(4) ADOPTION OF THE NEW SHARE OPTION SCHEME AND TERMINATION OF THE EXISTING SHARE OPTION SCHEME

Termination of Existing Share Option Scheme

The Existing Share Option Scheme was adopted by the Shareholders on 7 June 2002 for a period of 10 years from the date of adoption and will expire on 7 June 2012. The Existing Share Option Scheme is the only share option scheme adopted by the Company as at the Latest Practicable Date. The Board considers that it is in the interest of the Company to terminate the Existing Share Option Scheme and adopt the New Share Option Scheme so as to continue to provide incentives or rewards to the Eligible Participants thereunder for their contributions to the Group.

The Board proposes for the approval of the Shareholders at the Annual General Meeting that, subject to approval and adoption of the New Share Option Scheme by the Shareholders at the Annual General Meeting, the Existing Share Option Scheme be terminated and in such event no further options be granted under the Existing Share Option Scheme, but the provisions of the Existing Share Option Scheme shall remain in force to the extent necessary to give effect to the exercise of any options granted prior to the termination and options granted prior to such termination shall continue to be valid and exercisable in accordance with the Existing Share Option Scheme.

As at the Latest Practicable Date, the Company has 245,140,000 outstanding options granted under the Existing Share Option Scheme.

Adoption of New Share Option Scheme

At the Annual General Meeting, an ordinary resolution will be proposed to the Shareholders to approve and adopt the New Share Option Scheme to replace the Existing Share Option Scheme.

The purpose of the New Share Option Scheme is to enable the Company to grant Options to Eligible Participants as incentives or rewards for their contributions to the Group and/or any of the Invested Entities.

LETTER FROM THE BOARD

The New Share Option Scheme will take effect on the date of its adoption at the Annual General Meeting and is conditional upon:

- (a) the passing of an ordinary resolution to approve the New Share Option Scheme by the Shareholders at the Annual General Meeting and to authorize the Board to grant the Options thereunder and to allot, issue and deal with the Shares which fall to be issued by the Company pursuant to the exercise of the Options under the New Share Options Scheme; and
- (b) the Listing Committee of the Stock Exchange granting approval to the listing of, and permission to deal in, such number of Shares to be issued by the Company pursuant to the exercise of Options which may be granted under the New Share Option Scheme.

Under the provisions of the New Share Option Scheme, the Board may offer to grant any Options subject to such terms and conditions in relation to the minimum period of the Options to be held and/or the performance targets to be achieved before such Options can be exercised and/or any other terms as the Board may determine in its absolute discretion. The Board is of the view that the flexibility given to the Board to impose the minimum period for which the Options have to be held and performance targets and other conditions that have to be achieved before the Options can be exercised, will place the Group in a better position to attract and retain human resources that are valuable to the growth and development of the Group as a whole.

Subject to the provisions of the New Share Option Scheme and the Listing Rules, the Board will also have discretion in determining the exercise price in respect of any Option.

None of the Directors are appointed as trustees of the New Share Option Scheme or have a direct or indirect interest in the trustees of the New Share Option Scheme.

The Board considers that it is not appropriate or helpful to Shareholders to state the value of the Options that can be granted under the New Share Option Scheme as if they had been granted at the Latest Practicable Date. The Board believes that any statement regarding the value of the Options as at the Latest Practicable Date will not be meaningful to the Shareholders, since the Options to be granted shall not be assignable, and no holder of the Options shall in any way sell, transfer, charge, mortgage or create any interest (legal or beneficial) in favour of any third party over or in relation to any Option.

In addition, the calculation of the value of the Options is based on a number of variables such as exercise price, exercise period, interest rate, expected volatility and other relevant variables. The Board believes that any calculation of the value of the Options as at the Latest Practicable Date based on a great number of speculative assumptions would not be meaningful and would be misleading to the Shareholders.

LETTER FROM THE BOARD

As at the Latest Practicable Date, there were 8,953,306,227 Shares in issue. Assuming that no Shares will be issued and/or repurchased from the Latest Practicable Date to the date of the Annual General Meeting on which the New Share Option Scheme is expected to be conditionally approved and adopted by the Shareholders, the maximum number of Shares that can be issued upon exercise of the Options that may be granted under the New Share Option Scheme is 895,330,622 Shares, representing approximately 10% of the Shares in issue. However, under the New Share Option Scheme, the Company may subject to the approval of Shareholders in general meeting renew such 10% limit.

