Each category will need to be disclosed individually with sufficient information to enable the user to identify the relevant category in the listed issuer's Monthly Return. For example, multiple issues of shares as a result of multiple exercises of share options under the same share option scheme or of multiple conversions under the same convertible note must be aggregated and disclosed as one category. However, if the issues resulted from exercises of share options under 2 share option schemes or conversions of 2 convertible notes, these must be disclosed as 2 separate categories.*

4. *In the case of a share repurchase or redemption, the "issue/ selling price per share" shall be construed as "repurchase price per share" or "redemption price per share".*
Where shares have been issued/ sold/ repurchased/ redeemed at more than one price per share, a volume-weighted average price per share should be given.
5. *The closing balance date is the date of the last relevant event being disclosed.*

8. *"Identical" means in this context:*

- *the securities are of the same nominal value with the same amount called up or paid up;*
- *they are entitled to dividend/interest at the same rate and for the same period, so that at the next ensuing distribution, the dividend/interest payable per unit will amount to exactly the same sum (gross and net); and*
