7th April 2020

To the shareholders

Dear Sir or Madam,

NOTICE OF MEETING

1. Notice of the annual general meeting (“AGM”) for 2020 is set out on pages 5 to 6 of this circular. Enclosed with this circular is a form of proxy for use at that meeting. Whether or not you intend to be present at the AGM you are requested to complete the form of proxy and return it to the Registrars of the Company in accordance with the instructions printed thereon not less than 48 hours before the time fixed for holding that meeting.
2. The completion of a form of proxy and returning it to the Registrars of the Company will not preclude you from attending and voting in person at the meeting and, in such event, the appointment of the proxy will be deemed to be revoked.

COVID-19

3. **The AGM is being held at the Island Shangri-La hotel in Hong Kong. We understand that the hotel may refuse entry to the hotel by persons who fail temperatures checks. Persons so refused entry to the hotel will not be able to attend the AGM. Persons attending the AGM will be required to wear surgical face masks on entry to and throughout the meeting. Additional precautionary safety measures may also be adopted. Shareholders are in any event asked (i) to consider carefully the risk of attending the AGM, which will be held in an enclosed environment, (ii) to follow any guidelines or requirements of the Hong Kong government relating to COVID-19 in deciding whether or not to attend the AGM and (iii) not to attend the AGM if they have contracted or are suspected to have contracted COVID-19 or have been in close contact with anybody who has contracted or is suspected to have contracted COVID-19. No refreshments will be served at the AGM. As a precautionary safety measure, seating at the AGM will be arranged so as to reduce interaction between participants. As a result, there will be limited capacity for shareholders to attend the AGM. Shareholders are reminded that attendance at the AGM in person is not necessary for the purpose of exercising voting rights. They may (as indicated in paragraph 1 above) appoint proxies to vote on their behalf.**

GENERAL MANDATES

4. At the AGM of the Company held on 14th May 2019, ordinary resolutions were passed giving general mandates to Directors (i) to make on-market share buy-backs (within the meaning of the Code on Share Buy-backs) of up to 10 per cent of the number of shares of the Company in issue at 14th May 2019; and (ii) to allot, issue and otherwise deal with additional shares equal to 20 per cent of the number of shares of the Company in issue at 14th May 2019 provided that the aggregate number of the shares which may be allotted wholly for cash shall not exceed 5 per cent of the number of shares in issue at 14th May 2019.
5. Under the Companies Ordinance and the Rules Governing the Listing of Securities on the Stock Exchange (“Listing Rules”), these general mandates lapse at the conclusion of the AGM for 2020, unless renewed at that meeting. Resolutions (Resolutions 3 and 4) will be proposed to renew the mandates for on-market share buy-backs and issues of additional shares. The Explanatory Statement required by the Listing Rules to be sent to shareholders in connection with the proposed buy-back resolution is set out in the Appendix to this circular.

ELECTION/RE-ELECTION OF DIRECTORS

6. In relation to Resolution 1, L.K.L. Cheng, R.S.K. Lim, M.M.S. Low and M.Y. Wu, who will retire at the forthcoming AGM, will offer themselves for re-election in accordance with Article 93 of the Company’s Articles of Association. T.T.K. Choi and J.L. Wang, who have been appointed as Directors of the Company since the last AGM, will also retire and will offer themselves for election in accordance with Article 91 of the Company’s Articles of Association.

7. On 10th March 2020, the Board, having reviewed the Board's composition, nominated L.K.L. Cheng, T.T.K. Choi, R.S.K. Lim, M.M.S. Low, J.L. Wang and M.Y. Wu for recommendation to shareholders for election/re-election at the AGM for 2020. The nominations were made in accordance with objective criteria (including gender, age, cultural and educational background, ethnicity, professional experience, skills, knowledge, length of service and the legitimate interests of the Company's principal shareholders), with due regard for the benefits of diversity, as set out in the board diversity policy. The Board also took into account the respective contributions of L.K.L. Cheng, T.T.K. Choi, R.S.K. Lim, M.M.S. Low, J.L. Wang and M.Y. Wu to the Board and their firm commitment to their roles.
8. L.K.L. Cheng, T.T.K. Choi, J.L. Wang and M.Y. Wu are Independent Non-Executive Directors and have fulfilled all the factors for assessing independence set out in Rule 3.13 of the Listing Rules. The Board is satisfied with the independence of L.K.L. Cheng, T.T.K. Choi, J.L. Wang and M.Y. Wu having regard to the criteria laid down in the Listing Rules. None of the Independent Non-Executive Directors holds cross-directorships or has significant links with other Directors through involvements in other companies or bodies.
9. Separate resolutions will be proposed for the election/re-election of these Directors. Their particulars and interests in the shares of the Company are provided in the "Directors and Officers" and the "Directors' Report" sections in the Company's Annual Report 2019 which accompanies this circular. Other than as disclosed therein, they are not related to any Director, members of the senior management or substantial shareholder of the Company.

L.K.L. Cheng was a director of SPLCO Limited (formerly known as Splashpower Limited) ("SPLCO"), a private company incorporated in England and Wales that engaged in the development of electromagnetic wireless power transfer technologies until its dissolution on 31st January 2010. The dissolution was the result of an orderly winding down of the business through, initially, the appointment of administrators in March 2008 to facilitate the sale of the business and assets (ultimately to Alticor Inc.), followed by a creditors' voluntary liquidation process. All creditors of SPLCO were paid in full.

