### **POSITIVE PROFIT ALERT**

This announcement is made by Tse Sui Luen Jewellery (International) Limited (the “**Company**”), together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited (the “**Listing Rules**”) and the Inside Information Provisions (as defined under the Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the Board’s preliminary review of the latest unaudited consolidated management accounts of the Group for the six months ended 30 September 2021 and other information currently available, the Group expects to record a profit attributable to owners of the Company of not less than approximately HK\$2 million for the six months ended 30 September 2021 as compared to the loss attributable to owners of the Company of approximately HK\$42 million for the six months ended 30 September 2020.

The Board considers that the upturn in the Group’s results is on account of the combined effect of the continuous recovery in the overall performance of the Group’s business due to the stabilized and controlled COVID-19 situation in Mainland China, and the reduction in the Group’s expenses as a result of various cost control measures persistently taken. The Group has also put more focus on online business development, which drove our e-business segment to record a remarkable growth during the period under review.
