AND
NOTICE OF ANNUAL GENERAL MEETING**

1. INTRODUCTION

The purpose of this circular is to provide you with notice of the AGM, and information on matters to be dealt with at the AGM, inter alia:

- (a) re-election of retiring Directors; and
- (b) grant of Issue Mandate and Repurchase Mandate to Directors, and the extension of the Issue Mandate to Directors by the addition of the number of Shares repurchased pursuant to the Repurchase Mandate.

LETTER FROM THE BOARD

2. RE-ELECTION OF RETIRING DIRECTORS

Pursuant to article 84 of the Articles of Association, at each annual general meeting of the Company, one-third of the Directors for the time being (or, if their number is not a multiple of three, the number nearest to but not less than one-third) shall retire from office by rotation provided that every Director shall be subject to retirement at an annual general meeting at least once every three years. A retiring Director shall be eligible for re-election. The Directors to retire by rotation shall include (so far as necessary to ascertain the number of directors to retire by rotation) any Director who wishes to retire and not to offer himself for re-election. Any further Directors so to retire shall be those of the other Directors subject to retirement by rotation who have been longest in office since their last re-election or appointment and so that as between persons who became or were last re-elected Directors on the same day those to retire shall (unless they otherwise agree among themselves) be determined by lot. Any Directors appointed by the Board pursuant to article 83(3) of the Articles of Association (to fill a causal vacancy or as an addition to the existing Board) shall not be taken into account in determining which particular Directors or the number of Directors who are to retire by rotation.

The re-appointment of retiring Directors has been reviewed by the Nomination Committee which made recommendations to the Board that the re-election be proposed for Shareholders' approval at the AGM. Mr. Yiu Hon Ming, who is a member and was present at the meeting of the Nomination Committee, abstained from voting at the meeting of the Nomination Committee when his nomination was being considered. Mr. Wu Ming Lam, who is a member and was present at the meeting of the Nomination Committee, abstained from voting at the meeting of the Nomination Committee when his independence and nomination were being considered.

Mr. Yiu Hon Ming, Mr. Li Chin Keung, Ms. Yiu Ho Ting and Mr. Wu Ming Lam will retire by rotation at the AGM in accordance with article 84 of the Articles of Association and, being eligible, have offered themselves for re-election at the AGM.

Mr. Wu Ming Lam has satisfied the independence criteria as set out in Rule 3.13 of the Listing Rules. By considering Mr. Wu Ming Lam's written confirmation of independence to the Company based on the independence criteria set out in Rule 3.13 of the Listing Rules, both the Nomination Committee and the Board were of the opinion that he is independent. To the best knowledge of the Directors, as at the Latest Practicable Date, the Company is not aware of any matters or events that may occur and affect the independence of Mr. Wu Ming Lam.

By taking into account the nomination policy of the Company and the objective criteria (including without limitation, reputation for integrity, time commitment, educational background, professional experience, skills, knowledge and length of service) set out in it, and the independence of Mr. Wu Ming Lam, both the Nomination Committee and the Board considered Mr. Wu Ming Lam suitable candidate as Independent Non-Executive Director based on his knowledge and experience in manufacturing and investment business, resources management and strategies development.

The Board considers that Mr. Wu Ming Lam has the required character, integrity, ability and experience to continue to fulfil his role as required effectively by providing independent viewpoint and judgement in relation to the Company's strategy, policy, performance, accountability and standards of conduct.

LETTER FROM THE BOARD

During the tenure of office, Mr. Wu Ming Lam had performed his duties as Independent Non-Executive Director to the satisfaction of the Board. The Board believes that Mr. Wu Ming Lam's valuable knowledge and experience will continue to bring significant perspectives and contribution to the Board for its efficient and effective functioning, and that his re-appointment as Independent Non-Executive Director will contribute to the diversity (in particular in terms of knowledge, experience and length of service) of the Board appropriate to the requirements and development of the Company's business.

Particulars of the retiring Directors are set out in Appendix I to this circular.

