To the Shareholders

Dear Sir or Madam,

PROPOSED CAPITAL REORGANISATION AND PROPOSED CHANGE IN BOARD LOT SIZE

INTRODUCTION

Reference is made to the announcements of the Company dated 19 August 2025 in relation to, among others, the Capital Reorganisation and the Change in Board Lot Size.

LETTER FROM THE BOARD

The purpose of this circular is to provide you with, among other things, (i) details of the Capital Reorganisation and the Change in Board Lot Size; and (ii) the notice of SGM.

PROPOSED CAPITAL REORGANISATION

The Board proposes to implement the Capital Reorganisation involving:

- (i) the Share Consolidation whereby every twenty (20) issued and unissued Existing Shares will be consolidated into one (1) Consolidated Share;
- (ii) the Capital Reduction whereby the issued share capital of the Company will be reduced by (a) rounding down the total number of Consolidated Shares to the nearest whole number (if necessary); and (b) cancelling the paid up capital of the Company to the extent of HK\$0.19 on each of the then issued Consolidated Shares such that the par value of each issued Consolidated Share will be reduced from HK\$0.20 to HK\$0.01;
- (iii) each authorised but unissued Consolidated Share (including the authorised unissued Consolidated Share arising from the Capital Reduction) of par value of HK\$0.20 will be sub-divided into twenty (20) New Shares of par value of HK\$0.01 each, so that immediately following the Capital Reorganisation, the authorised share capital of the Company will remain at HK\$800,000,000 divided into 80,000,000,000 New Shares; and
- (iv) the transfer of all the credits arising from the Capital Reduction to the contributed surplus account of the Company.

Effects of the Capital Reorganisation

As at the Latest Practicable Date, the total authorised share capital of the Company is HK\$800,000,000, which is divided into 80,000,000,000 Shares of par value of HK\$0.01 each, of which 20,475,580,057 Existing Shares have been allotted and issued as fully paid or credited as fully paid.

On the assumption that there is no change in the issued share capital prior to the date of the SGM and upon the Capital Reorganisation becoming effective, the authorised share capital of the Company shall remain at HK\$800,000,000 which will be divided into 80,000,000,000 New Shares of par value of HK\$0.01 each, of which 1,023,779,002 New Shares shall be in issue and fully paid or credited as fully paid, and a credit of approximately HK\$194,518,000 arising from the Capital Reduction will be transferred to the contributed surplus account of the Company.

LETTER FROM THE BOARD

Assuming that there will be no change in the issued share capital of the Company from the Latest Practicable Date up to the effective date of the Capital Reorganisation, the share capital structure of the Company (i) as at the Latest Practicable Date; (ii) immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction and the Share Sub-division becoming effective; and (iii) immediately upon the Capital Reduction and the Share Sub-division becoming effective are summarised as follows:

	As at the Latest Practicable Date	Immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction and the Share Sub-division becoming effective	Immediately upon the Capital Reduction and the Share Sub-division becoming effective

Status of the New Shares

Upon the Capital Reorganisation becoming effective, the issued New Shares will rank *pari passu* in all respects with each other in the same class in accordance with the Bye-laws. The Capital Reorganisation will not result in any change in the relative rights or proportionate interests of the holders of shares of the same class.

Other than the expenses incurred in relation to the Capital Reorganisation, its implementation will not in itself, alter the underlying assets, business operations, management or financial position of the Group or the proportionate interests or rights of the Shareholders.

LETTER FROM THE BOARD

Conditions of the Capital Reorganisation

The Capital Reorganisation is conditional upon:

- (a) the passing of special resolution by the Shareholders at the SGM to approve the Capital Reorganisation;
- (b) the Stock Exchange granting the listing of, and permission to deal in, the New Shares arising from the Capital Reorganisation; and
- (c) the compliance with the relevant procedures and requirements under the applicable Bermuda law and the Listing Rules to effect the Share Consolidation.

Subject to the satisfaction of the above conditions, it is expected that the Capital Reorganisation will become effect on the second Business Day following the date of the SGM. As at the Latest Practicable Date, none of the conditions above have been fulfilled.

Listing Application

An application will be made by the Company to the Stock Exchange for the listing of, and permission to deal in, the New Shares in issue and to be issued upon the Capital Reorganisation becoming effective.

