INTRODUCTION

At the forthcoming AGM, the Ordinary Resolutions will be proposed to seek Shareholders' approval for, among other things, (i) the granting of the Repurchase Mandate and the Share Issue Mandate to the Directors, (ii) the re-election of the Retiring Directors and (iii) the re-appointment of auditor.

LETTER FROM THE BOARD

The purpose of this circular is to provide you with information regarding the proposed grant of the Repurchase Mandate and the Share Issue Mandate, the proposed re-election of the Retiring Directors, the proposed re-appointment of auditor, and the AGM Notice.

REPURCHASE MANDATE AND SHARE ISSUE MANDATE

At the AGM, the Directors propose to seek the approval of the Shareholders for the granting to the Directors of the Repurchase Mandate and the Share Issue Mandate.

Repurchase Mandate

At the AGM, an Ordinary Resolution will be proposed that the Directors be given an unconditional general mandate to repurchase Shares on the Stock Exchange or any other stock exchange on which the Shares may be listed and which is recognized by the SFC and the Stock Exchange for such purpose, of an aggregate nominal amount of up to 10% of the aggregate nominal amount of the issued share capital of the Company as at the date of approval of the Repurchase Mandate. Details of the Repurchase Mandate are set out in Ordinary Resolution no. 4 of the AGM Notice.

As at the Latest Practicable Date, the Company had an aggregate of 4,073,767,800 Shares in issue. Subject to the passing of the Ordinary Resolution for the approval of the Repurchase Mandate and on the basis that no further Shares are issued or repurchased between the Latest Practicable Date and the date of the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 407,376,780 Shares.

An explanatory statement as required under Rule 10.06(1)(b) of the Listing Rules to provide the requisite information in connection with the Repurchase Mandate, is set out in Appendix I to this circular.

Share Issue Mandate

At the AGM, an Ordinary Resolution will also be proposed that the Directors be given an unconditional general mandate to allot, issue and deal with additional Shares of an aggregate nominal amount of up to 20% of the aggregate nominal amount of the issued share capital of the Company as at the date of approval of the Share Issue Mandate. As at the Latest Practicable Date, the total number of issued Shares was 4,073,767,800. Assuming that there is no change in the total number of issued Shares between the period from the Latest Practicable Date and the date of AGM, the maximum number of Shares which may be allotted, issued and dealt with pursuant to the Share Issue Mandate will be 814,753,560 Shares, representing 20% of the total number of issued Shares.

An Ordinary Resolution will also be proposed to authorize the extension of the Share Issue Mandate by an addition thereto of an amount representing the aggregate nominal amount of the issued share capital of the Company repurchased by the Company under the Repurchase Mandate (if granted).

LETTER FROM THE BOARD

Details of the Share Issue Mandate and the extension of the Share Issue Mandate are set out in Ordinary Resolutions nos. 5 and 6 of the AGM Notice, respectively.

The Repurchase Mandate and the Share Issue Mandate shall continue to be in force during the period from the date of passing of the Ordinary Resolutions for the approval of the Repurchase Mandate and the Share Issue Mandate up to (i) the conclusion of the next annual general meeting of the Company; (ii) the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held; or (iii) the revocation or variation of the Repurchase Mandate or the Share Issue Mandate (as the case may be) by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

RE-ELECTION OF DIRECTORS

In accordance with code provision B.2.2 in Part 2 of Appendix C1 to the Listing Rules and Article 104 of the Articles, Mr. Zheng Shifeng, Mr. Tang Shisheng and Mr. Feng Guohua will retire from office of Directors by rotation at the AGM. Mr. Zheng Shifeng and Mr. Feng Guohua will offer themselves for re-election. Mr. Tang Shisheng has decided not to offer himself for re-election at the AGM as he desires to focus on his own business, and he will retire as an independent non-executive Director after the conclusion of the AGM. In accordance with Article 108 of the Articles of Association, Mr. Li Dun and Ms. Guo Ruqian shall retire at the AGM and they being eligible, offer themselves for re-election.

As at the Latest Practicable Date, Mr. Feng Guohua has been serving as independent non-executive Director of the Company for more than nine years, code provision B.2.3 in Part 2 of Appendix C1 to the Listing Rules stipulated that if an independent non-executive Director serves more than nine years, his further appointment should be subject to a separate resolution to be approved by shareholders.

The Nomination Committee nominated each of the Retiring Directors to the Board for it to recommend to Shareholders at the AGM. Mr. Feng Guohua, who is a member of the Nomination Committee, abstained from voting on his own nomination when it was being considered.

The Nomination Committee has reviewed the structure and composition of the Board, the confirmations and disclosures given by the Retiring Directors, the qualifications, skills and experience, time commitment and contribution of the Retiring Directors with reference to the nomination principles and criteria set out in the Company's board diversity policy, the Company's nomination policy, the Company's corporate strategy, and the independence of all independent non-executive Directors. The Nomination Committee has recommended to the Board on re-election of all the Retiring Directors including the aforesaid independent non-executive Director who is due to retire at the AGM.

LETTER FROM THE BOARD

The Directors note that Mr. Feng Guohua, the retiring independent non-executive Director, has not engaged in any executive management of the Group. Taking into consideration of his independent scope of works in the past years, the Directors consider Mr. Feng Guohua is still independent in accordance with the Listing Rules despite the fact that he has served the Company for more than nine years, and he will continue to bring valuable business experience, knowledge and professionalism to the Board for its efficient and effective functioning and diversity. A separate resolution will be proposed for the re-election of Mr. Feng Guohua as an independent non-executive Director respectively for the Shareholders' approval at the AGM pursuant to the code provision B.2.3 in Part 2 of Appendix C1 to the Listing Rules.