Application will be made to the Listing Committee of the Stock Exchange for the approval of the listing of, and permission to deal in, the Shares that may be issued pursuant to the exercise of the Options that may be granted under the New Share Option Scheme.

With respect to the operation of the New Share Option Scheme, the Company will, where applicable, comply with the relevant requirements under Chapter 17 of the Listing Rules.

A summary of the principal terms of the New Share Option Scheme is set out in Appendix II to this circular. A copy of the New Share Option Scheme will be available for inspection at the Company's registered office at 7th Floor, Bank of East Asia Harbour View Centre, 56 Gloucester Road, Wanchai, Hong Kong during normal business hours on any weekdays (except public holidays and any weekday on which Typhoon Signal No. 8 or above is hoisted or a Black Rainstorm Warning is given in Hong Kong at any time during 9:00 a.m. to 5:00 p.m.) from the date of this circular up to and including the date of the Annual General Meeting and at the Annual General Meeting.

(5) INCREASE IN AUTHORISED SHARE CAPITAL

The existing authorised share capital of the Company is HK\$2,000,000,000 divided into 10,000,000,000 Shares. As at the Latest Practicable Date, 8,953,306,227 Shares were in issue and there were outstanding share options carrying rights to subscribe for an aggregate of 245,140,000 Shares. In order to provide the Company with a flexibility for future development, the Board proposes to increase the authorised share capital of the Company to HK\$4,000,000,000 divided into 20,000,000,000 Shares by the creation of an additional 10,000,000,000 Shares, which will rank *pari passu* with all existing Shares.

The Directors have no present intention to issue any part of the increased authorised share capital of the Company.

The proposed Increase in Authorised Share Capital is subject to the approval by the Shareholders by way of an ordinary resolution at the Annual General Meeting.

(6) ANNUAL GENERAL MEETING

A notice of the Annual General Meeting is set out in this circular. At the Annual General Meeting, in addition to the ordinary businesses of the meeting, resolutions will be proposed to approve the general mandates for the issue and repurchase by the Company of its own Shares; adoption of the New Share Option Scheme and termination of the Existing Share Option Scheme; and the Increase in Authorised Share Capital respectively.

LETTER FROM THE BOARD

A form of proxy for the Annual General Meeting is enclosed herewith. Whether or not you are able to attend the Annual General Meeting, you are requested to complete the form of proxy and return it to the share registrars of the Company, Tricor Tengis Limited, at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong in accordance with the instructions printed thereon as soon as practicable but in any event not later than 48 hours before the time appointed for holding the Annual General Meeting or any adjournment thereof (as the case may be). Completion and return of the form of proxy will not preclude you from attending and voting in person at the Annual General Meeting or any adjourned meeting (as the case may be) should you so wish.

To the best of the Director's knowledge, information and belief having made all reasonable enquiries, none of the Shareholders is required to abstain from voting on the relevant resolutions to be proposed at the Annual General Meeting.

(7) RESPONSIBILITY STATEMENT

This circular, for which the Directors collectively and individually accept full responsibility, includes particulars given in compliance with the Listing Rules for the purpose of giving information with regard to the Company. The Directors, having made all reasonable enquiries, confirm that to the best of their knowledge and belief, the information contained in this circular is accurate and complete in all material respects and not misleading or deceptive, and there are no other matters the omission of which would make any statement herein or this circular misleading.

(8) RECOMMENDATION

The Directors consider that the proposals for (i) granting of general mandates to the Directors to issue and repurchase Shares; (ii) re-election of retiring Directors; (iii) adoption of the New Share Option Scheme and termination of the Existing Share Option Scheme; and (iv) the Increase in Authorised Share Capital are in the best interests of the Company and the Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of the relevant ordinary resolutions to be proposed at the Annual General Meeting in respect thereof.

