Your attention is drawn to the additional information set out in the appendices to this circular: Appendix I – Explanatory Statement on the Buyback Mandate and Appendix II – Details of the Retiring Directors Proposed to be Re-elected at the 2026 AGM.

Yours faithfully
On behalf of the Board
Smart Fish Wealthlink Holdings Limited
Chen Xiaodong
Executive Director

The following is an explanatory statement required by the Listing Rules to provide the Shareholders with requisite information reasonably necessary for them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the 2026 AGM in relation to the granting of the Buyback Mandate.

1. REASONS FOR BUYBACK OF SHARES

The Directors believe that the granting of the Buyback Mandate is in the interests of the Company and the Shareholders.

Repurchases of Shares may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the granting of the Buyback Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,228,534,802 Shares and the Company did not have any treasury Shares.

Subject to the passing of the ordinary resolution set out in item 9 of the notice of the 2026 AGM in respect of the granting of the Buyback Mandate and on the basis that the issued share capital of the Company remains unchanged from the Latest Practicable Date to the date of the 2026 AGM, the Directors would be authorized under the Buyback Mandate to repurchase, during the period in which the Buyback Mandate remains in force, a total number of 122,853,480 Shares, representing 10% of the total number of issued Shares (excluding treasury Shares) as at the date of the 2026 AGM.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with its Memorandum of Association and Bye-laws, the laws of Bermuda, and/or any other applicable laws, as the case may be.

4. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts contained in the annual report of the Company for the year ended 31 December 2025) in the event that the Buyback Mandate was to be carried out in full at any time during the proposed repurchase period. However, the Directors do not intend to exercise the Buyback Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time befitting the Company.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares pursuant to the Buyback Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code for all the Shares not already owned by such Shareholder or group of Shareholders.

The Directors are not aware of any consequences which will arise under the Takeovers Code as a result of any repurchases to be made under the Buyback Mandate.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Buyback Mandate is approved by the Shareholders.

The Company may cancel such repurchased Shares or hold them as treasury Shares, subject to market conditions, its Bye-laws and the Group's capital management needs at the relevant time of the repurchases.

For any treasury Shares deposited with CCASS pending resale on the Stock Exchange, the Company shall (i) procure its broker not to give any instructions to HKSCC to vote at general meetings of the Company for the treasury Shares deposited with CCASS; and (ii) in the case of dividends or distributions, withdraw the treasury Shares from CCASS, and either re-register them in its own name as treasury Shares or cancel them, in each case before the record date for the dividends or distributions, or take any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury Shares.

The Directors will exercise the power of the Company to make repurchases of Shares pursuant to the Buyback Mandate in accordance with the Listing Rules and the applicable laws of Bermuda. In addition, the Company has confirmed that neither the Explanatory Statement nor the proposed share repurchase has any unusual features.

APPENDIX I EXPLANATORY STATEMENT ON THE BUYBACK MANDATE
