RESPONSIBILITY STATEMENT

This document, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquires, confirm that, to the best of their knowledge and belief:

1. the information contained in this document is accurate and complete in all material respects and not misleading;
2. there are no other matters the omission of which would make any statement in this document misleading; and
3. all opinions expressed in this document have been arrived at after due and careful consideration and are founded on bases and assumptions that are fair and reasonable.

The following is the explanatory statement required to be sent to the Shareholders under the Listing Rules in connection with the proposed general mandate for repurchases of Shares to be passed by the Shareholders by an ordinary resolution at the Annual General Meeting.

(1) Reasons for Repurchases

The Directors believe that it is in the best interest of the Company and its shareholders for the Directors to have a general authority from shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

(2) Funding of Repurchases

Repurchases pursuant to the Repurchase Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any repurchases will only be funded out of funds of the Company legally available for the purposes in accordance with its memorandum of association and Articles of Association and the laws of the Cayman Islands.

The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

(3) Impact of Repurchases

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its latest published audited accounts for the year ended 31 December 2006) in the event that the proposed repurchases were to be carried out in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

(4) Exercise of the Repurchase Mandate

As at the Latest Practicable Date, the authorised share capital of the Company was HK\$100,000,000 divided into 1,000,000,000 Shares, of which 480,000,000 Shares were in issue.

On the basis of 480,000,000 existing Shares in issue as at the Latest Practicable Date, the Directors would be authorised to repurchase up to 48,000,000 Shares which represent 10 per cent. of the 480,000,000 existing Shares in issue as at the Latest Practicable Date.

(5) Disclosure of Interest

Rule 10.6(2) of the Listing Rules prohibit a company from knowingly repurchasing its shares on the Stock Exchange from a connected person (as defined in the Listing Rules) and a connected person is prohibited from knowingly selling his/her/its shares to the company on the Stock Exchange.

None of the Directors and, to the best of their knowledge, having made all reasonable enquiries, none of their respective associates, have any present intention, if the Repurchase Mandate is approved by the shareholders of the Company, to sell any Shares to the Company or its subsidiaries.

As at the Latest Practicable Date, no connected persons (as defined in the Listing Rules) of the Company have notified the Company that they have a present intention to sell Shares to the Company, or have undertaken not to do so, in the event that the Company is authorised to make repurchases of the Shares.

(6) Directors' Undertaking

The Directors have undertaken to the Stock Exchange that they will exercise the power of the Company to make purchases pursuant to the proposed resolution, if granted, in accordance with the Listing Rules, the applicable laws of the Cayman Islands and the regulations set out in the memorandum and articles of association of the Company.

(7) Share Repurchase made by the Company

No repurchases of Shares have been made by the Company during the six months (whether on the Stock Exchange or otherwise) preceding the Latest Practicable Date.

(8) Takeovers Code Consequences

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Taiwan Mayer held indirectly 300,000,000 Shares through Mayer Corporation Development International Limited, representing 62.5% of the issued share capital of the Company. In the event that the Directors exercised in full the power to repurchase Shares of the Company in accordance with the terms of the Repurchase Mandate, Taiwan Mayer's proportionate interest in the voting rights of the Company would be increased to approximately 69.44% and Taiwan Mayer will not be obliged to make a mandatory offer under Rule 26 of the Takeovers Code in this respect.

Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchase pursuant to the Repurchase Mandate.

(9) Share Prices

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months preceding the Latest Practicable Date were as follows:

Shares	Highest (HK\$)	Lowest (HK\$)
2006		
May	0.46	0.41
June	0.59	0.46
July	0.57	0.53
August	0.60	0.54
September	0.59	0.57
October	0.58	0.40
November	0.55	0.45
December	0.47	0.40
2007		
January	0.44	0.41
February	0.43	0.42
March	0.43	0.43
April (up to Latest Practicable Date)	0.43	0.40