Yours faithfully,
For and on behalf of
**Shougang Concord International
Enterprises Company Limited**
Li Shaofeng
Managing Director

This is an explanatory statement given to all Shareholders relating to a resolution to be proposed at the Annual General Meeting for approving the Repurchase Mandate.

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) and other relevant provisions of the Listing Rules which is set out as follows:

1. SHAREHOLDERS' APPROVAL

All proposed repurchases of shares by a company with a primary listing on the Stock Exchange must be approved in advance by an ordinary resolution, either by way of general mandate or by special approval of a particular transaction. The Company's sole listing is on the Stock Exchange.

2. SOURCE OF FUNDS

Repurchases must be funded out of funds legally available for the purpose in accordance with the memorandum and articles of association of the Company and the Companies Ordinance. The Companies Ordinance provides that the amount of capital repaid in connection with a share repurchase may only be paid from the distributable profits of the Company and/or the proceeds of a new issue of Shares made for the purpose of the repurchase to such extent allowable under the Companies Ordinance.

3. EXERCISE OF THE REPURCHASE MANDATE

The Shares proposed to be repurchased by the Company must be fully paid up. Under the Listing Rules, the total number of shares which a company is authorised to repurchase on the Stock Exchange is shares representing up to a maximum of 10% of the existing issued share capital as at the date of the resolution granting such general mandate. Exercise in full of the Repurchase Mandate, on the basis of 8,953,306,227 Shares in issue as at the Latest Practicable Date and assuming no Shares are issued and repurchased by the Company prior to the Annual General Meeting, could result in up to 895,330,622 Shares, which represents 10% of the issued share capital of the Company as at the Latest Practicable Date, being repurchased by the Company during the period from the passing of the resolution granting the Repurchase Mandate up to the conclusion of the next annual general meeting of the Company or the expiration of the period within the next annual general meeting of the Company as required by the applicable laws of Hong Kong to be held, or when revoked or varied by an ordinary resolution of Shareholders in general meeting, whichever occurs first.

4. REASONS FOR REPURCHASE

Although the Directors have no present intention of repurchasing any Shares, they believe that it is in the best interests of the Company and the Shareholders to have a general authority from Shareholders to enable the Directors to purchase Shares on the market. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made when the Directors believe that such repurchases will benefit the Company and the Shareholders.

5. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws of Hong Kong.

The exercise in full of the Repurchase Mandate might have a material adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in its most recent audited accounts for the year ended 31 December 2011. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company.

6. GENERAL

- (a) None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates has any present intention, in the event that the Repurchase Mandate is approved by the Shareholders to sell the Shares to the Company or its Subsidiaries.
- (b) The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of Hong Kong.
- (c) If on exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for purposes of the Takeovers Code. As a result, a shareholder or a group of shareholders acting in concert could obtain or consolidate control of a repurchasing company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Shougang Holding and its associates were interested in approximately 48% of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full and no further Shares are issued during the proposed repurchase period, the interest held by Shougang Holding and its associates in the issued share capital of the Company will increase to approximately 53%. Such increase in the interest held by Shougang Holding and its associates in the Company would possibly give rise to an obligation to make a mandatory offer under the Takeovers Code. However, the Directors have no present intention to repurchase Shares to such extent that would give rise to Shougang Holding an obligation to make a mandatory offer under the Takeovers Code.

- (d) The Company has not repurchased any of its Shares (whether on the Stock Exchange or otherwise) in the six months preceding the Latest Practicable Date and will not repurchase its Shares if public float is less than 25%.

- (e) No connected person has notified the Company that he or she has a present intention to sell Shares to the Company, and no connected person has undertaken not to sell any of Shares held by him or her to the Company, in the event that the Repurchase Mandate is approved by the Shareholders.
- (f) The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months were as follows:

APPENDIX II PRINCIPAL TERMS OF THE NEW SHARE OPTION SCHEME

The following is a summary of the principal terms of the New Share Option Scheme to be adopted at the Annual General Meeting:

1. PURPOSE

The purpose of the New Share Option Scheme is to enable the Company to grant options to Eligible Participant(s) as incentives or rewards for their contribution or potential contribution to the Company and/or any of the Subsidiaries and/or any of the Invested Entities.

