VOLUNTARY ANNOUNCEMENT ON THE LATEST DEVELOPMENT OF AIGC BUSINESS

This announcement is made by Smart Fish Wealthlink Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) on a voluntary basis to keep the shareholders and potential investors of the Company informed of the latest development of the AIGC short drama of the Group.

The Group is pleased to announce that the Company’s investments in AIGC technology have yielded initial capabilities in script creation, dialogue dubbing, and special effects synthesis, demonstrating the significant efficiency gains brought by AIGC technology to short drama production.

Recently, the Group has produced five short dramas with AIGC technology, including My Two Cute Babies from the Underworld (《我家倆萌寶來自地府》), Fear the Little Judge: The Tyrant’s Favorite (《小小判官不好惹·暴君爹爹寵上天》), My Techniques Can Cultivate Themselves (《我的功法能自己修煉》), Heaven-Sent Little Mythical Beast, Farm Reclamation Begins (《天降小神獸·農場開荒啦》), and Chatty Cute Baby Little Koi (《碎嘴萌寶小錦鯉》). Compared to purely live-action short dramas, the average production cost per title is reduced by approximately half, and the production cycle is shortened by about two-thirds.

The Board believes that AIGC technology will bring revolutionary impacts to the short drama industry by reducing costs and enhancing efficiency. The Group will continue to advance the deep integration of technological innovation and content creation, steadily increase investment in AIGC research and development, cultivate core competitiveness, provide users with richer and more innovative content experiences, and create long-term value for shareholders.