Subject to the granting of the listing of, and permission to deal in, the New Shares on the Stock Exchange, as well as compliance with the stock admission requirements of HKSCC, the New Shares will be accepted as eligible securities by HKSCC for deposit, clearance and settlement in CCASS with effect from the commencement date of dealings in the New Shares on the Stock Exchange or such other date as determined by HKSCC. Settlement of transactions between participants of the Stock Exchange on any trading day is required to take place in CCASS on the second settlement day thereafter. All activities under CCASS are subject to the General Rules of HKSCC and HKSCC Operational Procedures in effect from time to time. All necessary arrangements will be made for the New Shares to be admitted into CCASS established and operated by HKSCC.

None of the Existing Shares are listed or dealt in on any other stock exchange other than the Stock Exchange, and at the time the Capital Reorganisation becomes effective, the New Shares in issue will not be listed or dealt in on any stock exchange other than the Stock Exchange, and no such listing or permission to deal is being or is proposed to be sought.

As at the Latest Practicable Date, the Company has no outstanding options, warrants or other securities convertible into Existing Shares and/or New Shares.

LETTER FROM THE BOARD

As at the Latest Practicable Date, the Company has no intention to carry out other corporate actions in the next twelve months which may have an effect of undermining or negating the intended purpose of the Capital Reorganisation, and the Company does not have any concrete plan to conduct any fundraising activities in the next twelve months. However, the Board will not rule out the possibility of any fundraising activities it may consider when it is reasonably necessary for the Group to raise fund to meet its operational needs or for future development of the Group. The Company will make further announcement(s) in this regard in accordance with the Listing Rules as and when appropriate.

PROPOSED CHANGE IN BOARD LOT SIZE

As at the Latest Practicable Date, the Existing Shares are traded on the Stock Exchange in board lot size of 14,000 Existing Shares. It is proposed that, subject to and conditional upon the Capital Reorganisation becoming effective, the board lot size for trading on the Stock Exchange be changed from 14,000 Existing Shares to 10,000 New Shares.

Based on the closing price of HK\$0.016 per Existing Share as quoted on the Stock Exchange as at the Latest Practicable Date, the value of each board lot of 14,000 Existing Shares is HK\$224 and the value of each board lot of 10,000 New Shares, assuming the Capital Reorganisation had already been effective would be HK\$3,200.

Reference is made to the announcement of the Company dated 12 May 2025 in relation to the proposed distribution of 24,863,000 shares of GIBO Holdings Limited (each a “**GIBO Share**”) held by the Group to the qualifying shareholders. Subject to the fulfillment of conditions of the proposed distribution, assuming that there will be no change in shareholdings of the Company since the Latest Practicable Date other than the Capital Reorganisation and up to the record date, Shareholders shall receive approximately 242 GIBO Shares for every 10,000 Shares held by the Shareholders. For the avoidance of doubt, the proposed distribution shall be subject to fulfillment of conditions and may or may not be materialised.

REASONS FOR THE CAPITAL REORGANISATION AND THE PROPOSED CHANGE IN BOARD LOT SIZE

Pursuant to Rule 13.64 of the Listing Rules, where the market price of the securities of an issuer approaches the extremities of HK\$0.01 or HK\$9,995.00, the issuer may be required either to change the trading method or to proceed with a consolidation or splitting of its securities. The “Guide on Trading Arrangements for Selected Types of Corporate Actions” (the “**Guide**”) issued by Hong Kong Exchanges and Clearing Limited on 28 November 2008 and last updated in September 2024 has further stated that (i) market price of the shares at a level less than HK\$0.10 will be considered as trading at extremity as referred to under Rule 13.64 of the Listing Rules; and (ii) taking into account the minimum transaction costs for a securities trade, the expected board lot value should be greater than HK\$2,000.

LETTER FROM THE BOARD

The Shares have been trading at prices below HK\$0.1, and the value of each board lot has remained below HK\$2,000 during the past six months. In view of the above, the Board considers that the implementation of the Share Consolidation and the Change in Board Lot Size will bring about a corresponding upward adjustment in the trading price of the New Shares on the Stock Exchange and the board lot value of the New Shares, thereby enabling the Company to comply with the trading requirements under the Listing Rules as well as the Guide. With a corresponding upward adjustment in the trading price of the New Shares and an increase in the net asset value per Share, the Board believes that the Share Consolidation will enhance the corporate image of the Company so as to make investing in the Shares more attractive to a broader range of prospective investors, and therefore further broaden the shareholder base of the Company. Further, the Share Consolidation and the Change in Board Lot Size will also reduce the overall transaction and handling costs of dealings in the Shares as a proportion of the market value of each board lot since most of the banks or securities firms will charge a minimum transaction fee for each securities trade.

