The annual results announcement for the Period will be published before 30 June 2016.

The board of directors wishes to remind shareholders and potential investors that the above information are based on the unaudited management accounts of the Group which have not been reviewed nor audited by the auditors of the Company. Sales performance during the Period is affected by a series of factors; therefore, the operational information for the Period may not be able to reflect the overall performance of a complete reporting period.
