FRAMEWORK LEASE AGREEMENT

On 6 January 2015, the Company and YX IFC, an associate of HK YX, entered into the Framework Lease Agreement for a term of three years which commenced with retrospective effect from 1 January 2015 for the purpose of regulating the continuing connected transactions in respect of the leasing of certain lettable spaces, units and/or premises of Guangzhou IFC by YX IFC to members of the Group.

ANNUAL CAPS

The Annual Caps for the lease transactions contemplated under the Framework Lease Agreement will be RMB13,200,000, RMB15,000,000 and RMB15,100,000 for the years ending 31 December 2015, 2016 and 2017 respectively.

LISTING RULES IMPLICATIONS

YX IFC is an associate of HK YX, which is the controlling shareholder of the Company, therefore YX IFC is a connected person of the Company under the Listing Rules. As such, the lease transactions under the Framework Lease Agreement constitute continuing connected transactions of the Company under Chapter 14A of the Listing Rules.

Since the highest applicable percentage ratio for the Annual Cap for the lease transactions under the Framework Lease Agreement is more than 0.1% but less than 5%, the lease transactions under the Framework Lease Agreement are only subject to the reporting, annual review and announcement requirements under Chapter 14A of the Listing Rules and are exempt from independent shareholders' approval requirement.

The Board (including the independent non-executive Directors) considers that the terms of the Framework Lease Agreement (including the Annual Caps) are fair and reasonable, on normal commercial terms, in the ordinary and usual course of business of the Group and in the interest of the Company and its shareholders as a whole.

FRAMEWORK LEASE AGREEMENT

On 6 January 2015, the Company and YX IFC, an associate of HK YX, entered into the Framework Lease Agreement for a term of three years which commenced with retrospective effect from 1 January 2015 for the purpose of regulating the continuing connected transactions in respect of the leasing of certain lettable spaces, units and/or premises of Guangzhou IFC by YX IFC to members of the Group.

The lease transactions contemplated under the Framework Lease Agreement shall be conducted on a fair and reasonable basis, and the terms and conditions of which shall determined in accordance with normal commercial terms.

TERM AND TERMINATION

The Term of the Framework Lease Agreement commenced with retrospective effect from 1 January 2015 for three years up to and including 31 December 2017.

Subject to, among others, compliance of the relevant requirements under the Listing Rules, the Company and YX IFC may agree to extend the term of the Framework Lease Agreement.

Either party to the Framework Lease Agreement may terminate the Framework Lease Agreement by giving not less than three months prior written notice to the other party.

SPECIFIC LEASE AGREEMENT

Subject to the compliance of the terms and conditions of the Framework Lease Agreement, the relevant member(s) of the Group (as tenant) and YX IFC (as landlord) shall enter into Specific Lease Agreement(s) in the prescribed form as set out in the Framework Lease Agreement in relation to their respective Lease Properties provided that the following requirements are met:

- (i) the term for each Specific Lease Agreement must be for a fixed term of not more than three years, and the aggregate annual rental payable under all of the Specific Lease Agreements for the relevant year shall not exceed the Annual Cap under the Framework Lease Agreement for the relevant year. In the event that:
 - (i) the term of any Specific Lease Agreement will end after the end of the Term of the Framework Lease Agreement, and the Framework Lease Agreement is not extended or renewed; or (ii) the Framework Lease Agreement is terminated in accordance with its terms prior to the end of the term of any Specific Lease Agreement, the Company shall comply in full with the applicable requirements under the Listing Rules for such Specific Lease Agreements in respect of the period for which the term of such Specific Lease Agreements exceeds the Term of the Framework Lease Agreement;
- (ii) the terms and conditions of the Specific Lease Agreements must be no less favourable than the terms and conditions of similar tenancy agreements entered into by independent third parties for comparable premises; and
- (iii) the annual rental of the Lease Properties payable by the relevant member of the Group to YX IFC under each Specific Lease Agreement shall on each occasion be negotiated and determined on an arm's length basis in accordance with the following principles for ensuring that the relevant pricing term is fair and reasonable in accordance with prevailing market conditions:
 - 1. making reference to the prevailing market conditions and the rental of other similar properties in Guangzhou IFC charged to other independent third parties; and
 - 2. if applicable, reference to the rental of commercial properties of the same grade as Guangzhou IFC in the same district.

PROPOSED ANNUAL CAPS

The Annual Caps are calculated with reference to: (i) the estimated aggregated annual rent payable by the Group to YX IFC under the Specific Lease Agreements which will or may be entered into by the Company with YX IFC during the Term; and (ii) allowing a reasonable buffer for possible increase of rent (including due to inflation or otherwise).

The Annual Caps are set out below:

For the year ending 31 December 2015 <i>(RMB)</i>	For the year ending 31 December 2016 <i>(RMB)</i>	For the year ending 31 December 2017 <i>(RMB)</i>
13,200,000	15,000,000	15,100,000

In the event that the aggregate annual amount payable by the Group to YX IFC for the lease transactions under the Framework Lease Agreement may exceed the Annual Cap for the relevant year, the Company shall promptly notify the Stock Exchange and take necessary procedures to comply with the Listing Rules, including (among others) to seek independent shareholders' approval (if necessary) and to announce such lease transactions.

REASONS FOR AND BENEFITS OF THE FRAMEWORK LEASE AGREEMENT

Guangzhou IFC is conveniently located in a prime location in Guangzhou and the rental for the Lease Properties are at prevailing market rates, therefore the Directors (including the independent non-executive Directors) are of the view that renting the Lease Properties as premises for the on-going business operations and development of members of the Group is a suitable choice.

In addition, the Directors consider that the Framework Lease Agreement can set out a framework and streamline the leases in respect of the Lease Properties between members of the Group and YX IFC. The Framework Lease Agreement will also provide a single basis on which the Company will comply with the relevant reporting, announcement and annual review requirements (to the extent applicable) in compliance with the Listing Rules and thereby enhances administrative efficiency and saves costs for the Company in complying with such requirements.

Having considered the above factors and the basis of determination of the Annual Caps, the Board (including the independent non-executive Directors) considers that the lease transactions under the Framework Lease Agreement are fair and reasonable, on normal commercial terms, in the ordinary and usual course of business of the Group and in the interest of the Company and its shareholders as a whole, and that the Annual Caps are fair and reasonable and in the interest of the Company and its shareholders as a whole.