2. WHO MAY JOIN

The Board may, at its discretion, offer Eligible Participants, being full-time or part-time employees, executives, officers or directors (including executive and non-executive directors) of the Company or any of the Subsidiaries or any of the Invested Entities and any advisors, consultants, agents, suppliers, customers and distributors who, in the sole opinion of the Board, will contribute or have contributed to the Company and/or any of the Subsidiaries and/or any of the Invested Entities, options to subscribe for such number of new Shares as the Board may determine at an exercise price determined in accordance with paragraph 5 below. Upon acceptance of the option, the grantee shall pay HK\$1.00 to the Company by way of consideration for the grant.

3. MAXIMUM NUMBER OF SHARES

The maximum number of Shares which may be issued upon exercise of all options to be granted under the New Share Option Scheme and any other share option scheme(s) of the Company (which for this purpose, excludes the Existing Share Option Scheme) must not exceed 10% of the Shares in issue on the date of approval and adoption of the New Share Option Scheme by the Shareholders. Shares which would have been issuable pursuant to options which have lapsed in accordance with the terms of such share option scheme(s) will not be counted for the purpose of the 10% limit.

Subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting and/or such other requirements prescribed under the Listing Rules from time to time, the Board may:

- (a) refresh this limit at any time to 10% of the Shares in issue as at the date of the approval by the Shareholders in general meeting (options previously granted under any share option schemes of the Company (including those outstanding, cancelled, lapsed in accordance with such schemes or exercised options) will not be counted for the purpose of calculating the limit as refreshed); and/or
- (b) grant options beyond the 10% limit to Eligible Participants specifically identified by the Board whereupon the Company shall send a circular to the Shareholders containing, amongst others, a generic description of the specified participants who may be granted such options, the number and terms of the options to be granted and the purpose of granting options to the specified participants with an explanation as to how the terms of the options serve such purpose.

APPENDIX II PRINCIPAL TERMS OF THE NEW SHARE OPTION SCHEME

Notwithstanding the foregoing, the Shares which may be issued upon exercise of all outstanding options granted and yet to be exercised under the New Share Option Scheme and any other share option scheme(s) of the Company at any time shall not exceed 30% of the Shares in issue from time to time. No options shall be granted under any scheme(s) of the Company if this will result in the 30% limit being exceeded.

4. MAXIMUM NUMBER OF OPTIONS TO ANY ONE INDIVIDUAL

The total number of Shares issued and which may fall to be issued upon exercise of the options granted under the New Share Option Scheme and any other share option scheme(s) of the Company (including exercised, cancelled and outstanding options) to each Eligible Participant in any 12-month period up to the date of grant shall not exceed 1% of the Shares in issue as at the date of grant.

Any further grant of options in excess of this 1% limit shall be subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting with such Eligible Participant and his associates (as defined in the Listing Rules) abstaining from voting and/or other requirements prescribed under the Listing Rules from time to time.

5. PRICE OF SHARES

The subscription price for a Share in respect of any particular option granted under the New Share Option Scheme (which shall be payable upon exercise of the option) shall be such price as the Board in its absolute discretion shall determine, save that such price must be at least the higher of (a) the closing price of the Shares as stated in the Stock Exchange's daily quotations sheet on the date of grant, which must be a business day (and for this purpose shall be taken to be the date of the Board meeting at which the Board resolves to grant the proposed options); (b) the average closing price of the Shares as stated in the Stock Exchange's daily quotations sheets for the five business days immediately preceding the date of grant; and (c) the nominal value of a Share.

6. GRANTING OPTIONS TO CONNECTED PERSONS

Any grant of options to a director, chief executive or substantial shareholder of the Company or any of their respective associates (as defined in the Listing Rules) is required to be approved by the independent non-executive Directors (excluding the independent non-executive Director who is the grantee of the options).

