POSITIVE PROFIT ALERT FOR THE YEAR ENDED 31 DECEMBER 2016

This announcement is made by the board (the “**Board**”) of directors (the “**Directors**”) of Beijing Enterprises Clean Energy Group Limited (the “**Company**”) and together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09 of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and Part XIVA of the Securities and Futures Ordinance (Cap. 571 of the Laws of Hong Kong).

The Board wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors of the Company that, based on the preliminary review of the unaudited consolidated management accounts of the Group for the year ended 31 December 2016, it is expected that there will be a significant increase in the amount of the consolidated net profit of the Group (the “**Net Profit**”) for the year ended 31 December 2016 as compared to the Net Profit for the year ended 31 December 2015.

Based on information currently available, the Directors consider that such significant increase in the amount of the Net Profit for the year ended 31 December 2016 is primarily attributable to the increase in profits relating to the development of photovoltaic power-related businesses, mainly arising from (1) the completion of acquisition and construction of photovoltaic power generation projects; and (2) the provision of engineering, procurement and construction services for photovoltaic power plants during the year ended 31 December 2016.

The Company is still in the process of finalising the annual results of the Group for the year ended 31 December 2016. The information contained in this announcement is only based on the preliminary assessment by the Board on the information currently available to the Company, and is not based on any figures or information that have been audited or reviewed by the Company's auditors. The actual results of the Group for the year ended 31 December 2016 may be different from what is disclosed herein. Shareholders and potential investors are advised to read carefully the annual results announcement of the Company for the year ended 31 December 2016 which is expected to be published by the end of March 2017.

Shareholders and potential investors are reminded to exercise caution when dealing in the securities of the Company.
