### RECOMMENDATION

The Board considers that the proposals mentioned above, including the proposals for the re-election of Directors, the grant of general mandates to issue Shares and to repurchase Shares, are in the interest of the Company and the Shareholders as a whole. Accordingly, the Board recommends that the Shareholders to vote in favour of the resolutions to be proposed at the Annual General Meeting.

Yours faithfully,  
For and on behalf of  
**Techtronic Industries Company Limited**  
**Frank Chi Chung Chan**  
*Company Secretary*

This appendix serves as an explanatory statement, as required under Rule 10.06(b) of the Listing Rules, to provide requisite information to you for your consideration of the proposal to permit the repurchase of Shares up to a maximum of 10% of the issued share capital of the Company as at the date of passing the Repurchase Resolution. This appendix also constitutes the memorandum required under Section 49BA(3) of the Companies Ordinance.

### **(1) REPURCHASE PROPOSAL**

Resolution No. 6 to be proposed at the Annual General Meeting relates to the granting of a general mandate to the Directors to repurchase Shares representing up to a maximum of 10% of the issued share capital of the Company as at the date of passing the Repurchase Resolution at any time until the earlier of (a) the conclusion of the next annual general meeting of the Company; or (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws to be held; or (c) the revocation or variation of the authority given under this resolution by ordinary resolution of the Shareholders in general meeting.

The Shares to be purchased by the Company are fully paid up. As at the Latest Practicable Date, the number of Shares in issue was 1,591,252,152. Subject to the passing of the Repurchase Resolution and on the assumption that no additional Shares will be issued and/or repurchased between the Latest Practicable Date and the Annual General Meeting, the Company would be allowed under the mandate to repurchase a maximum of 159,125,215, representing approximately 10% of the issued share capital of the Company.

The Directors believe that the Repurchase Resolution is in the interest of the Company and its Shareholders. Trading conditions on the Stock Exchange have sometimes been volatile in recent years and there have been occasions when Shares were trading at a substantial discount to their underlying net asset value. Repurchases of Shares may enhance the Company's net asset value per Share and earnings per Share. In these circumstances, the ability of the Company to repurchase Shares can be beneficial to those Shareholders who retain their investment in the Company since their possible percentage interest in the assets of the Company would increase in proportion to the number of Shares repurchased by the Company.

### **(2) FUNDING OF REPURCHASES**

Repurchases of Shares would be financed entirely from the Company's available cashflow or working capital facilities. Any repurchases of Shares will be made out of funds of the Company legally available for such purpose in accordance with its memorandum and articles of association and the laws of Hong Kong, including profits otherwise available for distribution. Under the Companies Ordinance, a company's profits available for distribution are its accumulated, realised profits, so far as not previously utilised by distribution or capitalisation, less its accumulated, realised losses, so far as not previously written off in a reduction or reorganisation of capital duly made.

There might be an adverse impact on the working capital or gearing position of the Company as compared with the position disclosed in the audited accounts for the year ended December 31, 2009 in the event that the Repurchase Resolution was to be carried out in full at any time during the

proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Resolution to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

### **(3) UNDERTAKING OF DIRECTORS**

The Directors have undertaken to the Stock Exchange to exercise the powers of the Company to make purchases pursuant to the Repurchase Resolution and in accordance with the Listing Rules and the applicable laws of Hong Kong.

### **(4) DIRECTORS, THEIR ASSOCIATES AND CONNECTED PERSONS**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates presently intend to sell Shares to the Company under the Repurchase Resolution in the event that the Repurchase Resolution is approved by the Shareholders.

The Company has not been notified by any connected persons of the Company that they have a present intention to sell any Shares, nor that they have undertaken not to sell any Shares held by them to the Company in the event that the Repurchase Resolution is approved by the Shareholders.

### **(5) EFFECT OF TAKEOVERS CODE**

If on the exercise of the power to repurchase Shares pursuant to the Repurchase Resolution, a shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. As a result, a shareholder or group of shareholders acting in concert could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date, Mr. Horst Julius Pudwill together with his spouse and his controlled corporations were beneficially interested in 393,780,794 Shares (excluding Share Options) representing approximately 24.75% of the issued share capital of the Company and Dr. Roy Chi Ping Chung JP together with his spouse and his controlled corporations were beneficially interested in 61,541,948 Shares (excluding Share Options and excluding the 37,075,030 Shares held by Cordless Industries Company Limited, which is a company beneficially owned by Mr. Horst Julius Pudwill and Dr. Roy Chi Ping Chung JP and which Shares were included in the shareholdings of Mr. Horst Julius Pudwill controlled corporations as aforesaid) representing approximately 3.87% of the issued share capital of the Company. In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Resolution, the shareholdings of Mr. Horst Julius Pudwill and Dr. Roy Chi Ping Chung JP, together with their respective spouse and controlled corporations, in the Company would be increased to approximately 27.50% and 4.30% of the issued share capital of the Company respectively, which would constitute an aggregate shareholding of 31.80% of the issued share capital of the Company. In the opinion of the Directors, an increase in such an aggregate shareholding shall give rise to an obligation on the part of both of Mr. Horst Julius Pudwill and Dr. Roy Chi Ping Chung JP, whom shall be considered as parties acting in concert pursuant to the Takeovers Code, to make a mandatory

offer in accordance with Rule 26 of the Takeovers Code. The Directors have, at present, no intention to exercise the Repurchase Mandate to such extent which would result in Mr. Horst Julius Pudwill and Dr. Roy Chi Ping Chung JP and parties acting in concert with them becoming obliged to make a mandatory offer pursuant to Rule 26 of the Takeovers Code. Furthermore, the Company may not repurchase Shares which would result in the amount of Shares held by the public being reduced to less than 25%.

**(6) MARKET PRICES**

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months are as follows:

	<b>Prices of Shares</b>
