At the AGM, separate ordinary resolutions will be proposed to give to the Directors a fresh general mandate (i) to allot, issue and otherwise deal with additional Shares with an aggregate nominal amount not exceeding 20% of the aggregate nominal amount of the issued share capital of the Company at the date of passing of the relevant resolution; (ii) to repurchase Shares with an aggregate nominal amount up to a maximum of 10% of the aggregate nominal amount of the issued share capital of the Company at the date of passing of the relevant resolution during the period from the date of passing of the relevant resolution up to: (a) the conclusion of the next annual general meeting of the Company; (b) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or (c) the passing of an ordinary resolution by the Shareholders in general meeting revoking or varying the Repurchase Mandate, whichever occurs first; and (iii) to add to such general mandate so granted to the Directors to allot, issue and deal with additional Shares by an amount representing the aggregate nominal amount of the share capital of the Company (up to a maximum of 10% of the aggregate nominal amount of the then issued share capital of the Company) repurchased under the Repurchase Mandate.

TOM GROUP LIMITED
Yeung Kwok Mung
Chief Executive Officer
and
Executive Director

This explanatory statement contains all the information required pursuant to Rule 10.06(1)(b) of the Listing Rules.

1. EXERCISE OF THE REPURCHASE MANDATE

As at the Latest Practicable Date, the issued share capital of the Company comprised of 3,893,270,558 Shares.

Subject to the passing of relevant ordinary resolution no. 5 at the AGM and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 389,327,055 Shares, representing 10% of the issued share capital of the Company.

2. REASONS FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and its Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value and/or earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the memorandum and articles of association of the Company and the applicable laws and regulations of the Cayman Islands. The Company may not purchase securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Under the Cayman Islands law, repurchases by the Company may only be made out of profits of the Company or out of proceeds of a fresh issue of Shares made for the purpose or, subject to the statutory test of solvency, out of capital. Any premium payable on purchase over the par value of the Shares to be repurchased must be provided for out of profits of the Company or out of the Company's share premium account or, subject to the statutory test of solvency, out of capital.

4. GENERAL

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2012) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

5. SHARE PRICES

The highest and lowest prices at which the Shares were traded on the Stock Exchange during each of the previous twelve months before the Latest Practicable Date were as follows:

	Highest	Shares	Lowest
	<i>HK\$</i>		<i>HK\$</i>
April 2012	0.710		0.600
May 2012	0.700		0.620
June 2012	0.680		0.610
July 2012	0.700		0.660
August 2012	0.850		0.680
September 2012	1.060		0.820

6. UNDERTAKING

The Directors have undertaken to the Stock Exchange that they will exercise the Repurchase Mandate in accordance with the Listing Rules, the memorandum and articles of association of the Company and the applicable laws of the Cayman Islands.

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their Associates, have any present intention to sell any Shares to the Company under the Repurchase Mandate if such is approved by the Shareholders.

No connected person (as defined in the Listing Rules) has notified the Company that it has any present intention to sell Shares to the Company, or has undertaken not to do so, in the event that the Repurchase Mandate is approved by the Shareholders.

7. THE CODE

If as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Code. As a result, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Code), depending on the level of increase in the Shareholder's interests, could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Code.

As at the Latest Practicable Date, by virtue of the SFO, Cheung Kong (Holdings) Limited, which is a substantial Shareholder of the Company, was deemed to be interested in 1,429,024,545 Shares (representing approximately 36.70% of the issued share capital of the Company). In the event that the Directors exercise the Repurchase Mandate in full, then (if the present shareholdings remained the same) the deemed interest of Cheung Kong (Holdings) Limited in the Company would be increased to approximately 40.78% of the issued share capital of the Company and such increase would give rise to an obligation to make a mandatory offer under Rule 26 of the Code.

However, the Directors have no present intention to exercise the Repurchase Mandate to such an extent as would result in takeover obligations.

8. SHARE PURCHASE MADE BY THE COMPANY

No purchases of Shares have been made by the Company in the previous six months, whether on the Stock Exchange or otherwise.
