Milwaukee[®] Receives Prestigious Awards from The Home Depot

(MILWAUKEE, WI, 4 October 2011) – At the annual Supplier Partnership meeting in Atlanta, GA, The Home Depot[®] recognized **Milwaukee Electric Tool Corporation** for their efforts in 2011 with the annual "Partner of the Year Award". Milwaukee also received almost 1/3 of the coveted "Top 10 Innovation Awards" as REDLITHIUM[™] battery technology, Shockwave Impact Duty[™] Accessories and the new Hand Tool line were ranked among the top 10 most innovative products of the year.

"We are proud to be recognized by The Home Depot for our efforts in 2011 and look forward to building on this foundation of success in 2012 and beyond," says **Steve Richman, President of Milwaukee Electric Tool Corporation**. "This is truly an achievement only made possible by the entire company working together to deliver new products that lead the industry in disruptive innovation with a continued focus on unparalleled service and passionate store execution."

This award recognizes the outstanding efforts of one manufacturer in each of The Home Depot[®] store departments. Chosen among several of the largest companies in the home improvement industry, Milwaukee is honored to receive The Home Depot Hardware Department Partner of the Year Award for the fourth time.