The Board, having considered the recommendation of the Nomination Committee, is of the view that each of the Retiring Directors will continue to contribute to the Board with their deep understanding of the businesses of the Group, diversity of skills set and perspectives as well as devotion to the Board. The Board also believes that the valuable knowledge and experience of the Retiring Directors in the businesses of the Group and their general business acumen continue to generate significant contribution to the Company and the Shareholders as a whole.

Biographical details of the Retiring Directors who are proposed to be re-elected at the AGM, which are required to be disclosed pursuant to the Listing Rules, are set out in Appendix II to this circular.

Further information about the Board's composition and diversity as well as the attendance record at the meetings of the Board and/or its committees and the general meetings of the Directors (including the Retiring Directors) is disclosed in the biographies of Directors and corporate governance report in the 2024 annual report of the Company.

RE-APPOINTMENT OF AUDITOR

Ernst & Young, which audited the consolidated financial statements of the Company for the year ended 31 December 2024, will retire as the auditor of the Company at the AGM and, being eligible, offer itself for re-appointment.

The Board, upon the recommendation of the Audit Committee of the Company, proposed to re-appoint Ernst & Young as the auditor of the Company and to hold office until the conclusion of the next annual general meeting of the Company and authorize the Board to fix its remuneration for the year ending 31 December 2025.

LISTING RULES

The Listing Rules permit listed companies to repurchase their own shares on the Stock Exchange or any other stock exchange on which their shares may be listed and which is recognized by the SFC and the Stock Exchange for such purpose, subject to certain restrictions. This appendix serves as an explanatory statement, as required by the Share Buyback Rules to be sent to Shareholders in connection with the proposed grant of the Repurchase Mandate, to provide the requisite information to Shareholders for their consideration of the Repurchase Mandate.

EXERCISE OF THE REPURCHASE MANDATE

Whilst the Directors do not presently intend to repurchase any Shares immediately, they believe that the flexibility afforded by the Repurchase Mandate granted to them if the Ordinary Resolution set out as Ordinary Resolution no. 4 of the AGM Notice is passed would be beneficial to the Company and its Shareholders as a whole. It is proposed that up to 10 per cent. of the issued and outstanding Shares on the date of the passing of the resolution to approve the Repurchase Mandate may be repurchased. As at the Latest Practicable Date, 4,073,767,800 Shares were issued and outstanding. On the basis of such figures, the Directors would be authorized to repurchase up to 407,376,780 Shares during the period up to the date of the next annual general meeting in 2026, or the expiration of the period within which the next annual general meeting of the Company is required by the Articles or any applicable law to be held, or the revocation or variation of the Repurchase Mandate by an ordinary resolution of the Shareholders at a general meeting of the Company, whichever of these three events occurs first.

REASONS FOR REPURCHASES

Repurchases of Shares will only be made when the Directors believe that such a repurchase will benefit the Company and its Shareholders. Such repurchases may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share.

FUNDING OF REPURCHASES

Repurchases pursuant to the Repurchase Mandate would be financed entirely from the Company's available cash flow or working capital facilities. Any repurchases will be made out of funds of the Company legally permitted to be utilized in this connection in accordance with its memorandum of association, the Articles, the Listing Rules and the applicable laws of the Cayman Islands. The Company may not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in its most recent published audited accounts for the year ended 31 December 2024) in the event that the Repurchase Mandate is exercised in full. However, the Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or the gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

DISCLOSURE OF INTERESTS

None of the Directors, and to the best of their knowledge, having made all reasonable enquiries, none of their close associates (as defined in the Listing Rules), have any present intention, if the Repurchase Mandate is exercised, to sell any Shares to the Company or its subsidiaries.

No core connected persons (as defined in the Listing Rules) have notified the Company that they have a present intention to sell Shares to the Company, nor have they undertaken not to do so, if the Repurchase Mandate is exercised.

DIRECTORS' CONFIRMATIONS

The Directors confirm that, so far as the same may be applicable, they will exercise the Repurchase Mandate in accordance with the Company's memorandum of association, the Articles, the Listing Rules and the applicable laws of the Cayman Islands.

The Directors also confirm that neither this explanatory statement nor the proposed share repurchase has any unusual features.

TAKEOVERS CODE CONSEQUENCES

If as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code. As a result, a Shareholder, or group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of its or their shareholding, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code. The Directors are aware of the consequences arising under the Takeovers Code of any repurchase.

As at the Latest Practicable Date, Mr. Hua Bangsong, a controlling Shareholder, was recorded in the register required to be kept by the Company under sections 336 and 352 of the SFO as having an interest in 3,088,782,146 Shares, representing approximately 75.82% of the issued and outstanding share capital of the Company as at that date. In the event that the Repurchase Mandate is exercised in full and assuming that there is no change in the number of Shares held directly or indirectly by Mr. Hua Bangsong, the interest of Mr. Hua Bangsong

in the Company will be increased to approximately 84.25% of the issued share capital of the Company immediately after the exercise in full of the Repurchase Mandate. To the best of the knowledge and belief of the Directors, such increase would not give rise to an obligation to make a mandatory offer under the Takeovers Code. In addition, in exercising the Repurchase Mandate (whether in full or otherwise), the Directors will ensure that the Company shall comply with the requirements of the Listing Rules, including the minimum percentage of Shares being held in public hands.

SHARE REPURCHASE MADE BY THE COMPANY

The Company did not repurchase any Shares on the Stock Exchange in the six months preceding the Latest Practicable Date.
