They therefore recommend that shareholders should vote in favour of the relevant resolutions to be proposed at the AGM.

By Order of the Board
Lau Chi Yung, Kenneth
Chairman

1. REASONS FOR REPURCHASES

The Directors of the Company have no present intention to repurchase any shares of the Company but believe that it is in the best interests of the Company and its shareholders to have a general authority from shareholders to enable the Directors to repurchase its own shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per share and will only be made when the Directors believe that such repurchases will benefit the Company and its shareholders.

2. SHARE CAPITAL

As at 25 April 2008 (the latest practicable date prior to the printing of this circular), the issued share capital of the Company comprised 1,800,000,000 shares of HK\$0.01 each.

Subject to the passing of the resolution no. 5, the Company would be allowed under the Buyback Mandate to repurchase a maximum of 180,000,000 shares (10% of the issued share capital as at the date of passing of such resolution) on the basis that no further shares will be issued or repurchased prior to the date of the forthcoming AGM.

3. FUNDING OF REPURCHASES

Repurchases must be funded entirely from the Company's available cash flow or working capital facilities, which will be legally available for the purpose in accordance with the Company's Bye-laws and the laws of Bermuda. The Company is empowered by its Memorandum of Association and Bye-laws to purchase its shares. Bermuda law provides that the amount of capital repaid in connection with a share repurchase may only be paid out of either the capital paid up on the relevant shares, or the profits that would otherwise be available for distribution by way of dividend or the proceeds of a new issue of shares made for such purpose. The amount of premium payable on repurchase may only be paid out of either the profits that would otherwise be available for distribution by way of dividend or out of the share premium or contributed surplus accounts of the Company. Under Bermuda law, the shares so repurchased will be treated as cancelled but the aggregate amount of authorised share capital will not be reduced so that the shares may be subsequently re-issued.

If the Buyback Mandate were exercised in full, there might be a material adverse effect on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2007). However, the Directors do not propose to exercise the Buyback Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements or the gearing levels of the Company which in the opinion of the Directors are from time to time appropriate for the Company.

4. DIRECTORS' DEALINGS AND CONNECTED PERSONS

None of the Directors of the Company nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their associates have notified the Company that they currently intend to sell shares to the Company or its subsidiaries in the event that the proposal is approved by shareholders.

No connected person of the Company (as defined in the Listing Rules) has notified the Company that he or she currently intends to sell shares to the Company nor has he/she undertaken not to sell any of such shares held by him/her to the Company in the event that the Company is authorised to make repurchases of its own shares.

5. SHARE PRICES

The highest and lowest prices at which the shares of the Company were traded on the Stock Exchange during each of the previous twelve months were as follows:

| | PER SHARE | |
|---|-----------------|----------------|
| | Highest HK\$ | Lowest HK\$ |
| 2007 | | |
| April | 0.2600 | 0.1100 |
| May | 0.2240 | 0.1330 |
| June | 0.3150 | 0.1700 |
| July | 0.2480 | 0.1360 |
| August | 0.3350 | 0.1250 |
| September | 0.1800 | 0.1430 |
| October | 0.1620 | 0.1050 |
| November | 0.1410 | 0.1050 |
| December | 0.1420 | 0.1150 |
| 2008 | | |
| January | 0.1330 | 0.1000 |
| February | 0.1250 | 0.0920 |
| March | 0.1250 | 0.0840 |
| April (up to the Latest Practicable Date) | 0.1090 | 0.0840 |

6. SHARE REPURCHASES MADE BY THE COMPANY

During the six months preceding the date of this circular, no shares have been repurchased by the Company.

7. DIRECTORS' UNDERTAKING

The Directors of the Company have undertaken to the Stock Exchange that they will exercise the Buyback Mandate in accordance with the Listing Rules and the laws of Bermuda so far as the same may be applicable and in accordance with the regulations set out in the Bye-laws of the Company.

8. TAKEOVER CODES CONSEQUENCES

If, as a result of a repurchase of shares, a substantial shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of The Codes on Takeovers and Mergers (the "Takeover Codes"). Accordingly, a shareholder or group of shareholders acting in concert, could obtain or consolidate control of the Company or become obliged to make a mandatory offer in accordance with Rule 26 of the Takeover Codes.

In the event that the Directors of the Company exercise in full the power to repurchase the shares, the percentage shareholding of Multifield International Holdings Limited, the substantial shareholder of the Company, would be increased from 58.58% to 65.09%. The Directors are not aware of any consequences which may rise under the Takcover Codes as a result of any purchase to be made under the Buyback Mandate and have no intention to exercise the Buyback Mandate to such extent as to result in the number of shares which are in the hands of the public falling below 25% of the issued share capital of the Company.
