THIRD QUARTERLY RESULTS ANNOUNCEMENT FOR THE NINE MONTHS ENDED 30 SEPTEMBER 2017

CHARACTERISTICS OF THE GROWTH ENTERPRISE MARKET ("GEM") OF THE STOCK EXCHANGE OF HONG KONG LIMITED (THE "STOCK EXCHANGE")

GEM has been positioned as a market designed to accommodate companies to which a higher investment risk may be attached than other companies listed on the Stock Exchange. Prospective investors should be aware of the potential risks of investing in such companies and should make the decision to invest only after due and careful consideration. The greater risk profile and other characteristics of GEM mean that it is a market more suited to professional and other sophisticated investors.

Given the emerging nature of companies listed on GEM, there is a risk that securities traded on GEM may be more susceptible to high market volatility than securities traded on the Main Board of the Stock Exchange and no assurance is given that there will be a liquid market in the securities traded on GEM.

This announcement, for which the directors (the "Directors") of Luk Hing Entertainment Group Holdings Limited (the "Company") collectively and individually accept full responsibility, includes particulars given in compliance with the Rules Governing the Listing of Securities on the GEM of the Stock Exchange (the "GEM Listing Rules") for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief the information contained in this announcement is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this announcement misleading.

	2017 HK\$'000 (unaudited)	2016 HK\$'000 (unaudited)	2017 HK\$'000 (unaudited)	2016 HK\$'000 (unaudited)
Loss for the period attributable to the owners of the Company	(3,115)	(801)	(4,690)	(34)
Number of ordinary shares for the purpose of calculating basic losses per share	1,800,000	1,350,000	1,800,000	1,350,000

The calculation of basic losses per share for the three-month and nine-month periods ended 30 September 2017 and 2016 is based on the loss and total comprehensive losses for the period attributable to the owners of the Company and the weighted average number of shares for the relevant period.

For the three-month and nine-month periods ended 30 September 2016, the weighted average number of ordinary shares for the purpose of calculating basic losses per share is calculated based on the assumption that 1,350,000,000 ordinary shares had been in issue, comprising 10,000 ordinary shares in issue and 1,349,990,000 ordinary shares to be issued pursuant to the capitalisation issue as detailed in the sub-section headed "Share Capital" set out in the prospectus of the Company dated 27 October 2016 (the "Prospectus") as if the shares had been outstanding throughout the period.

No adjustment has been made to the basic losses per share presented for the three-month and nine-month periods ended 30 September 2017 and 2016 in respect of a dilution as the Group did not have any potentially dilutive ordinary shares in issue during those periods.

5. DIVIDEND

Before the Company became the holding company of the Group on 25 January 2016, a member of the Group declared a dividend of approximately HK\$5.8 million on 8 January 2016 to its former shareholder, Star Century Investments Limited. The said dividend was fully settled prior to the listing of the Company's shares on the GEM on 11 November 2016.

No dividend has been paid or proposed by the Company since its date of incorporation on 30 November 2015. The Board does not recommend the payment of an interim dividend by the Company for the nine-month period ended 30 September 2017.

MANAGEMENT DISCUSSION AND ANALYSIS

The Group is a premium clubbing and entertainment business operator. During the first three quarters of 2017, the Group continued to engage in the operation of clubbing business and organising music-related featured events and also started to engage in food and beverage business in Hong Kong.

BUSINESS REVIEW

Clubbing and Restaurant Business

During the period under review, the Group continued to offer premium and high end clubbing and entertainment experience to its customers.

For the expansion of Club Cubic Macau, we anticipate the opening of the first phase expansion is likely to be further delayed, due to the fact that our expansion layout plan is in the process of obtaining formal approval by the owner of the club premises. Meanwhile, with the acknowledgment of the owner of the club premises, we are preparing the statutory submission for the licenses and construction permit but both take longer processing time to get approval from the relevant Macau authorities currently. Regarding Club Cubic Zhuhai, we are negotiating the commercial terms with our cooperation partners and revised opening will be further updated. The Group will further extend our footprint for Club Cubic and Monkey Museum brand to the PRC.

After the reporting period, the Group has expanded its operation to the Hong Kong restaurant business by operating a modern Chinese restaurant under the trade name of "HEXA" in Harbour City, one of the Hong Kong's most iconic landmarks and largest shopping, dining and entertainment centres.

"HEXA" has been opened in the fourth quarter of 2017 and it is located in the new extension building at Ocean Terminal commanding a fascinating panorama of Victoria Harbour. With exquisite Chinese culinary offering with bar concept and clubbing element, outdoor area exhibiting the stunning sunset and night views of Hong Kong, "HEXA" is aimed to create new and unique gastronomic experience and setting a new standard of dining experience to the customers.

Event Organising

During the period under review, the Group continued to organize music-related featured events in Club Cubic Macau to offer music entertainment to its customers. The Group has organised a total of 42 featured events during the nine months ended 30 September 2017 (September 2016: 35).