10. Each of the persons proposed for election/re-election as Directors has entered into a letter of appointment, which constitutes a service contract, with the Company. In accordance with the Company's Articles of Association, they will retire at the third AGM after election/re-election and will be eligible for re-election.
11. L.K.L. Cheng, T.T.K. Choi, J.L. Wang and M.Y. Wu, Independent Non-Executive Directors, and R.S.K. Lim, a Non-Executive Director, are entitled to the Director's fee determined by the Board. M.M.S. Low, a Non-Executive Director, does not receive any emolument or director's fees from the Company.
12. The Company's remuneration policy and the fees paid to Directors are set out in the "Corporate Governance" section of the Company's Annual Report 2019 and particulars of all the Directors' remuneration are given in note 9 to the Financial Statements.
13. Save for the information set out in paragraphs 6 to 12 above, there is no information to be disclosed pursuant to any of the requirements of paragraphs 13.51(2)(h) to 13.51(2)(v) of the Listing Rules nor are there other matters that needs to be brought to the attention of shareholders in respect of the persons proposed for election/re-election as Directors at the 2020 AGM.
14. Your Directors believe that the proposals described in this document are in the interests of the Company and its shareholders and accordingly recommend you to vote in favour of all of the resolutions to be proposed at the 2020 AGM.

Yours faithfully,

Merlin Swire
Chairman

APPENDIX

The following is the Explanatory Statement required to be sent to shareholders under the Listing Rules in connection with the proposed general mandate for buy-backs of shares and also constitutes the Memorandum required under section 239 of the Companies Ordinance.

1. It is proposed that up to 10 per cent of the Company's shares in issue at the date of the passing of the resolution to approve the general mandate may be bought back. As at 13th March 2020, the latest practicable date for determining such figure ("Latest Practicable Date"), the number of shares in issue was 5,850,000,000. On the basis of this figure (and assuming no shares are issued or bought back after 13th March 2020 and up to the date of passing such resolution) the Directors would be authorised to buy back up to 585,000,000 shares.
2. The Directors believe that the ability to buy back shares is in the interests of the Company and its shareholders.

Buy-backs may, depending on the circumstances, result in an increase in net assets and/or earnings per share. The Directors are seeking the grant of a general mandate to buy back shares to give the Company the flexibility to do so if and when appropriate. The number of shares to be bought back on any occasion and the price and other terms upon which the same are bought back will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

3. It is envisaged that the funds required for any buy-back would be derived from the distributable profits of the Company.
4. There could be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its published audited financial statements for the year ended 31st December 2019) in the event that the proposed share buy-backs were to be carried out in full at any time during the proposed buy-back period. However, the Directors do not propose to exercise the general mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.
5. There are no Directors or (to the best of the knowledge of the Directors, having made all reasonable enquiries) any close associates (as defined in the Listing Rules) of Directors who have a present intention, in the event that the general mandate is granted by shareholders, to sell shares to the Company.
6. The Directors have undertaken to the Stock Exchange to exercise the power of the Company to buy back its own shares pursuant to the general mandate in accordance with the Listing Rules and the laws of Hong Kong.
7. If as the result of a buy-back of shares a shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for purposes of the Hong Kong Code on Takeovers and Mergers ("Takeovers Code"). As a result, a shareholder, or group of shareholders acting in concert could, depending on the level of increase of shareholders' interest, obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

8. Listing Rule 8.08(1) of the Listing Rules requires that at least 25% of an issuer's total number of issued shares must at all times be held by the public. The Company has been granted by the Stock Exchange a waiver from strict compliance with Listing Rule 8.08(1) so as to allow a lower public float percentage of 10% (or such higher percentage as may have been held by the public upon completion of the spin-off of the Company). Immediately upon completion of the spin-off of the Company by way of a separate listing of the shares of the Company on the Main Board of the Stock Exchange on 18th January 2012, the public float percentage was approximately 10.28%.

The Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any buy-backs pursuant to the general buy-back mandate. In the event of full exercise of the buy-back mandate and the maintenance by Swire Pacific Limited of its present direct shareholding (amounting to approximately 82% of the total number of issued shares of the Company at the Latest Practicable Date) the present interest in 4,796,765,835 shares of the Company held by Swire Pacific Limited would exceed 89.72% and the percentage of the Company's total number of issued shares held by the public would fall below 10.28%. However, the Directors have no current intention to exercise the buy-back mandate to such an extent as would give rise to this situation.

9. No shares have been bought back by the Company in the previous six months (whether on the Stock Exchange or otherwise).
10. No core connected persons (as defined in the Listing Rules) of the Company have notified it of a present intention to sell shares of the Company to the Company and no such persons have undertaken not to sell any such shares to the Company in the event that the general mandate is granted by shareholders.
11. The highest and lowest prices at which shares of the Company have traded on the Stock Exchange in each of the previous twelve months are as follows:

	Highest (HK\$)	Lowest (HK\$)
March 2019	33.26	30.63
April 2019	33.69	30.95
May 2019	33.22	30.45
June 2019	33.72	30.45
July 2019	32.13	27.83
August 2019	28.18	24.87
September 2019	27.35	23.80
October 2019	25.15	22.90
November 2019	25.45	22.50
December 2019	26.10	24.25
January 2020	27.80	24.25
February 2020	25.50	22.80
1st – 13th March 2020	24.35	20.60
