## **OPERATIONAL UPDATE ON BUSINESS IN CHINA FOR THE FIRST QUARTER OF 2018**

This announcement is made by the board of directors (the “**Board**”) of Xtep International Holdings Limited (the “**Company**,” together with its subsidiaries, the “**Group**”).

During the first quarter of 2018, the average same store sales performance (in terms of the retail value) recorded low-teens growth compared with the same period in 2017. The retail discount levels remained at low levels of 20-25%, and the retail inventory was kept at a healthy level of around 4 months. Same store sales reflect sales performance from those physical stores in operation for longer than one year. This accounts for approximately 70% of the total Xtep brand store count.

**The Company’s shareholders and potential investors should note that this announcement is made based on unaudited operational data of the Group and such data have not been audited or reviewed by the Company’s auditor.**

**The Company’s shareholders and potential investors are advised to exercise caution when dealing in the shares of the Company.**

By Order of the Board of  
**Xtep International Holdings Limited**
