PROFIT WARNING

This announcement is made by Trinity Limited (the “Company”, together with its subsidiaries referred to collectively as the “Group”) in accordance with Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “Listing Rules”) and the Inside Information Provisions (as defined in the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors (the “Board”) of the Company wishes to inform the shareholders of the Company and potential investors that based on the preliminary review of the unaudited management accounts of the Group for the six months ended 30 June 2020, the Group is expected to record a net loss attributable to shareholders of the Company for the six months ended 30 June 2020 of not less than HK\$150 million, as compared with a net profit attributable to shareholders of the Company of HK\$76.6 million for the six months ended 30 June 2019.

The expected loss was mainly attributable to the outbreak of the coronavirus disease 2019 (“COVID-19”) pandemic since January 2020. As disclosed in note 41 of the 2019 annual report of the Company dated 31 March 2020, the Group expected that in the case of a prolonged COVID-19 crisis, local retail business would be greatly impacted and business performance for the first half of 2020 would be affected. Under the adverse impact of the COVID-19, during the six months ended 30 June 2020, the markets in Mainland China, Hong Kong, Macau, Taiwan, France and the United Kingdom, the key regions in which the Group operated, continued to be weak with dampened consumption sentiments for premium menswear products, and as a result (i) the Group recorded a material decline in retail revenue and (ii) there was a substantial postponement of orders in the wholesale business.

To cope with the challenges ahead, the Group will continue to monitor closely the market situations and adjust the Group’s retail strategy as well as grasping all available wholesale opportunities. The Group will continue to adopt stringent cost and risk management measures to guard against heightened uncertainty in the operating landscape.

The information contained in this announcement is solely based on the preliminary review of the Group's unaudited management accounts for the six months ended 30 June 2020 and the information currently available, which may be subject to adjustments and have not yet been reviewed by the Company's audit committee. Therefore, the actual results of the Group for the six months ended 30 June 2020 may differ from the information contained in this announcement. Shareholders of the Company and potential investors are advised to refer to the interim results announcement of the Group for the six months ended 30 June 2020 for details of the Group's performance, which is expected to be published by the end of August 2020.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
