VOLUNTARY ANNOUNCEMENT UPDATE ON PRODUCT DEVELOPMENT

The board of directors (the “Board”) of SSY Group Limited (the “Company”, together with its subsidiaries, the “Group”) is pleased to announce that the Group’s Lacosamide has obtained the approval for registration from the National Medical Products Administration of China to become a bulk drug for the preparations on the market.

As stated in the Company’s announcement dated 11 October 2021, the Group has obtained the approval for drug production and registration for Lacosamide Tablets (50mg and 100mg) from the National Medical Products Administration of China. Lacosamide can regulate the activity of sodium ion channels, reduce the inward flow of sodium ions effectively and lower the excitability of neurons, so as to achieve the purpose of treating epilepsy. It is mainly used as monotherapy and combination therapy for partial-onset seizures in patients with epilepsy aged 4 years or above.

This announcement is a voluntary announcement made by the Company to keep the shareholders and potential investors informed of the latest business development of the Group.

By order of the Board