Save as disclosed above, there is no information relating to Mr. Wu that is required to be disclosed pursuant to rules 13.51(2) of the Listing Rules and there is no other matter that needs to be brought to the attention of Shareholders.

This explanatory statement contains the information required to be sent to Shareholders pursuant to Rule 10.06(1)(b) of the Listing Rules concerning the repurchase by the Company of its own Shares.

(1) EXERCISE OF THE REPURCHASE MANDATE

Exercise in full of the Repurchase Mandate, on the basis of 500,000,000 Shares in issue as at the Latest Practicable Date, would result in a maximum of 50,000,000 Shares (which are fully paid and represent 10% of the Shares in issue) being repurchased by the Company during the period prior to the earliest of:

- (i) the conclusion of the next annual general meeting of the Company;
- (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles of Association or any applicable laws of the Cayman Islands to be held; or
- (iii) the revocation, variation or renewal of the Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting of the Company.

The total number of Shares which the Company is authorised to repurchase its Shares representing a maximum of 10% of the aggregate nominal value of the share capital of the Company in issue at the date of the resolution granting the Repurchase Mandate. A company may not issue or announce an issue of new shares for a period of 30 days immediately following a repurchase of securities (other than an issue of securities pursuant to an exercise of warrants, share options or similar instruments requiring the company to issue securities which were outstanding prior to such repurchase) without the prior approval of the Stock Exchange. The Listing Rules also prohibit a company from making repurchases of its own securities on the Stock Exchange if the repurchase would result in the number of the company's listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange, which is currently 25% in the case of the Company.

The Listing Rules further prohibit a company from purchasing its own shares on the Stock Exchange if the purchase price is higher by 5% or more than the average closing market price for the five preceding trading days on which its shares are traded on the Stock Exchange or for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange prevailing from time to time.

The Company shall procure that any broker appointed by it to effect the purchase of its securities to disclose to the Stock Exchange such information with respect to purchases made on behalf of the Company as the Stock Exchange may request.

(2) REASONS FOR THE REPURCHASE

Although the Directors have no present intention to repurchase any Shares, the Directors believe that it is in the best interests of the Company and the Shareholders for the Directors to seek a general authority from the Shareholders to enable the Company to repurchase Shares in the market. Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share.

(3) FUNDING OF REPURCHASE

At repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum of Association, the Articles of Association and the applicable laws and regulations of the Cayman Islands. Pursuant to the Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilised in this connection, including profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or, subject to the Companies Law of the Cayman Islands, out of capital of the Company and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, subject to the Companies Law of the Cayman Islands, out of capital of the Company.

(4) IMPACT ON THE COMPANY

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited accounts for the year ended 31 December 2019) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing position which in the opinion of the Directors are from time to time appropriate for the Company.

(5) DISCLOSURE OF INTEREST

None of the Directors to the best of their knowledge having made all reasonable enquiries, nor any of their respective close associates (as defined in the Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

(6) DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Listing Rules, the Memorandum of Association, the Articles of Association and the applicable laws of the Cayman Islands.

(7) EFFECT OF TAKEOVERS CODE

If the proportionate interest of a Shareholder in the voting rights of the Company increases on exercise of the power to repurchase Shares pursuant to the Repurchase Mandate, such increase will be treated as an acquisition of voting rights for the purpose of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase in the Shareholders' interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, the immediate controlling shareholder (as defined in the Listing Rules) of the Company, Ming Fung Investment Limited, was recorded in the registers required to be kept by the Company under section 336 of the SFO as interested in 330,000,000 Shares, representing 66% of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full and assuming that there is no change in the number of Shares held by Ming Fung Investment Limited and there is no other change to the issued share capital of the Company, the shareholding of Ming Fung Investment Limited in the Company will be increased to approximately 73.33% of the reduced issued share capital of the Company immediately after the exercise in full of the Repurchase Mandate.

Accordingly, the Directors are not aware of the consequences which would give rise under the Takeovers Code as a result of exercising the Repurchase Mandate.