If the Board determines to offer to grant options to a substantial shareholder (as defined in the Listing Rules) of the Company or any independent non-executive Director or their respective associates (as defined in the Listing Rules) which would result in the Shares issued and to be issued upon exercise of all options already granted and to be granted (including options exercised, cancelled and outstanding) to such person in the 12-month period up to and including the date of the offer of such grant:

- (a) representing in aggregate over 0.1% of the Shares in issue on the date of the grant; and
- (b) having an aggregate value in excess of HK\$5 million, based on the closing price of the Shares as stated in the daily quotations sheet of the Stock Exchange on the date of each grant,

such further grant of options shall be subject to the issue of a circular by the Company and the approval of the Shareholders in general meeting on a poll at which all connected persons of the Company shall abstain from voting in favour of the resolution concerning the grant of such options, and/or such other requirements prescribed under the Listing Rules from time to time. A connected person of the Company will be permitted to vote against the grant only if his intention to do so has been stated in the circular.

7. RESTRICTIONS ON THE TIME OF GRANT OF OPTIONS

A grant of options may not be made after a price-sensitive event has occurred or a price-sensitive matter has been the subject of a decision until such price-sensitive information has been announced pursuant to the requirements of the Listing Rules. In particular, no options shall be granted during the period commencing one month immediately preceding the earlier of (a) the date of the Board meeting for the approval of the Company's annual results, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and (b) the deadline for the Company to publish an announcement of results for any year or half-year period in accordance with the Listing Rules, and where the Company has elected to publish them, any quarterly or any other interim period, and ending on the date of actual publication of the results announcement.

9. TIME OF EXERCISE OF OPTION

There is no general requirement that an option must be held for any minimum period before it can be exercised but the Board is empowered to impose at its discretion any such minimum period at the time of grant of any particular option. The date of grant of any particular option is the date when the duplicate offer document constituting acceptance of the option duly signed by the grantee, together with a remittance in favour of the Company of HK\$1.00 by way of consideration is received by the Company, such date must be on or before the 30th day after the option is offered to the relevant grantee. The period during which an option may be exercised will be determined by the Board at its absolute discretion, save that no option may be exercised more than 10 years after it has been granted. No option may be granted more than 10 years after the date of adoption of the New Share Option Scheme. Subject to earlier termination by the Company in general meeting or by the Board, the New Share Option Scheme shall be valid and effective for a period of 10 years after the date of adoption of the New Share Option Scheme by the Shareholders by an ordinary resolution at a general meeting.

10. PERFORMANCE TARGET

The Board has the discretion to require a particular grantee to achieve certain performance targets specified at the time of grant before any option granted under the New Share Option Scheme can be exercised.

11. RIGHTS ON CEASING TO BE AN ELIGIBLE PARTICIPANT AND DEATH

- (a) In the event of the grantee ceasing to be an Eligible Participant for any reason other than on his death, ill-health, injury, disability or the termination of his relationship with the Company and/or any of the Subsidiaries and/or any of the Invested Entities on one or more of the grounds specified in paragraph 12 below, the grantee may exercise the option up to his entitlement (to the extent not already exercised) up to the date of cessation of being an Eligible Participant or such longer period as the Board may determine. In relation to a grantee who is an Eligible Participant by reason of his employment with the Company or any of the Subsidiaries or any of the Invested Entities, the date of cessation of being an Eligible Participant shall be the last actual working day with the Company or the relevant Subsidiary or the relevant Invested Entity whether salary is paid in lieu of notice or not.

12. LAPSE OF OPTION ON MISCONDUCT, BANKRUPTCY OR DISMISSAL ETC.

If a grantee ceases to be an Eligible Participant by reason of the termination of his relationship with the Company and/or any of the Subsidiaries and/or any of the Invested Entities on any one or more of the grounds that he or she has been guilty of serious misconduct; or has been convicted of any criminal offence involving his integrity or honesty or in relation to an employee of the Company and/or any of the Subsidiaries and/or any of the Invested Entities; or has become insolvent, bankrupt or has made any arrangements or compositions with his creditors generally; or on any other ground as determined by the Board that would warrant the termination of his employment at common law or pursuant to any applicable laws or under the grantee's service contract with the Company or the relevant Subsidiary or the relevant Invested Entity, his option will lapse automatically and not be exercisable on the date of termination of his relationship with the Company and/or any of the Subsidiaries and/or any of the Invested Entities.

