THE GROUP'S PRODUCT CEFOTAXIME SODIUM FOR INJECTION PASSED THE CONSISTENCY EVALUATION

This announcement is made by The United Laboratories International Holdings Limited (the "Company") on a voluntary basis.

The board of directors (the "Board") of the Company is pleased to announce that Cefotaxime Sodium for Injection (specifications: 1.0g; 2.0g) submitted by Zhuhai United Laboratories Co., Ltd, Zhongshan Branch, a wholly-owned subsidiary of the Company, has been approved by China National Medical Products Administration, passed the consistency evaluation of quality and efficacy for generic drugs ("Consistency Evaluation").

Cefotaxime sodium for injection is a third-generation cephalosporin antibiotic with a wide range of clinical applications and significant advantages such as a broad antibacterial spectrum, high stability, and definite therapeutic efficacy. It is applicable to the treatment of infections caused by susceptible bacteria, including lower respiratory tract infections, genitourinary tract infections, gynecological infections, bacteremia/sepsis, skin and soft tissue infections, intra-abdominal infections, bone and joint infections, and central nervous system infections. Currently, cefotaxime sodium for injection is classified as a Category A drug in the National Medical Insurance Drug List (2024 edition).

This approval will further solidify the Company's leading position in the anti-infective field. In the future, the Company will continue to devote itself to the research and development of new products and the promotion of the Consistency Evaluation, which is expected to create greater values for the Company and its shareholders.
