

## TTI CAPTURES TOP CONSUMER PRODUCT DESIGN AWARDS FROM THE 2008 HONG KONG AWARDS FOR INDUSTRIES

(Hong Kong, 4 February, 2009) – **Techtronic Industries Co. Ltd.** (“TTI” or the “Group”) (HKEx stock code: 669, ADR symbol: TTNDY) received two top awards in the “2008 Hong Kong Awards for Industries” from the Federation of Hong Kong Industries.

The Ryobi® P843 18V Lithium-ion Power Tool Kit and the RIDGID® 12V Lithium-ion “Shorty” Drill have both been awarded the “Consumer Product Design Award” and are recognized for outstanding innovation, product design, versatility and high-performance.

“These awards once again stand testament to TTI’s strong commitment to R&D and outstanding ability to provide end-users with the high-performance innovative tools they want and need. TTI is honored to receive these acclaimed recognitions which represent the collective achievement of our world-class R&D teams in Asia and North America” said **Mr. Joseph Galli Jr., CEO of TTI.**

### About the winning products

**The RIDGID® 12V Lithium-ion “Shorty” Drill** is the only ultra compact drill with a full sized 3/8” chuck. Designed with the serious DIY’er and Professional in mind, this innovative compact drill gives users the flexibility to use a variety of standard drill and driver bits with its fully featured chuck while easily fitting into tight workspaces.

**The Ryobi® branded P843 18V Lithium-ion Power Tool Kit** is an assortment of fully featured Lithium-ion driven tools which incorporates the latest in compact tool design. The new P843 – 18V Lithium-ion battery was developed to be reverse compatible with the existing Ryobi® branded One+™ NiCad battery system which are both fully interchangeable. The One+™ tool system branded under Ryobi® comprises over 35 tools and is rapidly expanding, making it one of the world's most popular and affordable 18V Lithium-ion tool systems.

Both award winning products are distributed in North America through The Home Depot®.