14. RIGHTS ON SCHEME OF ARRANGEMENT FOR THE COMPANY

If, pursuant to the Companies Ordinance, a compromise or arrangement between the Company and its members and/or creditors is proposed for the purposes of or in connection with a scheme for the reconstruction of the Company or its amalgamation with any other company or companies, the Company shall give notice thereof to all the grantees (together with a notice of the existence of the provisions of this paragraph) on the same day as it despatches to members and/or creditors of the Company a notice summoning the meeting to consider such a compromise or arrangement, and thereupon each grantee shall be entitled to exercise all or any of his options in whole or in part at any time prior to 12 noon (Hong Kong time) on the business day immediately preceding the date of the meeting directed to be convened by the relevant court for the purposes of considering such compromise or arrangement and if there are more than one meeting for such purpose, the date of the first meeting. With effect from the date of such meeting, all options shall, to the extent that they have not been exercised, lapse and determine. The Board shall endeavour to procure that the Shares issued as a result of the exercise of options in such circumstances shall for the purposes of such compromise or arrangement form part of the issued share capital of the Company on the effective date thereof and that such Shares shall in all respects be subject to such compromise or arrangement.

15. RIGHTS ON WINDING-UP

In the event of a notice is given by the Company to its members to convene a general meeting for the purposes of considering, and if thought fit, approving a resolution to voluntarily wind-up the Company, the Company shall on the same date as or soon after it despatches such notice to each member of the Company give notice thereof to all grantees and thereupon, each grantee or his legal personal representative(s) shall be entitled to exercise all or any of his options at any time not later than two business days prior to the proposed general meeting of the Company by giving notice in writing to the Company, accompanied by a remittance for the full amount of the aggregate exercise price for the Shares in respect of which the notice is given whereupon the Company shall as soon as possible and, in any event, no later than the business day immediately prior to the date of the proposed general meeting referred to above, allot the relevant Shares to the grantee credited as fully paid and register the grantee as holder thereof.

16. LAPSE OF THE OPTIONS

An option shall lapse automatically and not be exercisable (to the extent not already exercised) on the earliest of:

- (a) the expiry date relevant to that option;
- (b) the expiry of any of the periods referred to in paragraph 11(b), 13, 14 or 15 above;
- (c) the date on which the scheme of arrangement of the Company referred to in paragraph 14 above becomes effective;

- (e) the date on which the grantee ceases to be an Eligible Participant by reason of the termination of his relationship with the Company and/or any of the Subsidiaries and/or any of the Invested Entities on any one or more of the grounds specified in paragraph 11(a) or 12 above. A resolution of the Board or the board of directors of the relevant Subsidiary or the board of directors of the relevant Invested Entity to the effect that the relationship of a grantee has or has not been terminated on one or more of the grounds specified in paragraph 11(a) or 12 above shall be conclusive; and

Subject to the aforesaid, the Shares to be allotted upon the exercise of an option shall rank *pari passu* in all aspects with and shall have the same voting, dividend, transfer and other rights, including those arising on liquidation of the Company as attached to the fully-paid Shares in issue on the date of issue.

Any such alterations will be made on the basis that a grantee shall have the same proportion of the equity capital of the Company for which any grantee of an option was entitled to subscribe pursuant to the options held by him before such alteration and the aggregate subscription price payable on the full exercise of any option shall remain as nearly as possible the same as (and in any event not greater than) it was before such event. No such alteration shall be made the effect of which would be to enable a Share to be issued at less than its nominal value. The issue of securities as consideration in a transaction is not to be regarded as a circumstance requiring any such alterations.

19. ALTERATION OF NEW SHARE OPTION SCHEME

The New Share Option Scheme may be altered in any respect by resolution of the Board except that:

- (a) any alteration to the advantage of the grantees or the Eligible Participants (as the case may be) in respect of the matters contained in Rule 17.03 of the Listing Rules; or

Options granted prior to such termination shall continue to be valid and exercisable in accordance with the New Share Option Scheme.

22. DISCLOSURE IN ANNUAL AND INTERIM REPORTS

The Company shall disclose details of the New Share Option Scheme and other schemes of the Company and its Subsidiaries in its annual and interim reports of the Company in compliance with the Listing Rules in force from time to time.