Pursuant to the Bye-laws, no Shares shall be issued at a discount to their nominal value. Immediately upon the Share Consolidation becoming effective but prior to the Capital Reduction and the Share Sub-division becoming effective, the par value of the Consolidated Shares will be HK\$0.20 per Consolidated Share. The Capital Reduction and the Share Sub-division will keep the par value of the New Shares at a lower level of HK\$0.01 per New Share, which allows greater flexibility in the pricing for any issue of new Shares in the future. The credit in the contributed surplus account arising from the Capital Reduction may be applied for setting off part of the accumulated loss of the Company or in other manner permitted under all applicable laws of Bermuda and the Bye-laws.

Other than the expenses to be incurred in relation to the Capital Reorganisation and the Change in Board Lot Size, the implementation of the Capital Reorganisation and the Change in Board Lot Size will have no effect on the consolidated net asset value of the Group, nor will it alter the underlying assets, business operations, management or financial position of the Company or the proportionate interests or rights of the Shareholders, save that any fractional New Shares will not be allocated to the Shareholders who may otherwise be entitled. Although the Share Consolidation and the Change in Board Lot Size may lead to the creation of odd lots of Shares, the Company will appoint an agent to provide matching services for odd lots of Shares for a period of not less than three weeks, which will alleviate the difficulties caused by the creation of odd lots of Shares.

Based on the reasons above, the Board considers that the Capital Reorganisation and the Change in Board Lot Size are fair and reasonable and in the interests of the Company and the Shareholders as a whole.

LETTER FROM THE BOARD

OTHER ARRANGEMENTS

Arrangement for odd lot trading

In order to facilitate the trading of odd lots (if any) of the New Shares, the Company has appointed a securities firm to provide a matching service, on a best effort basis, to those Shareholders who wish to acquire odd lots of the New Shares to make up a full board lot, or to dispose of their holding of odd lots of the New Shares.

Holders of odd lots of the New Shares who wish to take advantage of this facility either to dispose of their odd lots of the New Shares or top up to a full board lot may, directly or through their brokers, contact Chan Yi Sum of Central Wealth Securities Investment Limited of 5/F, Phase II, China Taiping Tower, 8 Sunning Road, Causeway Bay, Hong Kong by phone at (852) 3958 4625 during the period from 10 October 2025 to 31 October 2025. Holders of odd lots of the New Shares should note that successful matching of the sale and purchase of odd lots of the New Shares is not guaranteed. Any Shareholder, who is in any doubt about the odd lot arrangement, is recommended to consult his/her/its own professional advisers.

Holders of odd lots of the New Shares should note that the matching of the sale and purchase of odd lots of the New Shares is not guaranteed. Shareholders who are in any doubt about the odd lots matching arrangement are recommended to consult their own professional advisers.

Fractional entitlement to the New Shares

Fractional New Shares (if any) will be disregarded and will not be issued to the Shareholders but all such fractional New Shares will be aggregated and, if possible, sold and retained for the benefits of the Company.

Exchange of certificates for New Shares

Subject to the Capital Reorganisation becoming effective, which is currently expected to be Wednesday, 24 September 2025, Shareholders may on or after 24 September 2025 and until Tuesday, 4 November 2025 (both days inclusive), submit their existing share certificates in orange colour for the Existing Shares to the Company's branch share registrar in Hong Kong, Tricor Investor Services Limited at 17th Floor, Far East Finance Centre, 16 Harcourt Road, Hong Kong for exchange for new share certificates in blue colour for the New Shares at the expense of the Company.

LETTER FROM THE BOARD

Shareholders should note that after the prescribed time for free exchange of share certificates, a fee of HK\$2.50 (or such higher amount as may from time to time be allowed by the Stock Exchange) will be payable by the Shareholders to the Company's branch share registrar for each share certificate issued for the New Shares or each share certificate for the Existing Shares submitted for cancellation, whichever the number of share certificates issued or cancelled is higher.

Subject to the Capital Reorganisation becoming effective, after 4:10 p.m. on Friday, 31 October 2025, trading will only be in New Shares which share certificates will be issued in blue colour. Existing share certificates in orange colour for the Existing Shares will cease to be valid for delivery, trading and settlement purpose, but will remain valid and effective as documents of title.