Following the completion of 2017 Road to Ultra event and on behalf of the brand owner, the Group is deeply saddened about the incident happened in the event and the organisation of the event next year will be subject to the negotiation with the brand owner.

FINANCIAL REVIEW

Revenue and Other Income and Gain

Total revenue of the Group increased by about HK\$4.8 million or 5.1% from approximately HK\$94.0 million for the first three quarters of 2016 to approximately HK\$98.8 million for that of 2017. The growth was mainly contributed by the larger scale of event held outside Club Cubic Macau in September 2017, which recorded an increase of 50% in the number of tickets sold when compared to the event held in September 2016. Accordingly, the Group's entrance fees income and sales of beverage and other products increased by about HK\$4.4 million and HK\$2.3 million respectively in 2017. However, such increases in entrance fees income and sales of beverage and other products were partially offset by the drop in sponsorship income of approximately HK\$1.9 million in 2017, which was mainly because (i) the suppliers provided less sponsorship but more favourable pricing to the event held outside Club Cubic Macau in 2017 when compared to last year; and (ii) the strategic focus to smaller scale featured events held in Club Cubic Macau in 2017, resulting in less sponsorship.

Other income and gain remained stable at approximately HK\$2.6 million and HK\$2.5 million for the first three quarters of 2017 and 2016 respectively.

Expenses

Cost of inventories sold mainly represented the costs of beverage, food and tobacco products sold. It remained fairly stable at approximately HK\$17.6 million and HK\$17.7 million for the first three quarters of 2017 and 2016 respectively, whereas the gross profit margin increased by 0.9 percentage point from approximately 75.3% in 2016 to 76.2% in 2017, as a result of improvement in gross profit margin of the event held outside Club Cubic Macau in 2017 due to the abovementioned favourable pricing offered by the suppliers.

Staff costs notably increased by about HK\$5.0 million or 22.2% from approximately HK\$22.5 million for the first three quarters of 2016 to approximately HK\$27.5 million for that of 2017. The increase was mainly attributable to (i) staff recruited for post-listing compliance, business expansion and exploration of business opportunities, including project teams for event held outside Club Cubic Macau and the new operation of Chinese restaurant and bar in Harbour City, HEXA; (ii) the increase in the emoluments paid to the directors following the listing of the Company in late 2016; and (iii) more helpers and temporary workers needed for the larger scale of event held outside Club Cubic Macau in 2017.

Depreciation and amortization increased by about HK\$0.3 million from approximately HK\$1.5 million for the first three quarters of 2016 to approximately HK\$1.8 million for that of 2017. The increase was mainly due to (i) amortization of intangible assets acquired in September 2016; and (ii) depreciation of newly acquired plant and equipments.

Property rentals and related expenses increased by approximately HK\$1.4 million or 16.1% from approximately HK\$8.7 million for the first three quarters of 2016 to approximately HK\$10.1 million for that of 2017, which was mainly due to the combined effect of (i) additional rentals and related expenses for the new operation of HEXA; (ii) additional rentals for our Hong Kong office as we rented directly from the landlord since March 2016; and (iii) decrease in rentals paid to the owner of the club premises of Club Cubic Macau as a result of the drop in contingent rentals, partially offset by the increase in base rentals since April 2017.

Advertising and marketing expenses increased by about HK\$3.4 million or 21.0% from approximately HK\$16.2 million for the first three quarters of 2016 to approximately HK\$19.6 million for that of 2017. The increase was mainly due to higher performer fees incurred for the larger scale of event held outside Club Cubic Macau in 2017 as compared to last year.

Other operating expenses increased significantly by about HK\$8.2 million or 36.0% from approximately HK\$22.8 million for the first three quarters of 2016 to approximately HK\$31.0 million for that of 2017. The increase was mainly due to (i) the increase in legal and professional fees in relation to post-listing compliance and the new operation of HEXA; (ii) the increase in business travelling and entertainment expenses for business expansion and exploration of potential business opportunities in regions other than Macau; (iii) start-up and pre-opening costs for the new operation of HEXA; and (iv) higher production costs for the larger scale of event held outside Club Cubic Macau in 2017 as compared to last year.

Loss Attributable to the Owners of the Company

We incurred listing expenses of approximately HK\$7.1 million for the first three quarters of 2016 whereas we did not incur such expenses in 2017 after our listing. Excluding such listing expenses and without taking into account the relevant impact of taxation, our adjusted net profit for the first three quarters of 2016 would be approximately HK\$7.1 million whereas we recorded a net loss attributable to the owners of the Company of approximately HK\$4.7 million for the first three quarters of 2017. The change from adjusted net profit to net loss, amounted to approximately HK\$11.8 million, was mainly attributable to the aforementioned increase in staff costs and other operating expenses for post-listing compliance and exploring business opportunities in regions other than Macau, as well as the rentals and pre-opening startup costs in relation to the new operation of HEXA.

