation Certification in Recognition of Continuous Efforts in Energy Efficiency and Carbon Reduction

(3 May 2024) — **Luk Fook Holdings (International) Limited** (“Lukfook” or the “Group”) (Stock Code: 00590.HK) is pleased to announce that the Group has been honoured with the “Wastewi\$e Certificate” under “The Hong Kong Green Organisation Certification”(HKGOC), led by the Environmental Campaign Committee (ECC), recognising the Group’s outstanding performance in implementing sustainable waste reduction practices to create a better environment for Hong Kong. Lukfook has actively engaged in environmental protection. In addition to the “Wastewi\$e Certificate”, it has also been recognised repeatedly with “Energywi\$e Certificate” Excellent Level, “Hong Kong Awards for Environmental Excellence”, the “BOCHK Corporate Environmental Leadership Awards” and the “Hong Kong-Guangdong Cleaner Production Partners (Manufacturing)”.

**Mr Wong Wai Sheung, Chairman and Chief Executive Officer of Lukfook Group**, said, “We are honoured to be awarded the ‘Wastewi\$e Certificate’, which reflects the industry’s recognition of our outstanding achievements in waste reduction. We have always regarded environmental issues as our important mission, and we are committed to implementing various environmental protection measures to reduce waste generation, continuously raise environmental protection awareness, and provide customers with quality services and products. Looking ahead, we will work persistently to optimise the effectiveness of our waste reduction initiatives, and collaborate with the industry to embrace a low-carbon future.”

HKGOC, led by ECC in collaboration with the Environment Protection Department and other organisations, aims to acknowledge organisations with remarkable accomplishments in environmental protection. It strives to enhance environmental protection awareness, reduce waste generation, encourage more organisations to actively participate in environmental protection campaigns and build a sustainable future.
