Lukfook Group Sponsored “Carbon Neutrality Campaign” to Promote Carbon Neutrality

(8 January 2025) — **Luk Fook Holdings (International) Limited** (“Lukfook” or the “Group”) (Stock Code: 0590) is pleased to announced that the Group has sponsored the “Environment and Conservation Fund Carbon Neutrality Campaign” (the “Carbon Neutrality Campaign”) to take steps to support environmental protection and carbon reduction practices. Ms. Wong Lan Sze, Nancy, Executive Director and Deputy Chief Executive Officer of the Group, attended the award presentation ceremony to present the “Top Ten for Carbon Reduction in Residential and Industrial Property Management” award, and share this important moment with nearly 300 participants and guests in jointly witnessing the winners’ momentous achievements.

Mr. Wong Wai Sheung, Chairman and Chief Executive Officer of the Group, said, “The Group is honoured to contribute to environmental protection through sponsoring the ‘Carbon Neutrality Campaign’. We have always upheld our corporate mission of ‘Building a Family with Love’, and are committed to implementing green operations in our business practices, including establishing a comprehensive Environmental, Social, and Governance (ESG) management system and a sustainable supply chain, as well as encouraging employees and business partners to actively participate in social and environmental protection initiatives, promoting green development within the industry. Looking ahead, the Group will continue to fulfill its corporate social responsibility and collaborate with the industry to create a sustainable low-carbon future, building a greener Hong Kong together.”

The “Carbon Neutrality Campaign”, organised by the Hong Kong Women Professionals and Entrepreneurs Association, aims to promote carbon neutrality across various industries, enhance public awareness and participation in carbon neutrality, and encourage the adoption of low-carbon lifestyles. By fostering a culture of sustainable development, the campaign seeks to contribute to achieving carbon neutrality goals in Hong Kong and beyond.