As the Group enters the Chinese restaurant and bar business in Hong Kong through HEXA, the Group incurred and expects to continue to incur substantial start-up and pre-opening costs, including but not limited to additional staff costs, rentals, commission and professional fees, as well as promotion expenses. It is also expected that the aforementioned increase in staff costs and other operating expenses for post-listing compliance and exploring other business opportunities will continue to increase significantly and negatively affect our 2017 financial results.

OUTLOOK

Clubbing and Restaurant Business

During the period under review, the Group is actively seeking for business opportunities to introduce our own Club Cubic brand and Monkey Museum brand to the PRC. When expanding to regions other than Macau, the Group needs more time and attention to familiar with the local business environments, legal and regulatory matters and instances of infringement, etc.

During the last period, we have identified the potential sub-franchisees for the opening and operation of Monkey Museum in the 1st tier, 2nd tier and 3rd tier cities in the PRC however, the potential investment have not been materialized and no legally binding agreements or memorandum of understanding have been signed.

We will also continue to explore business opportunity in food and beverage business in Hong Kong. During the period under review, we have identified another potential restaurant business and in the progress of negotiation. No legally binding tenancy agreement has been signed.

Event organising

With the experience in organizing music-related featured events to offer music entertainment to our customers, we will continue to devote more attention and resources to explore possibilities of engaging or invest in suitable music-related events and projects.

In order to diversify the Group's business, the Group plans to develop other business opportunities, including but not limited to the money lending business.

We believe that our revenue can be boosted and further diversified. Going forward, the management will continue to identify any suitable business opportunities, taking into account of the funding requirement and the associated business risk.

INTEREST IN A COMPETING BUSINESS

As disclosed in the Prospectus, the controlling shareholders of the Company (the "Controlling Shareholders") are interested in certain restaurant businesses in Macau (the "Retained Macau Restaurant Business"). Compared to the Group's current clubbing business in Macau, the Retained Macau Restaurant Business has different industry nature, opening business hours and target customers. Compared to the Group's restaurant and bar business and proposed restaurant business in Hong Kong, the Retained Macau Restaurant Business has different geographical operation. Accordingly, our Directors are of the view that the Retained Macau Restaurant Business are clearly delineated from the Group's businesses and will not compete (either directly or indirectly) or are not likely to compete with the Group's businesses.

As also disclosed in the Prospectus, our executive Directors, Mr. Choi Yiu Ying and Mr. Choi Siu Kit, are engaged in certain restaurant and bar business in Hong Kong (the "Retained HK Restaurant and Bar Business"). Set out below are the details of their interests in the Retained HK Restaurant and Bar Business during the nine-month period ended 30 September 2017:

Name of entity	Nature of interests
Global Profit Development Limited (Note 1)	Director and approximately 40% of its issued share capital was held by Mr. Choi Yiu Ying and Mr. Choi Siu Kit
Mighty Force Catering Group Limited (Note 2)	Approximately 50% of its issued share capital was held by Mr. Choi Siu Kit's spouse, who was also a director
Sham Tseng Chan Kee Roasted Goose Company Limited (Note 2)	Approximately 7.5% of its issued share capital was held by Mr. Choi Siu Kit's spouse
Eastern Full Limited (Note 2)	Approximately 7.5% of its issued share capital was held by Mr. Choi Siu Kit's spouse

Note 1: Operates a bar and restaurant with trading name of Shelter in Hong Kong

Note 2: Operate/franchise restaurants with trading name of Sham Tseng Chan Kee in Hong Kong

As the Retained HK Restaurant and Bar Business was already engaged by our executive Directors, Mr. Choi Yiu Ying and Mr. Choi Siu Kit before the Listing and the Group has not entered into the restaurant and bar business in Hong Kong on Listing, therefore, such business are not covered by the deed of non-competition entered into by the Controlling Shareholders in favour of the Company.

As disclosed in the Prospectus, our independent non-executive Director, Mr. Tse Kar Ho Simon ("Mr. Tse"), is engaged in the business of musical events and performances organization and other promotional and/or marketing events in Hong Kong, the PRC and other countries. Below are the details of his interests in companies involved in such business during the nine-month period ended 30 September 2017:

Name of entity	Nature of interests
Best Shine Entertainment Limited	Director and interest in approximately 92.5% of its issued share capital
Best Shine (China) Entertainment Limited	Director and interest in approximately 99.9% of its issued share capital
Sky Treasure Entertainment Limited	Director and interest in approximately 83.3% of its issued share capital

The events organized by Mr. Tse are not limited to music-related events, and even as to music-related events and performances, the music genre is broad and not limited to clubbing music such as electronic music which is the focus of our Group. In addition, Mr. Tse expects that Macau will not be a material market for his event or performance organization business in the foreseeable future. Hence, our Directors are of the view that the potential competition is relatively low and limited.

Saved as disclosed, during the nine-month period ended 30 September 2017, none of the Directors or the controlling shareholders of the Company, neither themselves nor their respective close associates (as defined in the GEM Listing Rules) engaged in any business that competes or may compete, directly or indirectly, with the business of the Group or had any other conflicts of interest with the Group nor are they aware of any other conflicts of interest which any such person has or may have with the Group.
